Sexual Politics Sexual Communities

Michael DeAngelis

Sexual Politics Sexual Communities:

Sexual Politics, Sexual Communities John D'Emilio, 1998-10 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio s new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

Sexual Politics, Sexual Communities John D'Emilio, 2012-04-26 With thorough documentation of the oppression of homosexuals and biographical sketches of the lesbian and gay heroes who helped the contemporary gay culture to emerge *Sexual Politics Sexual Communities* supplies the definitive analysis of the homophile movement in the U S from 1940 to 1970 John D Emilio s new preface and afterword examine the conditions that shaped the book and the growth of gay and lesbian historical literature How many students of American political culture know that during the McCarthy era more people lost their jobs for being alleged homosexuals than for being Communists These facts are part of the heretofore obscure history of homosexuality in America a history that John D Emilio thoroughly documents in this important book George DeStefano Nation John D Emilio provides homosexual political struggles with something that every movement requires a sympathetic history rendered in a dispassionate voice New York Times Book Review A milestone in the history of the American gay movement Rudy Kikel Boston Globe

Sexual Politics, Sexual Communities John D'Emilio, 1983

American Patriotism, American Protest Simon Hall, 2011-06-06 During the 1970s and beyond political causes both left and right the gay rights movement second wave feminism the protests against busing to desegregate schools the tax revolt and the anti abortion struggle drew inspiration from the protest movements of the 1960s Indeed in their enthusiasm for direct action tactics their use of street theater and their engagement in grassroots organizing activists in all these movements can be considered children of the Sixties Invocations of America s founding ideals of liberty and justice and other forms of patriotic protest have also featured prominently in the rhetoric and image of these movements Appeals to the Declaration of Independence and the Bill of Rights have been made forcefully by gay rights activists and feminists for instance while participants in the antibusing movement the tax revolt and the campaign against abortion rights have waved the American flag and claimed the support of the nation s founders In tracing the continuation of quintessentially Sixties forms of protest and ideas into the last three decades of the twentieth century and in emphasizing their legacy for

conservatives as well as those on the left American Patriotism American Protest shows that the activism of the civil rights New Left and anti Vietnam War movements has shaped America s modern political culture in decisive ways As well as providing a refreshing alternative to the rise and fall narrative through which the Sixties are often viewed Simon Hall s focus on the shared commitment to patriotic protest among a diverse range of activists across the political spectrum also challenges claims that in recent decades patriotism has become the preserve of the political right Full of original and insightful observations and based on extensive archival research American Patriotism American Protest transforms our understanding of the Sixties and their aftermath

American Contradiction Paul Starr,2025-10-14 How did Americans come to elect Barack Obama and then Donald Trump Those choices capture what Paul Starr calls the American contradiction The whole truth about America Starr argues in this new history of the United States since the 1950s has never been contained in one consistent set of values or interests The nation was born in the contradiction between freedom and slavery Today it is beset by a contradiction between a changing people and a resisting nation a nation with entrenched institutions that have empowered those who fear the changes and look to restore an old America of their imagining Starr tells this history from the dual standpoints of the progressive movements that changed the American people and of the movements that emerged in response Black Americans he argues served as a model minority setting in motion America s twentieth century revolutions in gender as well as race and rights With industry s decline and the rise of economic inequality millions of Americans have felt dispossessed and want the old America back Trump is their revenge American Contradiction tells the story of how 1950s America became the almost unrecognizable America of the 2020s

Film and Sexual Politics Kylo-Patrick R. Hart,2009-01-14 Film and Sexual Politics A Critical Reader features a variety of noteworthy critical essays that explore the evolution representation and social construction of sex gender and sexual orientation from the early days of cinema to the early twenty first century This collection investigates the complex relations between film form style and sexual politics past and present as well as the ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course of the twentieth century and beyond Contrary to popular perceptions of films as relatively simplistic forms of entertainment the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and visual signs is far from a simple process with negligible historical consequences This book offers insightful and satisfying reading to established and emerging scholars who explore film history theory and criticism as well as to all readers with a general interest in film history and the effects of cinema on individuals and popular culture The range of films analyzed includes Being John Malkovich Citizen Kane Elizabeth Female Perversions From Here to Eternity Gidget The Incredible Shrinking Man Jackass the Movie The Matrix Maurice My Own Private Idaho Porcile The Road to Ruin and Wilde

Bodily Subjects Tracy Penny Light,Barbara Brookes,Wendy Mitchinson,2015-02-05 Historical understandings of gender and health that raise important questions about how health care

works today **Sarah Waters: Gender and Sexual Politics** Claire O'Callaghan, 2017-01-26 Sarah Waters *Gender and Sexual Politics* uniquely brings together feminist and queer theoretical perspectives on gender and sexuality through close analysis of works by Sarah Waters. This timely study examines topics ranging from heterosexuality homosexuality masculinities femininities sex pornography and the cultural effects of othering and domination across her work. The book covers each of Waters's published novels to date including *Tipping the Velvet* *Fingersmith* and *The Paying Guests* and also considers her non-fiction and academic writing as well as the television adaptations of her texts. O'Callaghan situates Waters's writing as an important textual space for the examination of contemporary gender and sexuality studies and locates her as an astute commentator and contributor to twenty-first century gender and sexual politics **Sexual Politics in the Work of Tennessee Williams** Michael S. D. Hooper, 2012-04-12 Michael S. D. Hooper reverses the recent trend of regarding Tennessee Williams as fundamentally a social writer following the discovery, publication and/or performance of plays from both ends of his career: the proletarian apprentice years of *Candles to the Sun* and *Not About Nightingales* and the once overlooked final period of amongst many other plays *The Red Devil Battery Sign*. Hooper contends that recent criticism has exaggerated the political engagement and egalitarian credentials of a writer whose characters and situations revert to a reactionary politics of the individual dominated by the negotiation of sexual power. Directly or more often indirectly Williams's writing expresses social disaffection before glamorising the outcast and shelving thoughts of political change. Through detailed analysis of canonical texts the book sheds new light on Williams's work as well as on the cultural and social life of mid-twentieth century America *Gay Fandom and Crossover Stardom* Michael DeAngelis, 2001-08-15 A case study of James Dean, Mel Gibson and Keanu Reeves and how they maintain their appeal to both gay and straight audiences

Whispering the Secrets of Language: An Psychological Journey through **Sexual Politics Sexual Communities**

In a digitally-driven earth where monitors reign supreme and quick communication drowns out the subtleties of language, the profound secrets and mental subtleties concealed within words usually get unheard. However, set within the pages of **Sexual Politics Sexual Communities** a interesting literary value sporting with natural thoughts, lies an extraordinary journey waiting to be undertaken. Penned by an experienced wordsmith, that wonderful opus attracts readers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths of this touching review, we can embark upon a heartfelt exploration of the book is primary subjects, dissect their captivating writing design, and yield to the powerful resonance it evokes deep within the recesses of readers hearts.
