**Jolene Zigarovich**

## **Sexual Outcasts 1750 185:**

*Sexual Outcasts, 1750-1850: Prostitution* Ian McCormick, 2000 *Sexual Outcasts* presents a wide range of texts selected to illustrate the diversity of responses to the concealed body and to the secret or forbidden sexual practices of 1750 1850 Each volume follows the means by which prohibitions and taboos were produced and circulated The reader can therefore explore the processes that disciplined the representation of the body and the construction of sexual outcasts This four volume set presents a wide range of textual material criminal reports scientific and medical publications newspaper items sex manuals guidebooks speculative accounts and case histories The variety of sources permits a multiple perspective on the body sexual drives gendered psychologies and perverse behaviour across the century

**Sexual Outcasts, 1750-1850: Sodomy** Ian McCormick, 2000 *Sexual Outcasts* presents a wide range of texts selected to illustrate the diversity of responses to the concealed body and to the secret or forbidden sexual practices of 1750 1850 Each volume follows the means by which prohibitions and taboos were produced and circulated The reader can therefore explore the processes that disciplined the representation of the body and the construction of sexual outcasts This four volume set presents a wide range of textual material criminal reports scientific and medical publications newspaper items sex manuals guidebooks speculative accounts and case histories The variety of sources permits a multiple perspective on the body sexual drives gendered psychologies and perverse behaviour across the century

**Sexual Outcasts 1750-1850: Onanism** Ian McCormick, 2000 *Sexual Outcasts* presents a wide range of texts selected to illustrate the diversity of responses to the concealed body and to the secret or forbidden sexual practices of 1750 1850 Each volume follows the means by which prohibitions and taboos were produced and circulated The reader can therefore explore the processes that disciplined the representation of the body and the construction of sexual outcasts This four volume set presents a wide range of textual material criminal reports scientific and medical publications newspaper items sex manuals guidebooks speculative accounts and case histories The variety of sources permits a multiple perspective on the body sexual drives gendered psychologies and perverse behaviour across the century

**Sex and Death in Eighteenth-Century Literature** Jolene Zigarovich, 2013-05-02 This book discusses sex and death in the eighteenth century an era that among other forms produced the Gothic novel commencing the prolific examination of the century's shifting attitudes toward death and uncovering literary moments in which sexuality and death often conjoined By bringing together various viewpoints and historical relations the volume contributes to an emerging field of study and provides new perspectives on the ways in which the century approached an increasingly modern sense of sexuality and mortality It not only provides part of the needed discussion of the relationship between sex death history and eighteenth century culture but is a forum in which the ideas of several well respected critics converge producing a breadth of knowledge and a diversity of perspectives and methodologies previously unseen As the contributors demonstrate eighteenth century anxieties over mortality the body the soul and the corpse inspired many writers of the time to both implicitly and explicitly

embed mortality and sexuality within their works By depicting the necrophilic tendencies of libertines and rapacious villains the fetishizing of death and mourning by virtuous heroines or the fantasy of preserving the body these authors demonstrate not only the tragic results of sexual play but the persistent fantasy of necro erotica This book shows that within the eighteenth century culture of profound modern change underworkings of death and mourning are often eroticized that sex is often equated with death as punishment or loss of the self and that the sex death dialectic lies at the discursive center of normative conceptions of gender desire and social power

**Oscar Wilde Prefigured** Dominic Janes, 2016-11-10 I do not say you are it but you look it and you pose at it which is just as bad Lord Queensbury challenged Oscar Wilde in the courtroom which erupted in laughter accusing Wilde of posing as a sodomite What was so terrible about posing as a sodomite and why was Queensbury's horror greeted with such amusement In *Oscar Wilde Prefigured* Dominic Janes suggests that what divided the two sides in this case was not so much the question of whether Wilde was or was not a sodomite but whether or not it mattered that people could appear to be sodomites For many intimations of sodomy were simply a part of the amusing spectacle of sophisticated life *Oscar Wilde Prefigured* is a study of the prehistory of this queer moment in 1895 Janes explores the complex ways in which men who desired sex with men in Britain had expressed such interests through clothing style and deportment since the mid eighteenth century He supplements the well established narrative of the inscription of sodomitical acts into a homosexual label and identity at the end of the nineteenth century by teasing out the means by which same sex desires could be signaled through visual display in Georgian and Victorian Britain Wilde it turns out is not the starting point for public queer figuration He is the pivot by which Georgian figures and twentieth century camp stereotypes meet Drawing on the mutually reinforcing phenomena of dandyism and caricature of alleged effeminates Janes examines a wide range of images drawn from theater fashion and the popular press to reveal new dimensions of identity politics gender performance and queer culture

**Law and Society in England 1750-1950** William Cornish, Stephen Banks, Charles Mitchell, Paul Mitchell, Rebecca Probert, 2019-10-31 *Law and Society in England 1750-1950* is an indispensable text for those wishing to study English legal history and to understand the foundations of the modern British state In this new updated edition the authors explore the complex relationship between legal and social change They consider the ways in which those in power themselves imagined and initiated reform and the ways in which they were obliged to respond to demands for change from outside the legal and political classes What emerges is a lively and critical account of the evolution of modern rights and expectations and an engaging study of the formation of contemporary social administrative and legal institutions and ideas and the road that was travelled to create them The book is divided into eight chapters Institutions and Ideas Land Commerce and Industry Labour Relations The Family Poverty and Education Accidents and Crime This extensively referenced analysis of modern social and legal history will be invaluable to students and teachers of English law political science and social history

**Gothic Britain** William Hughes, Ruth Heholt, 2018-04-15 Coverage of canonical and

less explored texts in fiction film and museology Innovative vision of how Gothic evokes the regions of Great Britain The first work to consider Gothic and the regional experience at length     **Historical Abstracts** ,1992 Vols 17 18 cover 1775 1914  
    Sociological Abstracts ,1993     **Criminology & Penology Abstracts** ,1986
