Literary History of Alberta Volume One George Melnyk, 1998-04 Alberta s contradictory landscape has fired the imaginative energies of writers for centuries The sweep of the plains the thrust of the Rockies and the long roll of the woodlands have left vivid impressions on all of Alberta s writers both those who passed through Alberta in search of other horizons and those who made it their home The Literary History of Alberta surveys writing in and about Alberta from prehistory to the middle of the twentieth century It includes profiles of dozens of writers from the earnestly intended to the truly gifted and their texts from the commercial to the arcane It reminds us of long forgotten names and faces figures who quietly or not so quietly wrote the books that underpin Alberta s thriving literary culture today Melnyk also discusses the institutions that have shaped Alberta s literary culture The Literary History of Alberta is an essential text for any reader interested in the cultural history of western Canada and a landmark achievement in Alberta s continuing literary history

A Writer's Diary Volume 1 Fyodor Dostoevsky, 1997-07-20 Winner of the AATSEEL Outstanding Translation Award This is the first paperback edition of the complete collection of writings that has been called Dostoevsky s boldest experiment with

literary form it is a uniquely encyclopedic forum of fictional and nonfictional genres The Diary s radical format was matched by the extreme range of its contents In a single frame it incorporated an astonishing variety of material short stories humorous sketches reports on sensational crimes historical predictions portraits of famous people autobiographical pieces and plans for stories some of which were never written while others appeared in the Diary itself **Conor, Volume I**

Donald Harman Akenson,1994-09-07 The career of Conor Cruise O'Brien reads like the work of several people not just one Having served as a diplomat under Sean MacBride he came to world prominence as special representative to Dag Hammarskjöld Secretary General of the United Nations in the then Congo Squeezed ruthlessly by big power politics he resigned and wrote *To Katanga and Back* 1962 a classic in modern African history and still the only book to get behind the polished marble facade to reveal how the United Nations works O'Brien then became Vice Chancellor of the University of Ghana and battled for academic freedom against one of the most amiable of tyrants Kwame Nkrumah He moved on to become the first incumbent of the Schweitzer Chair at New York University His relations with the New York intellectuals of the time were productive acrimonious sometimes comic and part of a central chapter in the intellectual history of America in the 1960s From 1969 to 1977 O'Brien was probably the most hated person in Ireland as well as one of the most heroic One of the first to see the fascistic nature of the Provisional IRA he began an unrelenting campaign against its terrorism In that campaign he called into question the basic myths upon which the Irish republic was constructed His *States of Ireland* 1972 is the most publicly influential piece of Irish historical writing since John Mitchel s *The Last Conquest of Ireland* 1860 and many students of Irish history believe that O'Brien s work in the 1970s was crucial to averting civil war in Ireland Whatever one thinks about this extraordinary man one cannot ignore him He may well be the most important Irish nonfiction writer of the twentieth century with writings as widely scattered as they have been influential Volume I Narrative is the biography of one of the most controversial engaging and courageous individuals of this century Volume II Anthology brings together his best short pieces many of which originally appeared in such periodicals as the *Spectator* the *New Republic* *Harper s* the *Atlantic* the *New Statesman* the *Observer* and the *New York Review of Books* and have never been reprinted A complete bibliography of O'Brien s work is also provided
