Shaftesbury Georgina Battiscombe,1974 **Lord Shaftesbury. A Great Reformer, 1801-1885** Anthony Ashley COOPER (7th Earl of Shaftesbury.),1930 Shaftesbury Georgina Battiscombe,1974 *Britain in the Hanoverian Age, 1714-1837* Gerald Newman,Leslie Ellen Brown,1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families

Lovelace,2020-01-28 In this expanded edition of a classic work of spiritual theology historian Richard Lovelace presents a history of spiritual renewals in light of biblical models With scholarly and pastoral insight he offers a powerful vision of renewal that can unify various models across traditions combining individual and corporate spirituality social activism and evangelism **Nightingales** Gillian Gill,2007-12-18 Florence Nightingale was for a time the most famous woman in Britain if not the world We know her today primarily as a saintly character perhaps as a heroic reformer of Britain s health care system The reality is more involved and far more fascinating In an utterly beguiling narrative that reads like the best Victorian fiction acclaimed author Gillian Gill tells the story of this richly complex woman and her extraordinary family Born to an adoring wealthy cultivated father and a mother whose conventional facade concealed a surprisingly unfettered intelligence Florence was connected by kinship or friendship to the cream of Victorian England s intellectual aristocracy Though moving in a world of ease and privilege the Nightingales came from solidly middle class stock with deep traditions of hard work natural curiosity and moral clarity So it should have come as no surprise to William Edward and Fanny Nightingale when their younger daughter Florence showed an early passion for helping others combined with a precocious bent for power Far more problematic was Florence s inexplicable refusal to marry the well connected Richard Monckton Milnes As Gill so brilliantly shows this matrimonial refusal was at once an act of religious dedication and a cry for her freedom as a woman and as a leader Florence s later insistence on traveling to the Crimea at the height of war to tend to wounded soldiers was all but incendiary especially for her older sister Parthenope whose frustration at being in the shade of her more charismatic sibling often led to illness

Florence succeeded beyond her wildest dreams But at the height of her celebrity at the age of thirty seven she retired to her bedroom and remained there for most of the rest of her life allowing visitors only by appointment Combining biography politics social history and consummate storytelling Nightingales is a dazzling portrait of an amazing woman her difficult but loving family and the high Victorian era they so perfectly epitomized Beautifully written witty and irresistible Nightingales is truly a tour de force *Bishop McIlvaine, Slavery, Britain & the Civil War* Richard W. Smith, 2014 Bishop Charles P McIlvaine was an important figure in nineteenth century America As one of the leading evangelicals in the Protestant Episcopal Church the Ohioan became the pivotal figure in the evangelical Episcopal Anglican community Famed as a preacher and speaker his books and pamphlets were read by trans Atlantic audience His endeavors in the United Kingdom resulted in honorary degrees from Cambridge University and Oxford University Aware of his reputation in England the Lincoln Administration sent him to Britain in 1861 Working with Thurlow Weed he sought to swing middle and upper class opinion into a pro federal position After six months abroad his persuasive leadership induced the Federal Episcopal Convention to support the union war effort which included Lincoln s emancipation policy In this first biography of McIlvaine Smith mined British and American sources never before utilized The book reveals the bishop s complex persona a rich and at times sorrowful family saga unfolds As a reformer he became an anti slave advocate This groundbreaking account develops the struggles encountered and the significance of the informal mission for federal policies The political overtones in his friendship with the Prince of Wales are examined Comfortable in any secular or military environment McIlvaine s other wartime activities enabled him to report to Lincoln when necessary In later years he undertook length sojourns in England as he was busy with English and European religious questions Dying in Italy he was honored in Britain and America

Victorians and the Case for Charity Marilyn D. Button, Jessica A. Sheetz-Nguyen, 2013-11-18 This collection of all new essays seeks to answer a series of questions surrounding the Victorian response to poverty in Britain In short what did various layers of society say the poor deserved and what did they do to help them The work is organized against the backdrop of the 1834 New Poor Laws recognizing that poverty garnered considerable attention in England because of its pervasive and painful presence Each essay examines a different initiative to help the poor Taking an historical tack the essayists begin with the royal perspective and move into the responses of Church of England members Evangelicals and Roman Catholics the social engagement of the literati is discussed as well This collection reflects the real monetary spiritual and emotional investments of individuals public institutions private charities and religious groups who struggled to address the needs of the poor
