Master Executioner

RODNEY A. COOPER

Master Executioner:

The Master Executioner Loren D. Estleman, 2002-09-16 Hangman Oscar Stone is a master executioner who prides himself on his careful and exacting work until a sudden moment of realization and devastating truth forces him to come to terms with himself and his profession

The Faithful Executioner Joel F. Harrington, 2013-03-19 The extraordinary story of a renaissance era executioner and his world based on a rare and overlooked journal In a dusty German bookshop the noted historian Joel F Harrington stumbled upon a remarkable document the journal of a sixteenth century executioner The journal gave an account of the 394 people Meister Frantz Schmidt executed and the hundreds more he tortured flogged or disfigured for more than forty five years in the city of Nuremberg But the portrait of Schmidt that gradually emerged was not that of a monster Could a man who practiced such cruelty also be insightful compassionate even progressive In *The Faithful Executioner* Harrington teases out the hidden meanings and drama of Schmidt's journal Deemed an official outcast Meister Frantz sought to prove himself worthy of honor and free his children from the stigma of his profession Harrington uncovers details of Schmidt's life and work the shocking but often familiar crimes of the day the medical practice that he felt was his true calling and his lifelong struggle to reconcile his craft with his religious faith In this groundbreaking and intimate portrait Harrington shows us that our thinking about justice and punishment and our sense of our own humanity are not so remote from the world of *The Faithful Executioner*

The Memoirs of a Prague Executioner Josef Svátek, 2008 A young man is about to graduate from medical school when a sudden shift of fate changes his life forever He becomes stuck in the most detested profession for the rest of his life and he is on his way to becoming the most well known executioner in the history of Bohemia Master Jan finds himself in the center of the historical events of the time The religious and political turmoil of Bohemia culminates in the 1621 White Mountain Battle Czech Protestant rebels are defeated by Catholic forces and Master Jan is to execute 27 men who are his fellow Protestants The *Old Town Executioner* gives the reader a first hand account about how justice was carried out by the medieval law While his memoirs offer an intriguing account of the manners and values of late medieval society his observations about human nature may come as a surprise The law and society have changed since the 17th century but people have changed very little

Defiled Trades and Social Outcasts Kathy Stuart, 2000-05-04 This book presents a social and cultural history of dishonourable people *unehrliche Leute* an outcast group in early modern Germany Executioners skinners grave diggers shepherds barber surgeons millers linen weavers sow gelders latrine cleaners and bailiffs were among the dishonourable by virtue of their trades This dishonour was either hereditary often through several generations or it arose from ritual pollution whereby honourable citizens could become dishonourable by coming into casual contact with members of the outcast group The dishonourable milieu of the city of Augsburg from the sixteenth to the eighteenth centuries is reconstructed to show the extent to which dishonour determined the life chances and self identity of dishonourable people The book then investigates how honourable estates interacted with dishonourable

people and how the pollution anxieties of early modern Germans structured social and political relations within honourable society

The Great Nightmen Conspiracy Tyge Krogh, 2019-08-20 The Great Nightmen Conspiracy explores the little known magico religious history of eighteenth century Denmark Essential tasks carried out by the nightmen such as dealing with carcasses and assisting with executions generated contempt from the rest of society but also led to the nightmen becoming deeply feared because of the dark and magical forces associated with their occupation The discovery of a dead peasant at the edge of the fjord on 4 December 1734 led to the arrest of the nightmen Mikkell and Hans in the nearby market town of Kalundborg in Zealand In court their interrogation focused not on the suspected murder but on thefts of livestock immorality and other provocations committed by these socially ostracised nightmen The court case became the largest of its time implicating nightmen across half of Zealand and exposing divisions within society This book uses a minutely researched set of incidents centring on the Danish pariah caste of nightmen to bring to light this unknown magico religious side of Denmark Through microhistorical methodology The Great Nightmen Conspiracy presents a detailed insight into the lives of the nightmen in Kalundborg and the society that constructed their alienation It is ideal for academics and postgraduate students of microhistory and urban history

Xian Qin ming xue shi Shi Hu, 1922 **Dao de Jing** Lao zi, 1986 A new translation of the Tao Te Ching merges ancient Eastern philosophy with contemporary Western sensibilities to provide a philosophical strategy for enhancing personal growth

Saint Joan George Bernard Shaw, 2021-11-09 In Saint Joan George Bernard Shaw weaves a powerful narrative that reexamines the life and legacy of Joan of Arc not merely as a historical figure but as a symbol of the human spirit s fight against oppression Through his characteristic use of wit and sharp dialogue Shaw presents a blend of realism and idealism illustrating the tension between societal norms and personal conviction Set against the backdrop of the Hundred Years War the play employs a distinctive theatrical style that combines historical context with philosophical inquiry inviting audiences to reflect on faith nationalism and the complexities of martyrdom George Bernard Shaw a prominent figure in early 20th century literature was known for his keen social critique and innovative approach to drama His deep engagement with issues of gender class and morality informs the portrayal of Joan as a multidimensional character who challenges the expectations of both her time and modern readers Shaw s background in activism and his commitment to discussing controversial subjects shape the exploration of Joan s character as a visionary leader and misunderstood martyr Saint Joan is an essential read for anyone interested in the intersections of history theology and morality Shaw s provocative exploration of Joan s life not only captivates but also encourages readers to consider the broader implications of individual agency within societal structures This play invites reflection on the enduring relevance of Joan s themes making it a timeless masterpiece recommended for both scholars and casual readers alike

