Shadows On A Wall Juan Ogorman And The Mural In Patzcuaro:

Shadows On a Wall Hilary Masters, 2010-06-15 Novelist and essayist Hilary Masters recreates a moment in 1940s Pittsburgh when circumstances ideology and a passion for the arts collided to produce a masterpiece in another part of the world E J Kaufmann the so called merchant prince who commissioned Frank Lloyd Wright s Fallingwater was a man whose hunger for beauty included women as well as architecture He had transformed his family s department store into an art deco showcase with murals by Boardman Robinson and now sought to beautify the walls of the YM WHA of which he was the president Through his son E J Kaufmann jr the son preferred the lowercase usage he met Juan O Gorman a rising star in the Mexican pantheon of muralists dominated by Diego Rivera O Gorman s friend and mentor O Gorman and his American wife spent nearly six months in Pittsburgh at Kaufmann s invitation while the artist researched the city s history and made elaborate cartoons for the dozen panels of the proposed mural Like Rivera O Gorman was an ardent Marxist whose views of society were radically different from those of his host not to mention the giants of Pittsburgh s industrial empire Carnegie Frick and Mellon The murals were never painted but why did Kaufmann commission O Gorman in the first place Was it only a misunderstanding In the discursive manner for which his fiction and essays are noted Masters pulls together the skeins of world events the politics of art patronage and the eccentric personalities and cruel histories of the period into a pattern that also includes the figures of O Gorman and his wife Helen and Kaufmann his wife Liliane and their son Masters traces the story through its many twists and turns to its surprising ending E J Kaufmann s failure to put beautiful pictures on the walls of the Y in Pittsburgh resulted in Juan O Gorman s creation of a twentieth century masterpiece on a wall in the town of Patzcuaro Mexico

Promiscuous Power Martin Austin Nesvig, 2018-07-01 Honorable Mention Bandelier Lavrin Book Award in Colonial Latin America Rocky Mountain Council on Latin American Studies RMCLAS 2019 Honorable Mention The Alfred B Thomas Book Award Southeastern Council of Latin American Studies SECOLAS 2019 Scholars have written reams on the conquest of Mexico from the grand designs of kings viceroys conquistadors and inquisitors to the myriad ways that indigenous peoples contested imperial authority But the actual work of establishing the Spanish empire in Mexico fell to a host of local agents magistrates bureaucrats parish priests ranchers miners sugar producers and many others who knew little and cared less about the goals of their superiors in Mexico City and Madrid Through a case study of the province of Michoacan in western Mexico *Promiscuous Power* focuses on the prosaic agents of colonialism to offer a paradigm shifting view of the complexities of making empire at the ground level Presenting rowdy raunchy and violent life histories from the archives Martin Austin Nesvig reveals that the local colonizers of Michoacan were primarily motivated by personal gain emboldened by the lack of oversight from the upper echelons of power and thoroughly committed to their own corporate memberships His findings challenge some of the most deeply held views of the Spanish colonization of Mexico including the Black Legend which asserts that the royal state and the institutional church colluded to produce a powerful Catholicism that crushed

heterodoxy punished cultural difference and ruined indigenous worlds Instead Nesvig finds that Michoacán typical of many frontier provinces of the empire became a region of refuge from imperial and juridical control and formal Catholicism where the ordinary rules of law jurisprudence and royal oversight collapsed in the entropy of decentralized rule Experiments with Life Itself Francisco Gonzalez de Canales,2013-01-15 Every book relating the history of modern architecture features a large number of pages dedicated to avant garde designs and the formation of the modern movement in the interwar years and a similar number devoted to reconstruction and expansion after the Second World War Meanwhile as if owing to lack of understanding or convenient silence there is void of dark years of wars exile and misfortune about which little can be said However it was in these dark times as in so many other revealing moments in the history of culture that experimental and profoundly invigorating experiences were taking place Architects and artists voluntarily or forcibly driven to the margins of social importance began to react to a culturally unsustainable situation of which we know very little even today In Experiments with Life Itself Francisco Gonzalez de Canales studies a series of unrelated cases from the late 1930s to the late 1950s that he refers to as domestic self experimentation **Fallingwater** Justin Gunther,Scott W. Perkins,2025-04-01 An international treasure on the UNESCO World Heritage List Fallingwater is a total work of art This book an exciting new look at a masterpiece is a revelation for the first time seen here in its fullness Designed by Frank Lloyd Wright for Edgar Kaufmann Sr his wife Liliane Kaufmann and their son Edgar Kaufmann jr Fallingwater is lauded for its architectural daring and drama Here the Kaufmanns sought to live in harmony with the natural world The rooms of the house reflect this ideal and remain suffused with a natural aesthetic that embraces stone and wood handwork and craftsmanship In the living room the great stone floor flows riverlike toward the horizon of Wright designed built in sofas and large paned casement windows where views open to balconies to forest and to cascading falls From here the hatch opens to the flowing stream below Pools and the waters of Bear Run were beautiful and for swimming Relaxed elegance was the order of the day Delicacy softness tactility are everywhere in evidence This atmosphere pervades the whole and serves as an organic setting for the Kaufmanns collection of objects paintings textiles sculpture and products of craft that enrich and awaken the corners and nooks secreted here and there on the multiple layers and throughout the rooms of the house But much more than the sum of its parts and what it holds Fallingwater itself is art total and sublime **The Fallingwater Cookbook** Suzanne L. Martinson,2008-09-15 Hailed as the most architecturally significant private residence in the United States Fallingwater was a welcome retreat for Edgar J Kaufmann his wife Liliane their son Edgar jr and their many guests The Fallingwater Cookbook captures the experience of fine and casual dining at this famed home Suzanne Martinson former food editor and writer for the Pittsburgh Press and the Pittsburgh Post Gazette relates recipes from Elsie Henderson the longtime and last cook for the Kaufmann family at Fallingwater along with Henderson s memories and anecdotes of life in the renowned house on the waterfall Henderson also recounts with humor affection and vivid detail her encounters with Senators John Heinz and Ted Kennedy

Isaac Stern and Frank Lloyd Wright among others The book is rounded out with additional recipes from Chef Robert Sendall who began producing special events at Fallingwater in the early 1990s Jane Citron with whom Sendall taught cooking classes and Mary Ann Moreau former chef of the Cafe at Fallingwater Artfully composed photographs of food architecture landscape family and guests complete the collection which like Fallingwater will be treasured for years to come Western Pennsylvania History ,2006 *The Publishers Weekly* ,2005 *Resurrecting Tenochtitlan* Delia Cosentino,Adriana Zavala,2023-05-16 How Mexican artists and intellectuals created a new identity for modern Mexico City through its ties to Aztec Tenochtitlan Carnegie ,2005 **Elegy for Sam Emerson** Hilary Masters,2006 Middle aged and nostalgic restaurant owner Sam Emerson ruminates on his unconventional childhood as he faces the prospect of life without his much younger lover in pre 9 11 Pittsburgh
