Radical Son:

Radical Son David Horowitz, 1998-04-21 This riveting national bestseller is an intimate uncompromising account of personal and political transformation documenting David Horowitz's journey from 1960s radical to 1990s conservative One of the best political memoirs I have ever read P J O'Rourke of photos

Radical Son David Horowitz, 2020-03-03 One of the most compelling and important political memoirs in recent American history republished after more than twenty years with a new introduction by the author In a narrative that possesses both remarkable political importance and extraordinary literary power David Horowitz tells the story of his startling political odyssey from sixties radical to nineties conservative A political document of our times *Radical Son* traces three generations of one American family's infatuation with the radical left from the Bolshevik Revolution of 1917 to the collapse of the Marxist empire six decades later David Horowitz was one of the founders of the New Left and an editor of *Ramparts* the magazine that set the intellectual and revolutionary tone for the movement From his vantage point at the center of the action he populates *Radical Son* with vivid portraits of people who made the radical decade while unmaking America at the same time We are introduced to an aged Bertrand Russell the world famous philosopher and godson of John Stuart Mill who in his nineties became America's scourge organizing a War Crimes Tribunal over the war in Vietnam There is Tom Hayden the radical everyman who promoted guerrilla warfare in America's cities in the sixties married film legend Jane Fonda and became a Democratic state senator when his revolutions failed We meet Huey Newton a street hustler and murderer who founded a black militia that became the Sixties most resonant symbol of black power and black militance Horowitz's encounter with Newton and his Black Panthers the most celebrated radical group of the Sixties becomes the focal point of the story when a brutal murder committed by the Panthers changes his life forever prompting the profound second thoughts that eventually led him to become an intellectual leader of conservatism and its most prominent activist in Hollywood

Political Conversion Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion *Political Conversion* ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities

Exit Right Daniel

Oppenheimer,2016-02-02 Takes a look at the lives of six political figures who started their political journey on the Left and moved increasingly to the Right Radical Son David Horowitz,1996-06 **Hoodwinked** Jack Cashill, *New Sexual Agendas* Lynne Segal,2015-12-22 *New Sexual Agendas* tackles the urgent practical and theoretical challenges in the area of gender and sexuality Leading theorists activists and clinicians including Bob Connell Adam Sinfield Leonore Tiefer and Jeffrey Weeks encourage a creative exchange of knowledge across different research and applied perspectives This volume highlights the intensity of the feelings generated by the changes occurring in sexual and gender relations while signalling the possibilities for new strategies encompassing diversity and choice **Ottoman Imperial Diplomacy** Dogan Gurpinar,2013-10-25 The Ottoman Empire maintained a complex and powerful bureaucratic system which enforced the Sultan s authority across the Empire s Middle Eastern territories This bureaucracy continued to gain in power and prestige even as the empire itself began to crumble at the end of the nineteenth century Through extensive new research in the Ottoman archives Dogan Gurpinar assesses the intellectual cultural and ideological foundations of the diplomatic service under Sultan Abdulhamid II In doing so Ottoman Imperial Diplomacy presents a new model for understanding the formation of the modern Turkish nation arguing that these Hamidian reforms undertaken with the support of the Young Ottomans led by Namik Kemal constituted the beginnings of modern Turkish nationalism This book will be essential reading for historians of the Ottoman Empire and for those seeking to understand the history of Modern Turkey Revelation Gerald L. Stevens,2014-05-08 This three part study covers the history of interpretation theological foundations and exegesis Copious illustrations from the author s worldwide travels enhance discussion of Rome s emperors empire and ideology as the premier horizon for understanding John s immediate context and meaning Distinctive contributions include Stevens s effort to re canonize Revelation by insisting on gospel concord methodically interpreting all of Revelation through the lens of the seven churches and showing how Revelation s imagery consistently relates more to the incarnation than the Parousia Stevens bypasses traditional millennial options to argue that Revelation is passion millennial the passion of Jesus predicates the passion of the church Under Stevens s hands Revelation becomes eminently sensible to the original audience and powerfully pertinent for today s church **Dead Secrets** Tamar Heller,1992-01-01 Readers have long been enthralled by the novels of Wilkie Collins whose *The Moonstone* is considered the first modern detective novel This book by Tamar Heller places Collins within Victorian literary history showing how his fiction transforms the conventions of the traditionally female genre of the Gothic novel and can be read as a critique of the gender and class distinctions that structured Victorian society Senate Documents, Otherwise Publ. as Public Documents and Executive Documents United States. [Black Trials](#) Mark S. Weiner,2007-12-18 From a brilliant young legal scholar comes this sweeping history of American ideas of belonging and citizenship told through the stories of fourteen legal cases that helped to shape our nation Spanning three centuries Black Trials details the legal challenges and struggles that helped define the ever shifting identity of blacks in America From the well known cases of Plessy v Ferguson and the Clarence Thomas confirmation hearings to the more obscure trial of Joseph Hanno an eighteenth century free black man accused of murdering his wife and bringing smallpox to Boston Weiner recounts the essential dramas of American identity illuminating where our conception of minority rights has come from and where it might go Significant and enthralling these are the cases that forced the courts and the country to reconsider what it means to be black in America and Mark Weiner demonstrates their lasting importance for our society

A Conservative History of the American Left Daniel J. Flynn,2008-04-29 From Communes to the Clintons Why does

Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it s okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J Flynn uncovers the surprising origins of today s Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America s shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left s amnesia is convenient Who wouldn t want to forget an ugly history that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn t pause to learn from its past mistakes So it goes that would be revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits perverts and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable

Mississippi in 1875 United States. Congress. Senate. Select committee to inquire into the Mississippi election of 1875,1876 Dupes Paul Kengor,2023-06-27 In this startling intensively researched book bestselling historian Paul Kengor shines light on a deeply troubling aspect of American history the prominent role of the dupe From the Bolshevik Revolution through the Cold War and right up to the present many progressives have unwittingly aided some of America s most dangerous opponents Based on never before published FBI files Soviet archives and other primary sources Dupes exposes the legions of liberals who have furthered the objectives of America s adversaries Kengor shows not only how such dupes contributed to history s most destructive ideology Communism which claimed at least 100 million lives but also why they are so relevant to today s politics
