demonstrates how to read difficult modern works in a way that reveals their political as well as their aesthetic impact Suleiman directly addresses the subversive intent of avant garde movements from Surrealism to postmodernism Through her detailed readings of provocatively transgressive works by Andr Breton Georges Bataille Roland Barthes Alain Robbe Grillet Marcel Duchamp Max Ernst and others Suleiman demonstrates the central role of the female body in the male erotic imagination and illuminates the extent to which masculinist assumptions have influenced modern art and theory By examining the work of contemporary women avantgarde artists and theorists including H l ne Cixous Marguerite Duras Monique Wittig Luce Irigaray Angela Carter Jeanette Winterson Leonora Carrington Barbara Kruger Jenny Holzer and Cindy Sherman Suleiman shows the political power of feminist critiques of patriarchal ideology and especially emphasizes the power of feminist humor and parody Central to Suleiman s revisionary theory of the avant garde is the figure of the playful laughing mother True to the radically irreverent spirit of the historical avant gardes and their postmodernist successors Suleiman s laughing mother embodies the need for a link between symbolic innovation and political and social change
