The Psychology of Secrets Anita E. Kelly, 2012-12-06 On an MTV special aired in 2000 young interviewees were asked to confess the worse thing they were ever told during a romantic breakup One person tearfully responded that I suck in bed More recently an acquaintance of mine admitted to his new girlfriend that he has a mean streak She decided not to date him after that Another memorable and painful example of openness occurred years ago when I served as a member of a suicide intervention team I was called to a very disturbing scene in an upscale neighborhood to console a woman who was threaten ing to take her life on the lawn in front of her children Her husband had just confessed his long term affair to her that morning and she felt that her world was coming apart Fortunately she did not take her life but was left with the humiliation of haVing her neighbors know about her private troubles The question these examples bring to mind is Why do people so often reveal potentially stigmatizing personal information to others The reader probably has an intuitive answer to this question already It can seem like such a burden even torture to keep secrets from other people Hiding such things as feelings of discontent from a boyfriend or girlfriend violations of the law from close friends and indiscretions from employers can be alienating People want others to know them therefore they often end up disclosing self incriminating information

Secret Sex Iris Finz, Steven Finz, 2025-06-25 Iris and Steven Finz have an uncanny knack for getting people to talk about the intimate details of their sex lives For more than a decade they have been interviewing people from all segments of society and with the permission of their subjects passing the stories along to their readers They've talked to regular housewives and hard working husbands confirmed bachelors

computer techies nurses ski instructors people from every walk of life to find out how they keep their sex lives fresh and exciting Their books about the sexual experiences and fantasies of real people have become standard night table fare in bedrooms all around the world Readers use them not only to add erotic parks to their own relationships but also to develop a better understanding of the sexual behavior of others In *Secret Sex Real People Talk About Outside Relationships They Hide From Their Partners* the Finzes take an explicit and provocative look at sex outside a committed relationship Through various tales of sexual adventures people keep hidden from their significant others the Finzes reveal how extramarital sex sometimes damages or destroys a relationship and sometimes helps or even strengthens it Working to understand the sexual behavior of the people described in this book will help readers to better understand his or her own sexuality While we learn the most through observation the civilized world provides little opportunity to observe others having sex Consequently many people form opinions based on the exaggerated worlds of novels and pornography While these worlds are exciting forming opinions based on fiction can lead to skewed perceptions of sexual behaviors occurring outside the realm of our own personal experience In their unique approach Iris and Steven Finz provide candid accounts and explicit information both of which are essential to a true understanding of sexuality *Sensual Love Secrets for Couples* Al Link, Pala Copeland, 2007 Is it possible to stir up passion after the flames of romantic love die down How can one maintain a loving relationship that satisfies and stimulates year after year *Sensual Love Secrets for Couples* offers one simple solution for stoking the fires of lifelong intimacy awakening and uniting the Body Mind Heart and Soul These four freedoms the essence of human nature have the power to transform a lusterless partnership into a divine union sparkling with limitless pleasure and unconditional love Featuring over one hundred exercises and fun activities this practical guide helps readers explore the physical senses establish trust cultivate emotional intimacy achieve sacred sex embrace commitment pledge selfless intentions and build spiritual bonds to last a lifetime *Conrad's Secrets* R. Hampson, 2012-08-13 Conrad's Secrets explores a range of knowledges which would have been familiar to Conrad and his original readers Drawing on research into trade policing sexual and financial scandals changing theories of trauma and contemporary war crimes the book provides contexts for Conrad's fictions and produces original readings of his work *Sex, Priests, and Secret Codes* Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon *Sex Priests and Secret Codes* reveals in shocking detail a deep seated problem that spans the Church's history *Sex Secrets ...* Robert B. Armitage, 1918 *Sex and the Intelligence of the Heart* Julie McIntyre, 2012-04-26 Explores how Nature underlies sexuality and intimacy Examines how to regain intimacy in our relationships in a way that embraces our hidden wild nature and restores the sacred to our lives Provides sacred sex and intimacy building practices for partners and exercises to reconnect with the intuitive intelligence of the heart remove our emotional armor and cultivate a deeper relationship with the Earth Shows how by healing our relationship with Nature and our sexuality we move toward healing the

whole planet Nature is having sex all the time that's one of the reasons we feel so alive when we are immersed in it. Sexuality is essential to the sensation of Nature in your own body of connecting to the piece of Earth closest to you, your own flesh and bones. Many a couple has been overcome by passion while walking in the woods or on the beach; many a soul has found solace or epiphany in Nature. Living in accordance with Nature depends on you being your true whole self, a sexual, sensual, erotic, fully alive human being. Exploring the territory of intimacy, sacred sex, and emotional healing as a journey to wholeness, Julie McIntyre examines the sacred relationship between sexuality and the Earth and reveals how to create deep, lasting intimacy with your lover by recapturing the wild, spontaneous, natural sexuality that is your birthright. Detailing the process of moving from your head to the secret garden of your heart, she provides exercises to heal your psyche of old emotional trauma, reconnect with the intuitive intelligence of the heart, and cultivate a deeper relationship with the Earth in order to trust yourself and become vulnerable and open with your lover and thus truly intimate. She shows how there is a direct relationship between our beliefs and values about sex and intimacy and our beliefs and values about the environment and the Earth. She reveals how, by healing our separation from Nature and our sexuality, we can bring the sacred back into our lives, shape our own ecstatic sexual experiences, and move toward healing the whole planet.

Couple Sexuality After 60 Barry McCarthy, Emily McCarthy, 2021-08-29. Confronting taboos and misunderstandings about sexuality and aging. Couple Sexuality After 60 Intimate, Pleasurable, and Satisfying motivates couples to embrace sex and sexuality in their 60s, 70s, and 80s. The book busts two extreme myths: that people over 60 cannot and should not be sexual, and that the best way to be sexual is to emphasize eroticism using sex toys and kinky sex. Using a variable, flexible approach to couple sexuality based on the Good Enough Sex (GES) model, this book places the essence of sexuality in pleasure-oriented touching, not individual sex performance. Barry and Emily McCarthy introduce a new sexual mantra of desire, pleasure, eroticism, satisfaction, with the goal of presenting a healthy model of sexuality to replace the traditional double standard that couples learn in young adulthood. Specific chapters focus on important areas like coming to terms with the new normal, female/male sexual equity, satisfaction being about more than intercourse and orgasm, valuing synchronous and asynchronous sexuality, psychobiosocial approaches to sexuality, and more. In addition to aging heterosexual couples, single individuals and queer couples will find this book interesting. Additionally, sexual health clinicians and sex therapists with clients over the age of 60 will find this a fascinating read.
