Shakerism or the Romance of a Religion J. M. Phillippi, 2015-06-25

Excerpt from Shakerism or the Romance of a Religion When about eight years of age I first heard of the Shakers In the village of Midway Fulton County Illinois the Methodist Church was divided into north and south branches because of the prominence of the slavery question This resulted in two church buildings Preachers for the southern Methodist Church frequently came from the South One of these whose name is not recalled tall and slender wearing a full beard came from Georgia to make an address at his church He tarried one Sunday night in the home of the writer a mile and a half distant In a way now forgotten the subject of the Shakers was introduced I well remember the account he gave of this unique religious sect and the description of its services particularly the religious customs and the dance From that day until becoming acquainted with Mr Granville Hixson foreman of the linotype department of the United Brethren Publishing House Dayton Ohio I never heard the name Shakers mentioned Although a society existed within six miles of Dayton during my Seminary course and the one at Union Village was conducting its affairs in its own peculiar way twenty five miles distant from Dayton no mention ever was made of either of these societies in my hearing About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Shakerism** J.
