Shadows Of Berlin The Berlin Stories Of Dovid Bergelson:

The Shadows of Berlin David Bergelson, 2005 **The Shadows of Berlin** Dovid Bergelson, 2005-06 The *Shadows of Berlin* is in part a bleak chronicle of life in a Europe growing ever more hostile at the edge of World War II More than that these stories offer glimpses into a community and a world now lost They are also in part parables of modern life drawing as much on the transformative possibility of scripture as they do on gritty depictions of the Berlin street Bergelson's stories hint at the possibility of redemption even as they suggest a horror just around the corner **BOOK JACKET David Bergelson**

Joseph Sherman, 2017-12-02 Among the finest prose stylists in Yiddish literature David Bergelson 1884-1952 was caught up in many of the twentieth century's most defining events In 1909 he emerged as a pioneer of modernist prose observing the slow decay of the Tsarist empire In 1917 he welcomed the Revolution but the bloodshed of the ensuing Civil War and the dogmatism of the Bolsheviks drove him to emigration For more than a decade 1921-1934 he lived in Weimar Germany travelling extensively in Europe and the United States Shocked by the Wall Street Crash of 1929 disheartened by the decline of Yiddish culture in the West and inspired by Soviet promises to create a Jewish republic Bergelson became a Communist sympathiser and moved towards socialist realism Returning to the Soviet Union after Hitler's rise to power Bergelson flourished in a state sponsored cultural environment in which his work was widely read both in Yiddish and in Russian translation After Hitler's invasion of the Soviet Union in 1941 Bergelson became a prominent member of the Jewish Anti Fascist Committee writing extensively about the Holocaust In the paranoia of the Cold War years the Stalinist regime accused him of anti Soviet activities and after a secret military trial he was executed on 12 August 1952 his 68th birthday For years critics have argued that Bergelson produced his best work before the Revolution and afterwards largely wrote Communist propaganda David Bergelson From Modernism to Socialist Realism challenges this view by examining Bergelson's entire oeuvre The book argues that Bergelson continually reinvented himself as a writer experimenting with style and narrative technique even under the most severe restrictions of Party dogma With contributions from an international team of Bergelson experts the volume offers a full length biography the first complete bibliography of Bergelson's work translations of two of his most influential programmatic articles and a range of essays dealing with all periods of the writer's life With the contributions Joseph Sherman David Bergelson 1884-1952 A Biography Lev Bergelson Memories of My Father The Early Years 1918-1934 Daniela Mantovan Language and Style in Nokh alemen 1913 Bergelson's Debt to Flaubert Kerstin Hoge For Children and Adults Alike Reading Bergelson's Children's Stories 1914-1919 as Narratives of Identity Formation Seth L Wolitz Yoysef Shor 1922 Between Two Worlds Sasha Senderovich In Search of Readership Bergelson Among the Refugees 1928 Mikhail Krutikov Narrating the Revolution From Tsugvintn 1922 to Mides hadin 1929 Ellen Kellman Uneasy Patronage Bergelson's Years at Forverts 1922-1926 Gennady Estraiikh David Bergelson in and on America 1929-1949 Ber Boris Kotlerman Why I am in Favour of Birobidzhan Bergelson's Fateful Decision 1932 Harriet Murav Memory and Monument in

David Bergelson's Strange New World Harriet Murav, 2021-12-22 A contemporary evaluation of Bergelson and his works examining Yiddish literature Jewish culture and modernism David Bergelson 1884 1952 emerged as a major literary figure who wrote in Yiddish before WWI He was one of the founders of the Kiev Kultur Lige and his work was at the center of the Yiddish speaking world of the time He was well known for creating characters who often felt the painful after effects of the past and the clumsiness of bodies stumbling through the actions of daily life as their familiar worlds crumbled around them In this contemporary assessment of Bergelson and his fiction Harriet Murav focuses on untimeliness anachronism and warped temporality as an emotional sensory existential and historical background to Bergelson's work and world Murav grapples with the great modern theorists of time and memory especially Henri Bergson Sigmund Freud and Walter Benjamin to present Bergelson as an integral part of the philosophical and artistic experiments political and technological changes and cultural context of Russian and Yiddish modernism that marked his age As a comparative and interdisciplinary study of Yiddish literature and Jewish culture this work adds a new ethnic dimension to understandings of the turbulent birth of modernism Harriet Murav treats Bergelson with the care and sincerity that literary critics have shown other important writers This is a masterpiece of literary scholarship that will be sure to transform not only how people read Bergelson and who chooses to read Bergelson but how readers engage with the entire concept of modernism itself David Shneer author of Yiddish and the Creation of Soviet Jewish Culture 1918 1930

