

SHAKESPEARE IN THE THEATRE

AN ANTHOLOGY OF CRITICISM

COMPILED AND
EDITED BY **STANLEY WELLS**

Shakespeare In The Theatre An Anthology Of Criticism

Emma Smith

Shakespeare In The Theatre An Anthology Of Criticism:

Shakespeare in the Theatre Stanley Wells, 2000 Oxford Shakespeare Topics provides students teachers and interested readers with short books on important aspects of Shakespeare criticism and scholarship Each book is written by an authority in its field and combines accessible style with original discussion of its subject Notes and a critical guide to further reading equip the interested reader with the means to broaden research Shakespeare in the Theatre offers a rich varied and wonderfully evocative collection of eye witness accounts of Shakespearian performances over the centuries Theatre generates an excitement that stimulates fine prose here are Hazlitt s famous accounts of Edmund Kean as Richard III and Hamlet Bernard Shaw on Forbes Robertson s Hamlet and his hilarious descriptions of Augustin Daly s productions Max Beerbohm on Gordon Craig and Kenneth Tynan on Olivier and Wolfitt Here too are lesser known pieces by great writers the German novelist Theodor Fontane on Charles Kean Evelyn Waugh on Olivier Virginia Woolf on Twelfth Night at the Old Vic Taken together these pieces represent an appreciation of the work of the finest Shakespearian interpreters and a survey of changing styles of Shakespearian production ranging right across the canon from the seventeenth century to the present in England America and further afield The post war period is amply represented right up to the present day with vivid accounts of landmark productions by directors such as Peter Brook Peter Hall John Barton Deborah Warner Trevor Nunn and Declan Donnellan Stanley Wells introduces the volume with an essay on Shakespeare and the Theatre Critics and supplies each review with a helpful headnote and explanatory references , Shakespeare Scholars in Conversation Michael P. Jensen, 2019-07-15 Twenty four of today s most prominent Shakespeare scholars discuss the best known works in Shakespeare studies along with some nearly forgotten classics that deserve fresh appraisal An extensive bibliography provides a reading list of the most important works in the field A filmography then lists the most important Shakespeare films along with the films that influenced Shakespeare filmmakers Interviewees include Sir Stanley Wells Sir Jonathan Bate Sir Brian Vickers Ann Thompson Virginia Mason Vaughan George T Wright Lukas Erne MacDonald P Jackson Peter Holland James Shapiro Katherine Duncan Jones and Barbara Hodgdon **The Cambridge Companion to Shakespeare on Stage** Stanley Wells, Stanley W. Wells, Sarah Stanton, 2002-05-30 This 2002 Companion is designed for readers interested in past and present productions of Shakespeare s plays both in and beyond Britain The first six chapters describe aspects of the British performing tradition in chronological sequence from the early staging of Shakespeare s own time through to the present day Each relates Shakespearean developments to broader cultural concerns and adopts an individual approach and focus on textual adaptation acting stages scenery or theatre management These are followed by three explorations of acting tragic and comic actors and women performers of Shakespeare roles A section on international performance includes chapters on interculturalism on touring companies and on political theatre with separate accounts of the performing traditions of North America Asia and Africa Over forty pictures illustrate performers and productions of Shakespeare from

