Radical Compassion Gary N. Smith, 2002 Memoir of Gary Smith's ten years living and working among the poor of Portland Oregon **Radical Compassion** Gary Smith, 2009-02-17 Loving the Unloved of Society I realize that God brought me into this world blessed with skills and talents The only thing that makes sense to me is to use them in the service of the poor It is at their feet that I find myself For almost ten years Gary Smith S J lived and worked among the poor of Portland Oregon With this memoir he invites us to walk with him and meet some of the abandoned over looked and forgotten members of our society with whom he has shared his life Just as Smith found a deeper truer understanding of himself and of the heart of God through his work these people and their stories stand to transform us Although its subject matter is bleak the book is not Smith has found love amid the despair His book is touching at times hopeful and the kind of book that is hard to put down that fascinates horrifies and rivets one's attention Booklist Smith takes us where we would rather not go the heart of the poor the lonely and the abandoned In true Ignatian fashion he finds God there An unforgettable experience for those who have the courage to walk with him Michael L Cook S J Professor of theology Gonzaga University Smith performs modern day miracles of compassion and his book sets a new standard for writing about the rich faith of those who are materially poor His stirring prose and utter honesty will change the hearts and minds of many readers Gerald T Cobb S J Chair department of English Seattle University They Come Back Singing Gary Smith, 2009-04-21 For years Gary Smith a Jesuit priest led a familiar life in the Pacific Northwest Then one day in 2000 he left that life behind to spend six years among Sudanese refugees struggling to survive in refugee camps in northern Uganda He traveled to this dangerous pitiless place to be with these forsaken people out of a conviction that Jesuits should be going where no one else goes Smith's journal is a vivid inspiring account of the deep connections he forged during his life changing experience with the Sudanese refugees in Uganda Along the way he discovered a suffering people who despite being displaced by a brutal civil war find the strength to let go of the many and deep sorrows of the past Ultimately *They Come Back Singing* is a window to the spiritual life and growth of a priest whose generous spirit and genuine love allow him to serve and be served in truly extraordinary ways *Study Guide to the Encyclical Letter of Pope Francis, The* Mescher, Marcus, 2021 Fratelli Tutti sets out the pope's vision for a postpandemic world This study edition helps readers pray with the text reflect on it and look for connections with the canon of Catholic social teaching and ultimately leads us toward action that builds communities of belonging and solidarity *Professional Lives, Personal Struggles* Randall Amster, Martha Trenna Valado, 2012-07-06 This edited volume illuminates critical research issues through the particular lens of homelessness bringing together some of the leading scholars in the field from an array of disciplines and perspectives to explore this condition of marginalization and the ethical dilemmas that arise within it The authors provide insights into the realities and challenges of social research that will guide students activists practitioners policymakers and service providers as well as both novice and seasoned researchers in fields of inquiry ranging from