Judgment David Bergelson, 2017-09-15 Never before available in English Judgment is a work of startling power by David Bergelson the most celebrated Yiddish prose writer of his era Originally published in 1929 and set in 1920 during the Russian civil war Judgment traces the death of the shtetl and the birth of the new harsher world created by the 1917 revolution Jews and non Jews smuggle people goods and anti Bolshevik literature back and forth across the new political border Filipov acts as the arbiter of judgment to prisoners in a Bolshevik outpost who include Spivak a counterrevolutionary Lemberger a pious and wealthy Jew a seductive woman referred to as the blonde and a memorable cast of smugglers and criminals Ordinary people depicted in a grotesque and modernist style comparable to Isaac Babel's Red Cavalry confront the overwhelming forces of history whose ultimate outcome remains unknown

How the Soviet Jew Was Made Sasha Senderovich, 2022-07-05 In post 1917 Russian and Yiddish literature films and reportage Sasha Senderovich finds a new cultural figure the Soviet Jew Suddenly mobile after more than a century of restrictions under the

tsars Jewish authors created characters who traversed space and history carrying with them the dislodged practices and archetypes of a lost world **The End of Everything** David Bergelson, 2013-10-15 In this powerful novel set in Tsarist Russia a young Jewish woman forced into a marriage of convenience descends into emotional turmoil Originally published in 1913 and titled *When All Is Said and Done* in previous translations *The End of Everything* is one of the great novels of the twentieth century Considered David Bergelson's masterpiece it was written in Yiddish and until now has been unavailable in a complete and accurate English translation This version by acclaimed translator Joseph Sherman finally brings the novel to a wide English speaking audience Bergelson depicts the lives of upwardly mobile self aware nouveaux riches Jews in the waning years of the Russian Empire The central character Mirel Hurvits is an educated beautiful woman who embodies the conflict between tradition and progress aristocracy and enterprise A forced marriage of convenience results in Mirel's emotional disintegration and provokes a confrontation with the expectations of her pious family and with Jewish tradition In a unique prose style of unsurpassable range and beauty Bergelson reduces language to its bare essentials punctuated by silences that heighten the sense of alienation in the story *Horizons Blossom, Borders Vanish* Anna Elena Torres, 2024-02-06 A bold recovery of Yiddish anarchist history and literature Spanning the last two centuries this fascinating work combines archival research on the radical press and close readings of Yiddish poetry to offer an original literary study of the Jewish anarchist movement The narrative unfolds through a cast of historical characters from the well known such as Emma Goldman to the more obscure including an anarchist rabbi who translated the Talmud and a feminist doctor who organized for women's suffrage and against national borders Its literary scope includes the Soviet epic poems of Peretz Markish the journalism and modernist poetry of Anna Margolin and the early radical prose of Malka Heifetz Tussman Anna Elena Torres examines Yiddish anarchist aesthetics from the nineteenth century Russian proletarian immigrant poets through the modernist avant gardes of Warsaw Chicago and London to contemporary antifascist composers The book also traces Jewish anarchist strategies for negotiating surveillance censorship detention and deportation revealing the connection between Yiddish modernism and struggles for free speech women's bodily autonomy and the transnational circulation of avant garde literature Rather than focusing on narratives of assimilation Torres intervenes in earlier models of Jewish literature by centering refugee critique of the border Jewish deportees immigrants and refugees opposed citizenship as the primary guarantor of human rights Instead they cultivated stateless imaginations elaborated through literature *Homes Away from Home* Sarah Wobick-Segev, 2018-09-11 How did Jews go from lives organized by synagogues shul and mikvehs to lives that if explicitly Jewish at all were conducted in Hillel houses JCCs Katz's and even Chabad In pre emancipation Europe most Jews followed Jewish law most of the time but by the turn of the twentieth century a new secular Jewish identity had begun to take shape *Homes Away From Home* tells the story of Ashkenazi Jews as they made their way in European society in the late nineteenth and twentieth centuries focusing on the Jewish communities of Paris Berlin and St Petersburg At a time of

growing political enfranchisement for Jews within European nations membership in the official Jewish community became increasingly optional and Jews in turn created spaces and programs to meet new social needs The contexts of Jewish life expanded beyond the confines of traditional Jewish spaces into sites of consumption and leisure sometimes to the consternation of Jewish authorities Sarah Wobick Segev argues that the social practices that developed between 1890 and the 1930s such as celebrating holydays at hotels and restaurants or sending children to summer camp fundamentally reshaped Jewish community redefining and extending the boundaries of where Jewishness happened