Law and Literature Lenora Ledwon, 2015-06-03 First published in 1996 The first anthology of its kind in this dynamic new field of study this volume offers students the best of both worlds theory and literature Organized around specific themes to facilitate use of the

text in a variety of courses the material is highly accessible to undergraduates and is suitable as well for graduate students and law students The anthology includes important articles by key figures in the law and literature debate and presents seven thematically arranged sections that Survey the various theoretical perspectives that inform the relationship of law and literature Examine the interplay of ethics law and justice Highlight the great scope and variety of the law s contributions to the creation of a world view Illustrate various legal approaches to punishment Detail and analyze the law s inherent capacity for the oppression of individuals and groups Demonstrate that law is grounded in language and storytelling Show that despite its solemnity the law has a comic side Each section includes excerpts from poetry drama fiction and nonfiction The excerpts include writings addressing the law s impact on the outsider women Native Americans Hispanics African Americans and homosexuals as well as writings by lawyers judges and law professors giving the reader an insider s view of the legal system The selections range from Plato to John Barth and Wallace Stevens At this time of increased interest in the quality of legal writing this course material illustrates the importance of language word choice metaphor and narrative It demonstrates the practical application of literary effects techniques and devices and provides valuable insights into law as a vital component of the social fabric

SPECIAL FEATURES All law schools that do not already have one in place are required to institute a course in Law and Literature This new anthology is the first of its kind and has been specifically designed to meet the requirements of a Law and Literature course Selections from judges lawyers and professors of law give students an insider s view of the legal system Chronological coverage from Plato to such 20th century writers as John Barth and Wallace Stevens offers students a broad range of selections that examine the relationship between law justice ethics and literature Multicultural writings address the law s capacity for the oppression of individuals and groups including women Native Americans African Americans Hispanics and homosexuals Law and punishment several selections examine this area from various points of view Suitable for courses in Law and literature courses in law schools and undergraduate divisions as well as interdisciplinary courses in English literature

Saint Joan Bernard Shaw, 2021-01-01 Saint Joan is a play by George Bernard Shaw about 15th Century French military figure Joan of Arc Premiering in 1923 three years after her canonization by the Roman Catholic Church the play dramatises what is known of her life based on the substantial records of her trial Shaw studied the transcripts and decided that the concerned people acted in good faith according to their beliefs

Saint Joan (□□□□) George Bernard Shaw, 2011-10-15

On Beheading Amalendu Misra, 2022-09-08 Beheading is not an uncommon undertaking As a particularized physical violence it has been practiced by all societies and civilizations at some point in their history In fact for millennia public beheadings around the world were routine In contemporary international society some states and many non state actors regularly engage in this undertaking This begs the obvious question why put a human being through this unimaginable cruelty While the idea of execution by decapitation appears visceral and horrific it has always been grounded in cultural religious and political contexts If contemporary history is any proof the enterprise of

beheading a fellow human being appears to be making a comeback in certain religious and political landscapes A question of enormous intellectual importance the phenomenon of beheading is understudied There have been many explanations surrounding specific forms of beheading through the ages However no inclusive study has engaged with it in its entirety Primarily a philosophical reflection On Beheading is inter disciplinary in nature it freely cuts across various disciplines within the broad framework of the social sciences It uses a vast array of empirical evidence from anthropology literature jurisprudence and religion to build a discourse and narrative that brings this subject under one intellectual umbrella

Elizabeth I Laura Brennan,2020-05-30 A look at the people and events that shaped the life and reign of the last Tudor monarch Elizabeth I is arguably one of the greatest monarchs and women of English history Against an uncertain political and religious backdrop of post reformation Europe she ruled at the conception of social modernization living in the shadow of the infamy of her parents reputations and striving to prove herself an equal to the monarchs who had gone before her This book seeks to explore some of the key events of her life both before and after she ascended to the English throne in late 1558 By looking at the history of these selected events as well as investigating the influence of various people in her life this book sets out to explain Elizabeth s decisions both as a queen and as a woman Among the events examined are the death of her mother the role and fates of her subsequent stepmothers the fate of Lady Jane Grey and the subsequent behavior and reign of her half sister Mary Tudor along with the death of Amy Dudley the return of Mary Queen of Scots to Scotland the Papal Bull and the Spanish Amanda
