Shades of Jazz Mia Elizabeth Carter,1992 **The Wire Primers** Rob Young,2009-11-03 Since it was founded in 1982 The Wire magazine has covered a vast range of alternative experimental underground and non mainstream music Now some of that knowledge has been distilled into The Wire Primers a comprehensive guide to the core recordings of some of the most visionary and inspiring subversive and radical musicians on the planet past and present Each chapter surveys the musical universe of a particular artist group or genre by way of a contextualizing introduction and a thumbnail guide to the most essential recordings A massive and eclectic range of music is celebrated and demystified from rock mavericks such as Captain Beefheart and The Fall the funk of James Brown and Fela Kuti the future jazz of Sun Ra and Ornette Coleman and the experimental compositions of John Cage and Morton Feldman Genres surveyed and explained include P funk musique concr te turntablism Brazilian Tropic lia avant metal and dubstep The Wire Primers is a vital guide to contemporary sounds providing an accessible entry point for any reader wanting to dig below the surface of mainstream music British Builder ,1922 **Concerto for Cootie** Steven C. Bowie,2025-10-24 Jazz legend Cootie Williams left home to start his career as a professional musician at the age of fifteen In 1940 after eleven years as one of the major soloists with the Duke Ellington orchestra Williams was lured away to the band of Benny Goodman one of the most popular bands in the country At the time it was a controversial move it was still taboo for African Americans to share the bandstand with white people Current references reduce it to a song written by Raymond Scott When Cootie Left the Duke In reality it was a seismic event The Black press predicted Black bands would collapse from raids on their ranks White musicians were afraid they would be put out of work And the white press stirred up visions of Black musicians mixing with white women in the new landscape of integrated orchestras The twenty years trumpeter Williams spent as a band leader 1942 1962 have been covered in only the barest of details His involvement in politics and the civil rights movement have not been detailed before An astute talent scout Williams and his band launched the careers of Eddie Cleanhead Vinson Earl Bud Powell Eddie Lockjaw Davis and Pearl Bailey He also was the first to record the music of a young Thelonious Monk using two of Monk s compositions Epistrophy and Round Midnight as theme songs for his band Steven C Bowie respectfully tells Williams s story from his Alabama ancestry onward including many new details rediscovered from the historical archives of the African American press and those gleaned from the author s interviews with his friends and colleagues **High Fidelity** ,1977 Contains Records in review **Creative Canada** ,1971-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians

performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible
