Jim Hoskins

Shakespeare Left And Right:

Shakespeare Left and Right Ivo Kamps, 2015-06-18 Shakespeare Left and Right brings together critics strikingly different in their politics and methodologies who are acutely aware of the importance of politics on literary practice and theory Should for example feminist criticism be subjected to a critique by voices it construes as hostile to its political agenda Is it possible to present a critique of feminist criticism without implicitly impeding its politics And in the light of recent political events should the Right pronounce the demise of Marxism as a social science and interpretive tool The essays in Shakespeare Left and Right first published in 1991 present a tug of war about ideology acted out over the body of Shakespeare Part One focuses on the challenge thrown down by Richard Levin's widely discussed *Feminist Thematics and Shakespearean Tragedy* Part Two considers these issues in relation to critical practice and the reading of specific plays This book should be of interest to undergraduates and academics interested in Shakespeare studies

Shakespeare Left and Right Ivo Kamps, 2017-01-31 Shakespeare Left and Right brings together critics strikingly different in their politics and methodologies who are acutely aware of the importance of politics on literary practice and theory Should for example feminist criticism be subjected to a critique by voices it construes as hostile to its political agenda Is it possible to present a critique of feminist criticism without implicitly impeding its politics And in the light of recent political events should the Right pronounce the demise of Marxism as a social science and interpretive tool The essays in Shakespeare Left and Right first published in 1991 present a tug of war about ideology acted out over the body of Shakespeare Part One focuses on the challenge thrown down by Richard Levin's widely discussed *Feminist Thematics and Shakespearean Tragedy* Part Two considers these issues in relation to critical practice and the reading of specific plays This book should be of interest to undergraduates and academics interested in Shakespeare studies

Materialist Shakespeare Ivo Kamps, 1995 Receptive to influences of such diverse theorists as Derrida Jameson Foucault Irigaray Kristeva Lacan and Althusser materialist Shakespeare criticism has long since left behind the days of vulgar Marxism and has emerged as a rich interpretive practice The essays chosen for this book cover all of Shakespeare's dramatic genres and include works on King Lear Othello As You Like It Measure for Measure The Tempest The Merchant of Venice Henry V Macbeth The Taming of the Shrew and Julius Caesar Contributors Paul Delany Louis Adrian Montrose Walter Cohen Alan Sinfield Stephen Greenblatt Michael D Bristol Katherine Eismann Maus James R Andreas Robert Weimann Graham Holderness Lynda E Boose John Drakakis Claire McEachern Frederic Jameson and Ivo Kamps

The Dances of Shakespeare Jim Hoskins, 2013-10-31 First Published in 2005 *Dances of Shakespeare* gives a brief introduction to how to perform all of the dance styles featured in Shakespeare's plays Designed for the practicing director actor or choreographer it gives clear instruction on how to perform popular dances of Shakespeare's day including masques brawls canaries corantos galliards jigs La Volta pavans morris dances and roundels Accompanied by clear illustrations these instructions allow even the dance challenged to quickly master enough technique to suit amateur community college or semi

professional productions Other useful features include a chronological listing of popular dances similar in spirit to those of Shakespeare's days designed for those staging Shakespeare's work in periods other than as written as well as an appendix list of the plays grouped by what is called for in the text a dance a masque or a specific dance form Dances of Shakespeare is a must have for all student directors and performers interested in staging Shakespeare's works

Shakespeare in a Divided America James Shapiro, 2021-03-09 One of the New York Times 10 Best Books of the Year A National Book Critics Circle Award Finalist A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land In this sprightly and enthralling book Shapiro amply demonstrates that for Americans the politics of Shakespeare are not confined to the public realm but have enormous relevance in the sphere of private life The Guardian London The plays of William Shakespeare are rare common ground in the United States For well over two centuries Americans of all stripes presidents and activists soldiers and writers conservatives and liberals alike have turned to Shakespeare's works to explore the nation's fault lines In a narrative arching from Revolutionary times to the present day leading scholar James Shapiro traces the unparalleled role of Shakespeare's four hundred year old tragedies and comedies in illuminating the many concerns on which American identity has turned From Abraham Lincoln's and his assassin John Wilkes Booth's competing Shakespeare obsessions to the 2017 controversy over the staging of Julius Caesar in Central Park in which a Trump like leader is assassinated Shakespeare in a Divided America reveals how no writer has been more embraced more weaponized or has shed more light on the hot button issues in our history

The Oxford Handbook of Shakespeare and Dance Lynsey McCulloch, Brandon Shaw, 2019-01-28 Shakespeare's texts have a long and close relationship with many different types of dance from dance forms referenced in the plays to adaptations across many genres today With contributions from experienced and emerging scholars this handbook provides a concise reference on dance as both an integral feature of sixteenth and seventeenth century culture and as a means of translating Shakespearean text into movement a process that raises questions of authorship and authority cross cultural communication semantics embodiment and the relationship between word and image Motivated by growing interest in movement materiality and the body The Oxford Handbook of Shakespeare and Dance is the first collection to examine the relationship between William Shakespeare his life works and afterlife and dance In the handbook's first section Shakespeare and Dance authors consider dance within the context of early modern life and culture and investigate Shakespeare's use of dance forms within his writing The latter half of the handbook Shakespeare as Dance explores the ways that choreographers have adapted Shakespeare's work Chapters address everything from narrative ballet adaptations to dance in musicals physical theater adaptations and interpretations using non Western dance forms such as Cambodian traditional dance or Igal an indigenous dance form from the southern Philippines With a truly interdisciplinary approach The Oxford Handbook of Shakespeare and Dance provides an indispensable resource for considerations of dance and corporeality on Shakespeare's stage and the early modern era

