Shadow Of The Big Horn:

Shadow of the Big Horn E. E. Halleran, 1980-12 **Historic Range of Variability for Upland Vegetation in the Bighorn National Forest, Wyoming** Carolyn B. Meyer, Dennis H. Knight, Gregory K. Dillon, 2005 An approach for synthesizing the results of ecological research pertinent to land management is the analysis of the historic range of variability HRV for key ecosystem variables that are affected by management activities This report provides an HRV analysis for the upland vegetation of the Bighorn National Forest in northcentral Wyoming The variables include live tree density dead tree snag density canopy cover abundance of coarse woody debris species diversity fire return intervals the abundance of various diseases the proportion of the landscape in different land cover types and the degree of patchiness in the landscape The variables were examined at the stand and landscape scales using information available in the literature and USFS databases High elevation landscapes were considered separately from low elevation landscapes Much of the report pertains to forests dominated by lodge pole pine subalpine fir and Engelmann spruce at high elevations and by ponderosa pine aspen and Douglas fir at lower elevations We defined the HRV reference period for the BNF as approximately 1600 to 1890 The Battle of the Little Bighorn W.A. Wallace, 2023-09-30 Lt Col George Armstrong Custer died at the hands of Native Americans by the banks of the Little Bighorn in Montana 25th June 1876 This is an established undisputed fact What is disputed is the real reason that he died So forget all you have been indoctrinated to believe and begin to learn the truth George Custer was anathema to his superiors but the populace loved him If he were to stand for president in the coming elections there was a strong possibility that he would win Neither William T Sherman nor Little Phil Sheridan could allow that to happen Thus they conspired to put Custer in a position in the field where the opposing Sioux and Cheyenne were stronger and could deliver the Coup de Gras The first of two volumes to deal with the circumstances that arose leading the Native Americans on a collision course with the US Army that fateful day and the death of a national hero Subsequently the conspiracy is uncovered and shows how these men used their powers and positions and so deftly covered their tracks Perhaps but not quite 30 years of diligent research has uncovered the truth in this groundbreaking history Unmissable and shocking dare you not read this surprising revelation Shadow of the Big Horn, etc Eugene Edward HALLERAN, 1961
