God Do U Hear Me ? Reggie Beamon, **The Limits of Hospitality** Jessica Wroblewski, 2012-04-01 Practicing hospitality is central to building a civil society not to mention living a Christian life It can be enriching and joy filled but it can also be profoundly demanding and sometimes even dangerous In The Limits of Hospitality Jessica Wroblewski explores the ethical questions surrounding the practice of hospitality particularly hospitality that is informed by Christian theological commitments While there is no algorithm that distinguishes between ethically legitimate and illegitimate boundaries the variety of circumstances in which hospitality is relevant and the nature of hospitality itself make advocating firm and fixed boundaries difficult How much more so for Christians for whom the practice of hospitality should be a manifestation of agape a participation in God s eschatological welcome extended to all people through Jesus Christ Are limits to hospitality then merely a regrettable concession to our finite and fallen condition Wroblewski offers a rich theological reflection that will interest anyone who has a role in the practice of hospitality in community

Whether such communities are families households churches educational institutions or nation states **St. Benedict's Toolbox** Jane Tomaine, 2015-07-10 In the sixth century when the Roman Empire was breaking apart and politics cultural life and even the Church were in disarray tumultuous times not unlike our own Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things The Rule of Benedict offers timeless and practical tools for living this Christ centered life today Revised and expanded 10th anniversary edition

Practical down to earth writing style explains the content of the Rule of St Benedict and how to use the practices in daily life Contains historical background to the Rule and a new chapter on relationships and community Includes guide for group use

Religious Ethics and Migration Ilse Ahn, 2013-11-12 What does it mean to provide justice for undocumented workers who have been living among us without proper legal documentation How can we do justice to the undocumented migrants

who have been doing the low skilled low paid jobs unwanted by citizens Why should we even try to do justice for people who violate the laws of the society Religious Ethics and Migration Doing Justice to Undocumented Workers addresses these questions from a distinctive religious ethical perspective the Christian theology of forgiveness and radical hospitality In answering these questions the author employs in depth interdisciplinary dialogues with other relevant disciplines such as immigration history global economics political science legal philosophy and social theory He argues that the political appropriation of a Christian theology of forgiveness and the radical hospitality modeled after it are the most practical and justifiable solutions to the current immigration crisis in North America Critical and interdisciplinary in its approach this book offers a unique comprehensive and balanced perspective regarding the urgent immigration crisis
