Shakespeare Santayana And The Comic:

Shakespeare, Santayana, and the Comic Elkin Calhoun Wilson, 1973 *Shakespeare, Santayana, and the Comic* Elkin Calhoun Wilson, 1973 **Thomas Hardy and the Comic Muse** J. K. Lloyd Jones, 2009-03-26 There has long been a tendency to regard Thomas Hardy as a great tragic writer and to ignore or underestimate the value of his comic works This derives no doubt partly from the fact that comedy as an art form has been consistently undervalued ever since Aristotle dealt with it so slightly and so slightly It also stems from the evident inability of some readers and critics to allow an artist a wide scope and multiple voices Thomas Hardy and the Comic Muse discusses the nature of comedy and the various theories that purport to explain or define it and examines Hardy's works novels short stories and poetry in terms of the categories of farce humour satire and wit It looks at where and why Hardy made use of these forms of comedy what his historical sources were and why this side of his work has been so frequently neglected It also looks at what insights might be offered by Hardy both directly and indirectly to answer the difficult but always tantalizing question what is comedy The two subjects Hardy and Comedy are counterpointed throughout so that they prove to be mutually illuminating **George Santayana, Literary Philosopher** Irving Singer, 2000-01-01 Singer points out that Santayana was a professional philosopher who addressed immediate problems of existence a materialist in philosophy who believed in both a life of spirit and a life of reason a product of American pragmatism who nevertheless rebelled against it a Spaniard who wrote only in English an American author who spent the last forty years of his life in different European countries **A Life of Scholarship with Santayana** Herman J. Saatkamp Jr., 2021-01-25 An entire lifetime's work by Herman J Saatkamp is collected here in A Life of Scholarship with Santayana Essays and Reflections From the first essay published in 1972 to the latest in 2017 almost fifty years of scholarship is given a fresh embodiment of expression Saatkamp is considered by many to be the world's foremost authority on George Santayana's life and thought Not only does this volume bring into clear relief Saatkamp's understanding of Santayana the editing process and genetic concerns and the future of philosophy but it also betrays a lucid and humane understanding that aptly personifies a life spent in reflection a discerning sense of appreciation and an affirmation of life and learning **Tyranny in Shakespeare** Mary Ann McGrail, 2002-01-01 Even the most explicitly political contemporary approaches to Shakespeare have been uninterested by his tyrants as such But for Shakespeare rather than a historical curiosity or psychological aberration tyranny is a perpetual political and human problem Mary Ann McGrail's recovery of the playwright's perspective challenges the grounds of this modern critical silence She locates Shakespeare's expansive definition of tyranny between the definitions accepted by classical and modern political philosophy Is tyranny always the worst of all possible political regimes as Aristotle argues in his Politics Or is disguised tyranny as Machiavelli proposes potentially the best regime possible These competing conceptions were practiced and debated in Renaissance thought given expression by such political actors and thinkers as Elizabeth I James I Henrie Bullinger Bodin and others McGrail focuses on