around the world An amalgamated list of items for further reading completes the book *Shakespeare's Histories* Emma Smith, 2008-04-15 This Guide steers students through four centuries of critical writing on Shakespeare's history plays enhancing their enjoyment and broadening their critical repertoire Guides students through four centuries of critical writing on Shakespeare's history plays Covers both significant early views and recent critical interventions Substantial editorial material links the articles and places them in context Annotated suggestions for further reading allow students to investigate further *Shakespeare's Dramatic Genres* Lawrence Danson, 2000 Oxford Shakespeare Topics provides students teachers and interested readers with short books on important aspects of Shakespeare criticism and scholarship Each book is written by an authority in its field and combines accessible style with original discussion of its subject Notes and a critical guide to further reading equip the interested reader with the means to broaden research The history of the genres or kinds of drama is one of contradictory traditions and complex cultural assumptions The divisions established by the original edition of Mr William Shakespeare's Comedies Histories and Tragedies the First Folio 1623 give shape to whole curricula but as Lawrence Danson reminds us in this lively book there is nothing inevitable and much unsatisfying about that tripartite scheme Yet students of Shakespeare cannot avoid thinking about questions of genre often they are the unspoken reason why classrooms full of smart people fail to agree on basic interpretative issues Danson's guide to the kinds of Shakespearian drama provides an accessible account of genre theory in Shakespeare's day an overview of the genres on the Elizabethan stage and a provocative look at the full range of Shakespeare's comedies histories and tragedies *Richard III: A Critical Reader* Annaliese Connolly, 2013-10-24 Charting the ruthless rise and fall of the villainous king Richard III remains one of Shakespeare's most enduringly discussed and oft performed plays Assembled by leading scholars this guide provides a comprehensive survey of major issues in the contemporary study of the play Throughout the book survey chapters explore such issues as the play's critical reception from Dr Johnson to postmodern readings in the 21st century the performance history of the play from Shakespeare's day to more recent stagings by Laurence Olivier and Ian McKellen key themes in current scholarship from disability to gender and nationalism Richard III on film including Al Pacino's Looking for Richard *Richard III A Critical Guide* also includes a complete guide to resources available on the play including critical editions online resources and an annotated bibliography and how they might be used to aid both the teaching and study of Shakespeare's play *Reading Shakespeare's Soliloquies* Neil Corcoran, 2018-01-25 Now I am alone says Hamlet before speaking a soliloquy But what is a Shakespearean soliloquy How has it been understood in literary and theatrical history How does it work in screen versions of Shakespeare What influence has it had Neil Corcoran offers a thorough exploration and explanation of the origin nature development and reception of Shakespeare's soliloquies Divided into four parts the book supplies the historical dramatic and theoretical contexts necessary to understanding offers extensive and insightful close readings of particular soliloquies and includes interviews with eight renowned Shakespearean actors providing details of the

practical performance of the soliloquy A comprehensive study of a key aspect of Shakespeare's dramatic art this book is ideal for students and theatre goers keen to understand the complexities and rewards of Shakespeare's unique use of the soliloquy

Shakespeare's Late Work Raphael Lyne, 2007-02-22 This introduction to Shakespeare's work offers clear readings of his late plays Incorporating collaborative works revised works and textual analysis of this phase of Shakespeare's career it also considers its relationships with the work of Fletcher Middleton and with Shakespeare's own earlier works Shakespeare's Sonnets Paul Edmondson, Stanley W. Wells, Stanley Wells, 2004 The sonnets are among the most accomplished and fascinating poems in the English language They are central to an understanding of Shakespeare's work as a poet and poetic dramatist and while their autobiographical relevance is uncertain no account of Shakespeare's life can afford to ignore them So many myths and superstitions have arisen around these poems relating for example to their possible addressees to their coherence as a sequence to their dates of composition to their relation to other poetry of the period and to Shakespeare's plays that even the most naive reader will find it difficult to read them with an innocent mind Shakespeare's *Sonnets* dispels the myths and focuses on the poems Considering different possible ways of reading the *Sonnets* Wells and Edmondson place them in a variety of literary and dramatic contexts in relation to other poetry of the period to Shakespeare's plays as poems for performance and in relation to their reception and reputation Selected sonnets are discussed in depth but the book avoids the jargon of theoretical criticism Shakespeare's *Sonnets* is an exciting contribution to the Oxford Shakespeare Topics ideal for students and the general reader interested in these intriguing poems

Thank you completely much for downloading **Shakespeare In The Theatre An Anthology Of Criticism**. Most likely you have knowledge that, people have seen numerous times for their favorite books subsequent to this Shakespeare In The Theatre An Anthology Of Criticism, but end happening in harmful downloads.

Rather than enjoying a fine PDF taking into consideration a cup of coffee in the afternoon, then again they juggled subsequently some harmful virus inside their computer. **Shakespeare In The Theatre An Anthology Of Criticism** is easily reached in our digital library an online access to it is set as public consequently you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency times to download any of our books like this one.
