

Shoji Life/Death

By Kosho Uchiyama

Water isn't formed being ladled into a
bucket.
Simply put, the water of the whole Universe
Has been ladled into a bucket.
The water does not disappear because it has
been scattered over the ground.
It is only that the water of the whole
Universe has been emptied into the whole
Universe.
Life is not born because a person is born.
The life of the whole Universe has been
Ladled into the hardened "idea" called "I."
Life does not disappear because a person
dies.
Simply, the life of the whole Universe has
Been poured out of this hardened "idea" of
"I" back into the Universe.
