*Radie Britain* Walter B. Bailey, Nancy Gisbrecht Bailey, 1990-03-20 *Radie Britain A Bio Bibliography* is a concise biography which summarizes the major events in the prolific American composer's life and describes the conditions under which her singular talent emerged. An in depth interview with Britain herself gives the opportunity to hear her own personal thoughts on her life, music, and creative philosophy. Walter and Nancy Bailey give an exhaustive list of works and performances, each accompanied by significant information on the work or documented performance. Also included are Britain's compositions for orchestra and band, chamber ensemble, solo piano, piano duets, the harp, chorus, and solo voice, as well as her stage works. Authorized by Miss Britain and compiled with her help, this is a comprehensive guide to the work of a gifted musician. A bibliography of Britain's writings concludes the text, along with reviews of her performances and other press materials. With its chronological arrangement, this bibliography traces Britain's musical evolution much like a second biography. An index to the entire volume is provided. Both chronological and alphabetical lists of works can be found in the appendixes.

Cook, 1994 Cecilia a fifteenth century Christian martyr has long been considered the patron saint of music In this pathbreaking volume ten of the best known scholars in the newly emerging field of feminist musicology explore both how gender has helped shape genres and works of music and how music has contributed to prevailing notions of gender The musical subjects include concert music both instrumental and vocal and the vernacular genres of ballads salon music and contemporary African American rap The essays raise issues not only of gender but also of race and class moving among musical practices of the courtly ruling class and the

elite discourse of the twentieth century modernist movement to practices surrounding marginal girls in Renaissance Venice and the largely white middle class experiences of magazine and balladry      **The Sonneck Society Bulletin** ,1991
