Shadow Of A Nation The Changing Face Of Britain:

The Great British Dream Factory Dominic Sandbrook, 2015-10-01 SPECTATOR BOOKS OF THE YEAR 2015 Britain's empire has gone Our manufacturing base is a shadow of its former self the Royal Navy has been reduced to a skeleton In military diplomatic and economic terms we no longer matter as we once did And yet there is still one area in which we can legitimately claim superpower status our popular culture It is extraordinary to think that one British writer J K Rowling has sold more than 400 million books that Doctor Who is watched in almost every developed country in the world that James Bond has been the central character in the longest running film series in history that The Lord of the Rings is the second best selling novel ever written behind only A Tale of Two Cities that the Beatles are still the best selling musical group of all time and that only Shakespeare and the Bible have sold more books than Agatha Christie To put it simply no country on earth relative to its size has contributed more to the modern imagination This is a book about the success and the meaning of Britain's modern popular culture from Bond and the Beatles to heavy metal and Coronation Street from the Angry Young Men to Harry Potter from Damien Hirst to The X Factor

Battle of Britain on Screen S.P. Mackenzie, 2007-05-30 This book examines in depth for the first time the origins development and reception of the major dramatic screen representations of The Few in the Battle of Britain produced over the past seventy years It explores both continuity and change of presentation in relation to a wartime event that acquired near mythical dimensions in popular consciousness even before it happened and has been represented multiple times over the course of the past seven decades Alongside technical developments considerable social cultural and political fluctuation as well as an expansion of factual knowledge concerning the battle itself occurred in this period all of which helped to shape how the battle came to be framed at particular junctures The ways in which the Battle of Britain was being represented in other fictional forms as well histories and commemorations form part of the context in which screen representations are explored Films discussed in detail include The Lion Has Wings First of the Few Ang

Reality TV Annette Hill, 2005 Annette Hill discusses a wide range of reality television shows drawing on research among reality TV viewers to consider how different audience groups think about factual television and whether they consider such programmes to be providing entertainment or information

The Shadow of a Nation Nick Clarke, 2003 This volume contains 50 years of British history seen through the lives of a disparate group of figures who make up the second Elizabethan age

1965 Christopher Bray, 2014-04-24 There is Britain before 1965 and Britain after 1965 and they are not the same thing 1965 was the year Britain democratised education it was the year pop culture began to be taken as seriously as high art the time when comedians and television shows imported the methods of modernism into their work It was when communications across the Atlantic became instantaneous the year when for the first time in a century British artists took American gallery goers by storm In 1965 the Beatles proved that rock and roll could be art it was when we went car crazy and craziness was held to be the only sane reaction to an insane society It was the year feminism went mainstream

the year did she but know it that the Thatcher revolution began the year taboos were talked up and trashed It was when racial discrimination was outlawed and the death penalty abolished it marked the appointment of Roy Jenkins as Home Secretary who became chief architect in legislating homosexuality divorce abortion and censorship It was the moment that our culture reeling from what are still the most shocking killings of the century realised it was a less innocent less spiritual place than it had been kidding itself It was the year of consumerist relativism that gave us the country we live in today and the year the idea of a home full of cultural artefacts books records magazines was born It was the year when everything changed and the year that everyone knew it *Sean Connery* Christopher Bray,2012-06-01 A biography of a star and an investigation of what can happen to a man when the images he creates take over his life Sean Connery s creation of secret agent James Bond invigorated Britain and its cinema allowing a cash strapped morale sapped country in decline to fancy itself still a player on the world stage How can such worship not play havoc with one s soul especially a soul as painfully unprepared for the pressures of stardom as Connery s Spirited and argumentative Christopher Bray s Sean Connery is the story of an actor learning his craft on the job and at the end of his career of a man pressing his stardom into the service of a burgeoning political awareness **New Statesman** ,2009-07 **The Face of Britain** Simon Schama,2015-09-16 Simon Schama brings Britain to life through its portraits as seen in the five part BBC series The Face of Britain and the major National Portrait Gallery exhibition Churchill and his painter locked in a struggle of stares and glares Gainsborough watching his daughters run after a butterfly a black Othello in the nineteenth century the poet artist Rossetti trying to capture on canvas what he couldn t possess in life a surgeon artist making studies of wounded faces brought in from the Battle of the Somme a naked John Lennon five hours before his death In the age of the hasty glance and the selfie Simon Schama has written a tour de force about the long exchange of looks from which British portraits have been made over the centuries images of the modest and the mighty of friends and lovers heroes and working people Each of them the image maker the subject and the rest of us who get to look at them are brought unforgettably to life Together they build into a collective picture of Britain our past and our present a look into the mirror of our identity at a moment when we are wondering just who we are Combining his two great passions British history and art history for the first time Schama s extraordinary storytelling reveals the truth behind the nation s most famous portrayals of power love fame the self and the people Mesmerising in its breadth and its panache and beautifully illustrated with more than 150 images from the National Portrait Gallery The Face of Britain will change the way we see our past and ourselves Book Review Digest ,1922 State of Emergency Dominic Sandbrook,2010 In the early 1970s Britain seemed to be tottering on the brink of the abyss Under Edward Heath the optimism of the Sixties had become a distant memory This book recreates the gaudy schizophrenic atmosphere of the early Seventies the world of Enoch Powell and Tony Benn David Bowie and Brian Clough Germaine Greer and Mary Whitehouse
