Shadow Of The Plantation Black And Africanamerican Studies:

Shadow of the Plantation Charles Spurgeon Johnson,1996-01-01 A survey of African American life in the South after slavery was abolished and before the civil rights movement *Shadow of the Plantation* Charles Johnson,2018-04-24 Shadow of the Plantation focuses on descendants of slaves in one rural Southern community in the early part of this century In the process Johnson reviews the troubled history of race relations in the United States When reread half a century after it was first written Shadow of the Plantation is clearly revealed as a remarkably perceptive and fresh comment on race relations and the triumph of individuals over circumstances Charles Johnson s book is significant for its use of multiple methodologies The research took place in an ecological setting that was a dynamic element of the life of the community The book is a multifaceted interpretive survey of the 612 black families that composed the rural community of Macon County Alabama in the late 1920s and early 1930s Johnson describes and analyzes their families economic situation education religious activities recreational life and health practices Shadow of the Plantation manages to be both historically accurate and foresighted at the same time It is as much a book about today as it is a discussion of yesterday This volume is an important study that will be of value to sociologists anthropologists and black studies specialists **Black Intellectuals and Black Society** Martin L. Kilson,2024-07-09 This book presents the trailblazing political scientist Martin L Kilson s essays on leading Black intellectuals of the twentieth century Kilson examines the ideas and careers of several key thinkers placing their intellectual odysseys in the context of the dynamics that shaped the Black intelligentsia more broadly He argues that the trajectory of twentieth century Black intellectuals was determined by the interplay between formal ideas and Black egalitarian struggle Beginning with the tension between W E B Du Bois s civil rights activism and Booker T Washington s accommodationism Kilson explores the formation and evolution of Black intellectuals and activists across generations Chapters consider Horace Mann Bond s career in higher education political scientist John Aubrey Davis s transition from civil rights activist to federal policy technocrat Ralph Bunche s writings on European colonial rule in Africa Harold Cruse s classic polemic *The Crisis of the Negro Intellectual* E Franklin Frazier s analysis of the Black bourgeoisie Adelaide M Cromwell s studies of the challenges facing elite Black women and Ishmael Reed and Cornel West s advocacy as public intellectuals amid a conservative turn Offering timely and engaging insights into the lives and work of pivotal Black intellectuals and activists this book sheds new light on the abiding questions and debates in Black political thought *Postmodernism, Traditional Cultural Forms, and African American Narratives* W. Lawrence Hogue,2013-11-12 This book explores how African American social and political movements African American studies independent scholars and traditional cultural forms revisit and challenge the representation of the African American as deviant other After surveying African American history and cultural politics W Lawrence Hogue provides original and insightful readings of six experimental postmodern African American texts John Edgar Wideman s *Philadelphia Fire* Percival Everett s *Erasure* Toni Morrison s *Jazz* Bonnie Greer s *Hanging by Her*

Teeth Clarence Major's *Reflex and Bone Structure* and Xam Wilson Cartier's *Muse Echo Blues* Using traditional cultural and western forms including the blues jazz voodoo virtuality radical democracy Jungian African American Collective Unconscious Yoruba gods black folk culture and black working class culture Hogue reveals that these authors uncover spaces with different definitions of life that still retain a wildness and have not been completely mapped out and trademarked by normative American culture *Redefining the African American novel and the African American outside the logic rules and values of western binary reason* these writers leave open the possibility of psychic liberation of African Americans in the West

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America *In the Vineyard* Perry A.

Hall, 1999 A participant in the Black Student Movement in its early years Perry A Hall provides an insider's look at the struggle to persuade academia to accept the mission of Black Studies and the struggle inside the movement to define its objectives He examines how the discipline evolved within the context of the wider social revolution changing the United States showing how the presence of blacks on campuses brought about the need for new perspectives in college curricula And because African American Studies today represents a variety of approaches he examines how they evolved and how they interact both within the field and with other areas of knowledge Jacket **The Black Church in the African American**

Experience C. Eric Lincoln, Lawrence H. Mamiya, 1990-11-07 A nongovernmental survey of urban and rural churches of black communities based on a ten year study **Historical Foundations of Black Reflective Sociology** John H Stanfield II, 2016-06-03 John H Stanfield II a leading historian of Black social science distills decades of his research and thinking in a set of articles some original to the volume others from fugitive sources that trace the trajectories of Black scholars and scholarship in relationship to the broader African American experience over the past two centuries Stanfield's signature contributions to this research tradition range from the role of philanthropy in the study and life of African Americans to institutional racism in sociology and the impacts of race on scholarly careers His analyses run from global formulations to individual biographies including his own and stretch from the early decades of social science to the present This work creates a nuanced historical context for reflective Black sociology that will be of interest to social historians sociologists and scholars of color from all disciplines Alexander Crummell Wilson Jeremiah Moses, 1989-08-17 This remarkable biography based on much new information examines the life and times of one of the most prominent African American intellectuals of the nineteenth century Born in New York in 1819 Alexander Crummell was educated at Queen's College Cambridge after being denied admission to Yale University and the Episcopal Seminary on purely racial grounds In 1853 steeped in the classical tradition and modern political theory he went to the Republic of Liberia as an Episcopal missionary but was forced to flee to Sierra Leone in 1872 having barely survived republican Africa's first coup He accepted a pastorate in Washington D C and in

1897 founded the American Negro Academy where the influence of his ideology was felt by W E B Du Bois and future progenitors of the Garvey Movement A pivotal nineteenth century thinker Crummell is essential to any understanding of twentieth century black nationalism

The African American Studies Reader Nathaniel Norment, 2001 African American Studies is a unique field of scholarly inquiry and critical interpretation whose intellectual foundation and development have significantly influenced other disciplines in the academy The African American Studies Reader is the largest and most comprehensive anthology yet undertaken in the field A variety of perspectives are used to present the development of the discipline of African American Studies This volume's sixty one articles are organized into eight sections I The Discipline Definition and Perspectives II African American Women's Studies III Historical Perspectives IV Philosophical Perspectives V Theoretical Foundation VI Political Perspectives VII Critical Issues and Perspectives and VIII Curriculum Development and Program Models This comprehensive anthology includes key selections from many scholars who have made substantial contributions to the development of the discipline They argue many different perspectives and topics relevant to the study of African American Studies as an intellectual social and political focus in higher education they provide discussions of the intellectual and academic roots of the field they describe the conditions that made its emergence possible they present its theoretical research ideological and philosophical paradigms and they examine the past present and future challenges of African American Studies The African American Studies Reader is an invaluable complement to basic books in the discipline and can be used as an introductory text for graduate and undergraduate courses in the field It provides an essential guide to enable students to understand how the field evolved the range of perspectives it encompasses and the challenge and future directions of African American Studies This outstanding collection of various perspectives in African American Studies will be of interest to individuals new to the field as well as those already involved in research teaching and other aspects of African American Studies