Shakespeare's exploration of the conflicting and contradictory passions that make up the tyrant and finds that Shakespeare's dramas of tyranny rest somewhere between Aristotle's reticence and Machiavelli's forthrightness Literature and politics intersect in Tyranny in Shakespeare which will fascinate students and scholars of both *The Routledge Companion to Shakespeare and Philosophy* Craig Bourne, Emily Caddick Bourne, 2018-10-25 Iago's I am not what I am epitomises how Shakespeare's work is rich in philosophy from issues of deception and moral deviance to those concerning the complex nature of the self the notions of being and identity and the possibility or impossibility of self knowledge and knowledge of others Shakespeare's plays and poems address subjects including ethics epistemology metaphysics philosophy of mind and social and political philosophy They also raise major philosophical questions about the nature of theatre literature tragedy representation and fiction The Routledge Companion to Shakespeare and Philosophy is the first major guide and reference source to Shakespeare and philosophy It examines the following important topics What roles can be played in an approach to Shakespeare by drawing on philosophical frameworks and the work of philosophers What can philosophical theories of meaning and communication show about the dynamics of Shakespearean interactions and vice versa How are notions such as political and social obligation justice equality love agency and the ethics of interpersonal relationships demonstrated in Shakespeare's works What do the plays and poems invite us to say about the nature of knowledge belief doubt deception and epistemic responsibility How can the ways in which Shakespeare's characters behave illuminate existential issues concerning meaning absurdity death and nothingness What might Shakespeare's characters and their actions show about the nature of the self the mind and the identity of individuals How can Shakespeare's works inform philosophical approaches to notions such as beauty humour horror and tragedy How do Shakespeare's works illuminate philosophical questions about the nature of fiction the attitudes and expectations involved in engagement with theatre and the role of acting and actors in creating representations The Routledge Companion to Shakespeare and Philosophy is essential reading for students and researchers in aesthetics philosophy of literature and philosophy of theatre as well as those exploring Shakespeare in disciplines such as literature and theatre and drama studies It is also relevant reading for those in areas of philosophy such as ethics epistemology and philosophy of language Symposium on Nicholas Rescher John R. Shook, Paulo Ghiraldelli, 2005

Shakespeare and the Comedy of Enchantment Kent Cartwright, 2021 Shakespeare and the Comedy of Enchantment argues that enchantment constitutes a key emotional and intellectual dimension of Shakespeare's comedies It thus makes a new claim about the rejuvenating value of comedy for individuals and society Shakespeare's comedies orchestrate ongoing encounters between the rational and the mysterious between doubt and fascination with feelings moved by elements of enchantment that also seem a little ridiculous In such a drama lines of causality become complex and even satisfying endings leave certain matters incomplete and contingent openings for scrutiny and thought In addressing enchantment the book takes exception to the modernist vision of a deterministic disenchanted world As Shakespeare's action advances comic

mysteries accrue uncanny coincidences magical sympathies inexplicable repetitions psychic influences and puzzlements about the meaning of events all of whose numinous effects linger ambiguously after reason has apparently answered the play's questions Separate chapters explore the devices tropes and motifs of enchantment magical clowns who alter the action through stop time interludes structural repetitions that suggest mysteriously converging even opaquely providential destinies locales that oppose magical and protean forces to regulatory and quotidian values desires thoughts and utterances that manifest comically monstrous events characters who return from the dead facilitated by the desires of the living play endings crossed by harmony and dissonance with moments of wonder that make possible the mysterious action of forgiveness Wonder and wondering in Shakespeare's and other comedies it emerges become the conditions for new possibilities Chapters refer extensively to early modern history Renaissance and modern theories of comedy treatises on magical science and contemporaneous Italian and Tudor comedy

Under Any Sky Matthew Caleb Flamm, Krzysztof Piotr Skowroński, 2009-03-26 Under Any Sky Contemporary Readings of George Santayana is a testament to the cross cultural relevance of the work of one of the leading intellectuals of the twentieth century George Santayana 1863 1952 birth name Jorge Agustín Nicolás Ruiz de Santayana A list of geographic origins of the twenty two contributions contained in this volume indicates the transatlantic cultural diversity of scholarly representation scholars variously hailing from Canada Germany Italy Spain Poland Slovakia and Switzerland and from the United States representing three of its major regions The authors explore the major plots of Santayana's thinking including materialistic Platonism in ontology skepticism in epistemology rationality in social philosophy naturalism in aesthetics piety in materialism and literary and poetic expression as a means to cosmic understanding After a preface by Professor John Lachs also a contributor and an editorial introduction the book is divided into three respective thematic parts I Ontology and Naturalism II Culture Society America and III Aesthetics Poetry and Spirit Before each thematic section brief introductions of the section papers is provided to accommodate specific scholarly interests The authors entrust the present volume to readers appreciative of the philosophic catholicity of the subject's work invoking the book title which is taken from the preface of Santayana's mature system of philosophy Scepticism and Animal Faith In the past or in the future my language and my borrowed knowledge would have been different but under whatever sky I had been born since it is the same sky I should have had the same philosophy

Shakespeare Santayana And The Comic: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
