

Womanhood and Motherhood

- Women's ability to reproduce is key to understanding gender divisions
- Women are generally expected to become mothers
 - Girls play with baby dolls
 - 'Suitable' careers are linked to caring role
 - Women's behaviour is judged in relation to motherhood
 - Particularly sexuality

Sexuality And Motherhood

Christymarie Jackson

Sexuality And Motherhood:

Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 *Mothers Sex and Sexuality* talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies *Mothers Sex and Sexuality* presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy

Motherhood and Sexuality Marie Langer, 1992 In *Motherhood and Sexuality* one of Latin America's most prominent psychoanalysts interprets the sources of modern woman's unconscious conflicts Available for the first time to an English speaking audience the book is as illuminating today as it was when it was first released Marie Langer argues that economic institutions and cultural values must be altered to permit women full participation in creative and productive activities if women are to accept their maternal role without conflict or resentment Within this context her work presents a rare exploration of psychosomatic disorders related to female reproductive life The book demonstrates the centrality of the mother daughter relationship to each woman's potential to embrace her experience as a sexual being and mother Combining psychoanalytic theory with fascinating clinical material chapters cover woman's conflictual relationship to menstruation sexuality pregnancy infertility childbirth breast feeding and menopause Withstanding the test of time Langer's interpretation of the psychological dimension of the causes and meanings of infertility for example provides an in depth treatment of a topic that is even more relevant today than when it was written Throughout Nancy Caro Hollander has added critical chapter notes to indicate the changes in Langer's thinking since the book was published and to relate Langer's perspectives to contemporary ideas about female sexuality and motherhood In addition Hollander's

Introduction and Afterword provide an overview of Langer's life and trace the development of her ideas. Integrating a Kleinian perspective on the unconscious roots of female psychosexual development with a political understanding of the socially constructed impediments to women's equality, this book fills an important gap in the literature. It is valuable reading for psychologists, psychoanalysts and other mental health professionals interested in questions of femininity, gender identity and the inherently conflictual realms of female sexuality and motherhood. Instructors in women's studies and Latin American studies programs will find it an important resource for their students.

Mothers, Sex, And Sexuality Michelle Walks, 2020 Sexuality and Motherhood Irene Walton, 1994. Provides a comprehensive examination of sexuality and its wealth of meanings in the lives of people with particular emphasis on the importance of such understanding to midwifery practice. The chapters look at the different meanings given to sexuality both personally and globally, the historical cultural and social constructs of male and female sexuality, gender ascription and gender role stereotyping, theories of sexuality, physical aspects of sexuality through the life cycle and the differences of erotic and non erotic sexuality. Sexuality and the disabled mother and father and sexual practices and advice in pregnancy are also discussed.

Encyclopedia of Motherhood Andrea O'Reilly, 2010-04-06. In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry. A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable. The Encyclopedia of Motherhood is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical, historical and cultural entries to anthropological and psychological contributions. In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference. The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences.

Taking It Lying Down Frances Hudson, Bernard Ineichen, 1991-09-09. This excellent book should be read by policy makers, service providers and anyone working with or concerned about young people. Margaret Chekri, FPA Information Officer. Teenage sexuality, pregnancy and motherhood have become matters of concern in many countries. A variety of both explanations and solutions have been put forward. This book reviews the existing state of knowledge within Britain, the USA and elsewhere. On their first hand experiences as director of a unit for schoolgirl mothers and sociological researcher, the authors suggest ways of both reducing teenage pregnancies and providing more effective help for teenage mothers.

Sexual Democracy Ann Ferguson, 2019-09-16. In a book that is both a critical analysis of contemporary society and the record of a feminist intellectual odyssey, Ann Ferguson, one of the most influential socialist feminist theorists, develops a new theory of social domination. Tracing the development of socialist feminist theory from its roots in the politics of the New Left to its present p

Trauma Transmission and Sexual Violence Nena Močnik, 2020-08-11 This book grapples with the potential impacts of collective trauma in war rape survivors families Drawing on inter ethnic and inter generational participatory action research on reconciliation processes in post conflict Bosnia Herzegovina the author examines the risk that female survivors of war related sexual crimes now mothers will breed hatred and further division in the post conflict context Showing how the historical trauma of sexual abuse among survivors affects the ideas perceptions behavioural patterns and understandings of the ethnic and religious Other or perpetrator the book also considers the influence of such trauma on other attitudes rarely addressed in peacebuilding programmes such as notions of naturalised gender based violence cultural scripts of sexuality and support for dangerous or violent aspects of the patriarchal social order It thus seeks to sketch proposals for a curriculum of peacebuilding that takes account of the legacy of war rape in survivors families and the impact of trauma transmission As such Trauma Transmission and Sexual Violence will appeal to scholars of politics sociology and gender studies with interests in peace and reconciliation processes and war related sexual violence

The Neutered Mother, The Sexual Family and Other Twentieth Century Tragedies Martha Albertson Fineman, 2014-04-04 Calling for nothing less than a radical reform of family law and a reconception of intimacy The Neutered Mother The Sexual Family and Other Twentieth Century Tragedies argues strongly against current legal and social policy discussions about the family because they do not have at their core the crucial concepts of caregiving and dependency as well as the best interests of women and children The Neutered Mother scrutinizes the definitions of family and mother throughout the volume while paying close attention to issues of race class and sexuality In addition Fineman convincingly contests society s refusal to dignify support and respond to the needs of caregivers and illustrates the burden they must bear due to this treatment This book is a crucial step toward defining America s most pressing social policy problems having to do with women motherhood and the family

An Analysis of Women's Views and Experiences with Sexuality During Motherhood Christymarie Jackson, 2007

The Top Books of the Year Sexuality And Motherhood The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Sexuality And Motherhood : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Sexuality And Motherhood : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
