Anannya Dasgupta

Shakespeare Text And Theater Essays In Honor Of Jay L Halio:

Shakespeare, Text and Theater Jay L. Halio, Lois Potter, Arthur F. Kinney, 1999 Jay L Halio is internationally distinguished as an editor of Shakespeare's plays and as a critic of Shakespeare in performance This collection with an international list of contributors honors both those interests and explores their interconnectedness BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Prologues to Shakespeare's Theatre Douglas Bruster, Robert Weimann, 2004-08-02 This remarkable study shows how prologues ushered audience and actors through a rite of passage and how they can be seen to offer rich insight into what the early modern theatre was thought capable of achieving **Queering the Shakespeare Film** Anthony Guy Patricia, 2016-11-17 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched A range of mainstream and independent English language film productions of A Midsummer Night's Dream Romeo and Juliet Othello Twelfth Night and The Merchant of Venice take centre stage in Queering the Shakespeare Film This study critiques the various representations of the queer broadly understood as that which is at odds with what has been deemed to be the normal the legitimate and the dominant particularly but not exclusively as regards sexual matters in the Shakespeare film The movies chosen for analysis correspond deliberately with those Shakespeare plays that as written texts have been subjected to a great deal of productive study in a queer context since the beginnings of queer theory in the early 1990s Thus the book extends the ongoing queer discussion of these written texts to their counterpart cinematic texts Queering the Shakespeare Film is a much needed alternative and complementary critical history of the Shakespeare film genre **Shakespeare and the Jews** James Shapiro, 2016-03-08 First published in 1996 James Shapiro's pathbreaking analysis of the portrayal of Jews in Elizabethan England challenged readers to recognize the significance of Jewish questions in Shakespeare's day From accounts of Christians masquerading as Jews to fantasies of settling foreign Jews in Ireland Shapiro's work delves deeply into the cultural insecurities of Elizabethans while illuminating Shakespeare's portrayal of Shylock in The Merchant of Venice In a new preface Shapiro reflects upon what he has learned about intolerance since the first publication of Shakespeare and the Jews *Early Modern Drama in Performance* Darlene Farabee, Mark Netzloff, Bradley D. Ryner, 2014-11-25 Early Modern Drama in Performance is a collection of essays in honor of Lois Potter the distinguished author of five monographs including most recently The Life of William Shakespeare 2012 and numerous articles edited collections and editions This collection's emphasis on Shakespearean and early modern drama reflects the area for which Potter is most widely known as a performance critic editor and literary scholar The essays by a diverse group of scholars who have been influenced by Potter address recurring themes in her work Shakespeare and non Shakespearean early modern drama performance history and theatre practice theatrical performance across cultures play reviewing and playreading What unifies them most though is that they carry on the spirit of Potter's work her ability to meet a text a performance or a historical period on its own terms to give scrupulous

attention to specific details and elegantly show how these details generate larger meaning and to recover and preserve the fleeting and the ephemeral **Shakespeare Survey 71: Volume 71** Peter Holland,2018-10-04 The 71st in the annual series of volumes devoted to Shakespeare study and production The articles like those of volume 70 are drawn from the World Shakespeare Congress held 400 years after Shakespeare's death in July August 2016 in Stratford upon Avon and London The theme is Re Creating Shakespeare **King Lear** Jay leon Halio,2001-09-30 In its timeless exploration of familial and political dissolution and in its relentless questioning of the apparent moral indifference of the universe King Lear is Shakespeare's darkest tragedy It is also one of his most timely for many of the issues it raises resonate loudly within our own era Perhaps because of its contemporary relevance it is one of Shakespeare's most frequently produced taught and studied works And the amount of scholarship on King Lear is exceeded only by the complexity which that scholarship reveals This book is a lucid and thorough guide to the play's roots and legacy The volume begins with a discussion of the play's textual history which is complicated by the different quarto and folio versions It also addresses the merits of several recent editions The book then looks at the literary historical and cultural contexts that inform the play This is followed by an examination of Shakespeare's dramatic art an analysis of the play's themes and a summary of the different approaches critics have used to elucidate its meaning A final chapter explores the play's rich production history and a selected bibliography concludes the volume As a guide this reference successfully navigates the tremendous body of available scholarship and is a ready aid for a wide range of readers **Shakespeare and Accentism** Adele Lee,2020-12-28 This collection explores the consequences of accentism an under researched issue that intersects with racism and classism in the Shakespeare industry across languages and cultures past and present It adopts a transmedia and transhistorical approach to a subject that has been dominated by the study of Original Pronunciation Yet the OP project avoids linguistically foreign characters such as Othello because of the additional complications their aberrant speech poses to the reconstruction process It also evades discussion of contemporary global practices and underpinning the enterprise is the search for an aural purity that arguably never existed By contrast this collection attends to foreign speech patterns in both the early modern and post modern periods including Indian East Asian and South African and explores how accents operate as metasigns reinforcing ethno racial stereotypes and social hierarchies It embraces new methodologies which includes reorienting attention away from the visual and onto the aural dimensions of performance **Magical Epistemologies** Anannya Dasgupta,2021-07-21 This book began with a simple question when readers such as us encounter the term magic or figures of magicians in early modern texts dramatic or otherwise how do we read them In the twenty first century we have recourse to an array of genres and vocabulary from magical realism to fantasy fiction that does not however work to read a historical figure like John Dee or a fictional one he inspired in Shakespeare's Prospero Between longings to transcend human limitation and the actual work of producing translating and organizing knowledge figures such as Dee invite us to re examine our ways of reading magic only as metaphor If not metaphor then

what else As we parse the term magic it reveals a rich context of use that connects various aspects of social cultural religious economic legal and medical lives of the early moderns Magic makes its presence felt not only as a forms of knowledge but in methods of knowing in the Renaissance The arc of dramatists and texts that this book draws between Doctor Faustus The Tempest The Alchemist and Comus A Masque at Ludlow Castle offers a sustained examination of the epistemologies of magic in the context of early modern knowledge formation This book is co published with Aakar Books New Delhi Taylor Francis does not sell or distribute the print versions of this book in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Shakespeare as Literary Dramatist Lukas Erne, 2003-03-13 In this 2003 study Lukas Erne argues that Shakespeare apart from being a playwright who wrote theatrical texts for the stage was also a literary dramatist who produced reading texts for the page The usual distinction that has been set up between Ben Jonson on the one hand carefully preparing his manuscripts for publication and Shakespeare the man of the theatre writing for his actors and audience indifferent to his plays as literature is questioned in this book Examining the evidence from early published playbooks Erne argues that Shakespeare wrote many of his plays with a readership in mind and that these literary texts would have been abridged for the stage because they were too long for performance The variant early texts of Romeo and Juliet Henry V and Hamlet are shown to reveal important insights into the different media for which Shakespeare designed his plays

Embracing the Tune of Expression: An Mental Symphony within **Shakespeare Text And Theater Essays In Honor Of Jay L Halio**

In a global taken by displays and the ceaseless chatter of fast communication, the melodic splendor and mental symphony produced by the written word often disappear in to the background, eclipsed by the constant sound and interruptions that permeate our lives. However, located within the pages of **Shakespeare Text And Theater Essays In Honor Of Jay L Halio** a wonderful fictional treasure overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that fascinating masterpiece conducts readers on a mental trip, skillfully unraveling the hidden tunes and profound influence resonating within each carefully crafted phrase. Within the depths of the emotional assessment, we will investigate the book is key harmonies, analyze their enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
