Shades Of Death A Mystery:

Haunted Roads of Western Pennsylvania Thomas White, Tony Lavorgne, 2015-09-28 The twisty roads and twisted tales of the Appalachian Mountains make for distracted driving in western Pennsylvania Ghostly travelers are said to wander the lonely roads of western Pennsylvania A creeping fog rises from Blue Mist Road and stories of car crashes lynchings and even strange beasts haunt this isolated stretch outside Pittsburgh Is it the angry spirit of a jealous husband or a gypsy king who stalks Erie County's Axe Murder Hollow Shades of Death Road in Washington County may be host to phantom coal miners killed during a deadly labor dispute With firsthand accounts and historical research authors Thomas White and Tony Lavorgne travel the backcountry roads and byways of western Pennsylvania to discover their ghost tales and mysterious legends Includes photos The authors include a history of each road along with the supernatural legends and other unexplained activity Surprisingly they are able to provide possible explanations for most of the alleged hauntings but admit that they cannot account for every one which allows the roads in question to keep their allure and spooky possibilities PopCultureGuy

Paradoxes, Mysteries, Riddles, Enigmas, and Comfort for Christians Gerald C. Primm, 2002-05 Several years ago I republished the rare Spurgeon book *The Mourner's Comforter* The printing sold out in a very short time I have plans to reprint that book again soon The success of that book has had much to do with my undertaking this new reprint of some of Spurgeon's sermons on comfort and encouragement It is especially suitable for persons who struggle with depression Spurgeon was considered by many in his day as the greatest living preacher of the gospel Since his death in 1892 his works have been reprinted by many publishers His primary work was a sixty three volume set of more than 3 000 sermons Pilgrim Publications has reprinted the complete set of sermons with a separate index of the Scripture texts and sermon titles making it relatively easy to find material on almost any subject These sermons have also been recorded on a CD ROM disk by the Ages Digital Library It has been one of the great pleasures of my life to select arrange and edit the material in this book The editing has been confined primarily to spelling example labour to labor etc Some additions have been made such as adding the first names of persons not as familiar to the public today Some time references have been eliminated For instance statements such as I spoke to you on Thursday last week have been removed as being irrelevant to the message In some cases I have substituted a new word for one that is not familiarly used today Ship or boat was substituted for barque etc However sentence structure has been left as originally written and care has been taken not to change the meaning of any statements or doctrines expounded by Mr Spurgeon Gerald C Primm editor