Shakespeare and Contemporary Theory Neema Parvini, 2012-09-06 In the 30 years since the publication of Stephen Greenblatt's *Renaissance Self Fashioning* overthrew traditional modes of Shakespeare criticism New Historicism and Cultural Materialism have rapidly become the dominant modes for studying and writing about the Bard This comprehensive guide introduces students to the key writers texts and ideas of contemporary Shakespeare criticism and alternatives to new historicist and cultural materialist approaches suggested by a range of dissenters including evolutionary critics historical formalists and advocates of the new aestheticism and the more politically active presentists Shakespeare and Contemporary Theory covers such topics as The key theoretical influences on new historicism including Michel Foucault and Louis Althusser The major critics from Stephen Greenblatt to Jonathan Dollimore and Alan Sinfield Dissenting views from traditional critics and contemporary theorists Chapter summaries and questions for discussion throughout encourage students to critically engage with contemporary Shakespeare theory for themselves The book includes a Who's Who of major critics a timeline of key publications and a glossary of essential critical terms to give students and teachers easy access to essential information

Shakespeare's Face Stephanie Nolen, 2011-04-13 On May 11 2001 Globe and Mail reporter Stephanie Nolen announced a stunning discovery to the world an attractive portrait held by an Ontario family for twelve generations which may well be the only known portrait of Shakespeare painted during his lifetime Shakespeare's Face is the biography of a portrait a literary mystery story and the furious debate that has ensued since its discovery A slip of paper affixed to the back proclaims Shakespere This likeness taken 1603 Age at that time 39 ys But is it really Shakespeare who peers at us from the small oil on wood painting The twinkling eyes reddish hair and green jacket are not in keeping with the duller traditional images of the bard But they are more suggestive of the humorous and humane man who wrote the greatest plays in the English language Shakespeare's Face tells the riveting story of how the painting came to reside in the home of a retired engineer in a mid sized Ontario town The painting is reputed to be by John Sanders of Worcester England As a retirement project the engineer whose grandmother kept the family treasure under her bed embarked on authenticating the portrait the forensic analyses that followed have proven it without doubt to the period In a remarkable publishing coup Knopf Canada has gathered around Stephanie Nolen's story a group of the world's leading Shakespeare scholars and art and cultural historians to delve into one of the most fascinating literary mysteries of our times Is this the face of genius Excerpt from Chapter 1 of Shakespeare's Face by Stephanie Nolen By the late afternoon I was beginning to go a little cross eyed I had examined countless documents and read the test results from the painting's painstaking forensic analysis I now had everything I needed to write my story except for one crucial item Is he here I asked almost in a whisper The owner laid the package carefully on the cluttered table He gently pulled back the kraft paper wrapping underneath which was a layer of bubble wrap Then he peeled back this second layer to reveal his treasure I was caught off guard by how small the portrait was and how vivid The colours in the paint seemed too rich to be 400 years old Except for the hairline cracks in the varnish

the face could have been painted yesterday And there was nothing austere or haughty about it nothing of the great man being painted for posterity It was a rogue s face a charmer s face that looked back at me with a tolerant mischievous slightly world weary air It was painted on two pieces of solid board so expertly joined that the seam was barely visible A date Ano 1603 was painted in small red letters in the top right hand corner The right side had been nibbled by woodworms I stood and gazed quelling an instinctive urge to pick the portrait up and hold it in my hands And as my professional skepticism crumpled for a moment I found myself wanting desperately to believe that this was indeed Shakespeare s face

Local/Global Shakespeare and Advertising Márta Minier, Maria Elisa Montironi, Cristina Paravano, 2024-06-21 Local Global Shakespeare and Advertising examines the local global and rhizomatic phenomenon of Shakespeare as advertised and Shakespeare as advertising Starting from the importance and the awareness of advertising practices in the early modern period the volume follows the evolution of the use of Shakespeare as a promotional catalyst up to the twenty first century The volume considers the pervasiveness of Shakespeare s marketability in Anglophone and non Anglophone cultures and its special engagement with creative and commercial industries With its inter and transdisciplinary perspective and its international scope this book brings new insights into Shakespeare s selling power Shakespeare as the object of advertising and Shakespeare as part of the advertising vehicle in relation to a range of crucial cultural ideological and political issues

Shakespeare's Military Language Charles Edelman, 2004-01-01 Shakespeare s Military Language A Dictionary is a comprehensive reference guide to Shakespeare s use of military language customs and ideas More than just a book of definitions an A Z of nearly 300 entries provides a comprehensive account of Shakespeare s portrayal of military life tactics and technology and explores how the plays comment upon military incidents and personalities of the Elizabethan era and how warfare was presented on the Elizabethan stage Warfare is everywhere in Shakespeare and the military action in many of Shakespeare s plays and the military imagery in all his plays and poems show that he possessed an extraordinarily detailed knowledge of warfare both ancient and modern Shakespeare s Military Language is an ideal guide to Shakespeare s military references for students of Shakespeare at every level
