Sg Marriage And Families

Paulin Straughan

Sg Marriage And Families:

Chinese Family and Marriage in Singapore Maurice Freedman,1970 **The Contemporary Family in Singapore**

Eddie C. Y. Kuo,Aline K. Wong,1979 Twelve essays on the sociology of the family in Singapore in the modern period

Marriage Dissolution in Singapore Paulin Straughan,2009-01-31 The meanings of marriage and divorce have shifted significantly in the past few decades particularly in economies in Asia where rapid economic growth has transformed the social fabric This book arises from possibly the most comprehensive study of divorce done in Singapore The study highlights the root causes of divorce and focuses on the impact of changing ideologies on marital stability Themes that surfaced in the appreciation of why some marriages fail include women s changing expectations and their roles in the family courtship expectations and the role of romantic love parenthood demands and work stressors The discussions are drawn from data collected from a large scale representative survey of a study group comprising dissolved marriages as well as a control group of intact marriages Scholars investigating marriage and family in Asia will find the rich data content useful The sociological insight makes the book a relevant read for all interested in family dynamics **Families in Asia** Stella Quah,2008-09-15

This fully updated second edition provides a unique and comparative analysis of family trends in Asia by focusing on the most relevant and significant aspects of family from the process of dating to the impact of economic development on homes and family life as they are experienced across Asia

The Singapore Economy Hian Teck Hoon,2021-09-26 Even after achieving the status of a developed economy many economies face other challenges which may include economic stagnation and income inequality The book looks at how a mature economy can continue to weather challenges and how the growth of living standards will depend on productivity growth through Singapore s experience After Singapore s rapid economic transformation the nation is at a crossroads The book explains how productivity growth in turn depends on technological diffusion from abroad as well as indigenous innovation It also examines how the design of policy to develop indigenous innovation to promote economic dynamism may come with creative destruction and disruptive effects on jobs and wages The Singapore Economy provides insight into how we can maintain social cohesion and establish a political equilibrium that embraces the new sources of growth through policy formulation for economic inclusion Family and Population Changes in Singapore

Wei-Jun Jean Yeung,Shu Hu,2018-04-17 This book depicts the evolution of Singapore s family and population landscape in the last half a century the related public policies and future challenges Since the country gained independence in 1965 family and population policies have been integral to her nation building strategies The chapters discuss the changes in population compositions family structures relations and values among major ethnic groups They also discuss policies for vulnerable populations such as female headed households cross cultural families same sex partnering the elderly and low income families **Intercultural Variation in Family Research and Theory** Roma S Hanks,Marvin B

Sussman,2014-05-12 Intercultural Variation in Family Research and Theory sets forth 23 critical reviews in a 2 volume set

that document the development of family research and theory in various societies around the world Focusing on modern research while drawing on the historical roots of theoretical and methodological approaches employed in the study of family this collection not only increases your knowledge about the status of family research in various countries but also inspires cross national research among researchers and scholars The societies being studied have been grouped by region Volume I contains the set s Introduction and contributions from the Far East the Baltic region Australia and South Africa Volume II covers the Middle East Western Europe Scandinavia and also includes the Index The materials in these two volumes are the result of the charge given to scholars of 23 societies to review the development of family theory and research in their homelands Their obligation was to provide an analytic report telling a story from their perspective of reality The book s editors now present some of the commonality of experiences and trends of the researchers and interpret country differences and similarities from their writings Intercultural Variation in Family Research and Theory holds numerous suggestions for your investigations into the family field You ll find that the set adds to the body of knowledge on comparative family analysis and raises concerns and issues for future research The questions addressed in this book include how gender of the investigator influences choice of research topics how funding sources shape the research agenda what influence a researcher s career trajectory has on research topics methods and procedures why psychological and sociological frameworks and methodologies are commonly used in family research how political policy influences and dictates theory development and research what to do about the multitude of new questions that inevitably arise from such intercultural research

Remaking Families in Contemporary China Xiaoying Qi,2021-05-03 In Remaking Families in Contemporary China Xiaoying Qi explores a number of emerging family practices in China Drawing upon 178 in depth interviews with both men and women of all ages she examines novel aspects of family life including surnaming practices the migration of elderly parents from rural areas to urban environments spousal intimacy divorce and remarriage and co habitation in later life

Interethnic Marriage in Singapore Riaz Hassan, Examines an important aspect of inter ethnic relations namely inter ethnic marriage in Singapore one of Southeast Asia s most ethnically heterogenous societies With chapters on the sociological significance sociological factors and types of such marriage traditional sociocultural organization and ethnic marrying out rates and an assessment of findings and research possibilities **Singapore's Multiculturalism** Chan Heng Chee, Sharon Siddique,2019-03-15 Since independence in 1965 Singapore has developed its own unique approach to managing the diversity of Race Religion Culture Language Nationality and Age among its citizens This approach is a consequence of many factors including its very distinct ethnic makeup compared with its neighbours its ambitions as a globally oriented city state and its small physical size Each of these factors and many others have presented Singapore society with a range of challenges and opportunities and will in all likelihood continue to do so for the foreseeable future In the writing of this book the author team set themselves the task of projecting the impact of current domestic and

international social trends into the future to anticipate what Singapore society might look like by around 2040 In doing so they analyse the particular path that Singapore has taken since independence in comparison with other multicultural societies and with regard to the balance between the necessity of forging a new national identity after British rule and departure from Malaysia and the need to ensure that Singapore s ethnic minority populations remain socially enfranchised They further consider how current trends may develop over the next couple of decades what new challenges this may present to Singapore society and what might be the likely responses to such challenges In this book Singapore is a case study of a global city facing the challenges of developed world modernity in frequently acute ways

Adopting the Song of Phrase: An Psychological Symphony within **Sg Marriage And Families**

In a world taken by screens and the ceaseless chatter of immediate communication, the melodic elegance and emotional symphony created by the written word frequently fade in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. But, situated within the pages of **Sg Marriage And Families** a charming literary treasure full of natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that charming masterpiece conducts readers on a mental trip, well unraveling the concealed tunes and profound affect resonating within each carefully constructed phrase. Within the depths with this touching assessment, we can discover the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
