Sexuality And Gender In Post Communist Eastern Europe And Russia:

Sexuality and Gender in Postcommunist Eastern Europe and Russia Edmond J Coleman, Theo Sandfort, 2014-05-22

Important new findings on sex and gender in the former Soviet Bloc

Sexuality and Gender in Postcommunist Eastern Europe and Russia is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism. The book presents the kind of candid discussion of sexual identities, sexual politics, and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987. Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well-rooted democracy. The first theoretical and empirical body of work to sexuality in post-transitional countries.

Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the effects of the profound social transformation taking place in the former Soviet Union. Through an interdisciplinary perspective, the book addresses vital issues of this transformation, including gender relations, gender roles, and sex norms in transition; sexual representations in the media; patterns of adult sexual behavior; gay and lesbian issues; sex trafficking; health risks; and sex education. The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations.

Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the changes in sex and gender in countries in transition, including the negative consequences of Serbia's state-directed non-development during the 1990s; the causes and consequences of trafficking in women from the Russian Federation; the ongoing debate over human rights for sexual minorities in Romania; the effects of two Yugoslavian films released in the 1990s that feature transgender characters; sexualities in transition in Croatia; problems created by changes in sexual behavior among urban Russian adolescents; the social and legal state of lesbians in Slovenia.

Sexuality and Gender in Postcommunist Eastern Europe and Russia fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe. The book is an essential read for academics and researchers working in gender studies, political science, and gay and lesbian studies. Handy tables and figures make the information easy to access and understand.

Living Gender After Communism Janet Elise Johnson, Jean C. Robinson, 2007 How has the collapse of communism across Europe and Eurasia changed gender In addition to acknowledging the huge costs that fell heavily on women Living Gender after Communism suggests that moving away from communism in Europe and Eurasia has provided an opportunity for gender to multiply from varieties of neo traditionalism to feminisms from overt negotiation of femininity to denials of gender This development in turn has enabled some women in the region to construct their own gendered identities for their own political economic or social purposes Beginning with an understanding of gender as both a society wide institution that regulates people s lives and a cultural toolkit which individuals and groups may use to subvert or transvalue the sex gender

system the contributors to this volume provide detailed case studies from Belarus Bosnia the Czech Republic Poland Romania Russia and Ukraine This collaboration between young scholars most from postcommunist states and experts in the fields of gender studies and postcommunism combines intimate knowledge of the area with sophisticated gender analysis to examine just how much gender realities have shifted in the region Contributors are Anna Brzozowska Karen Dawisha Nanette Funk Ewa Grigar Azra Hromadzic Janet Elise Johnson Anne Marie Kramer Tania Rands Lyon Jean C Robinson Iulia Shevchenko Svitlana Taraban and Shannon Woodcock
