Stone, 2017-09-25 The Garland Encyclopedia of World Music is a ten volume reference work organized geographically by continent to represent the musics of the world in nine volumes The tenth volume houses reference tools and descriptive information about the encyclopedia's structure criteria for inclusion and other information specific to the field of ethnomusicology An award winning reference its contributions are from top researchers around the world who were active in fieldwork and from key institutions with programs in ethnomusicology GEWM has become a familiar acronym and it remains highly revered for its scholarship uncontested in being the sole encompassing reference work with a broad survey of world music More than 9 000 pages with musical illustrations photographs and drawings it is accompanied by 300 audio examples **The Concise Garland Encyclopedia of World Music, Volume 2** Garland Encyclopedia of World Music, 2013-02-01 The Concise Garland Encyclopedia of World Music comprises two volumes and can only be purchased as the two volume set To purchase the set please go to <http://www.routledge.com/9780415972932>

World Music and the Black Atlantic Alesia K. Whitmore, 2020-05-07 In the mid 20th century African musicians took up Cuban music as their own and claimed it as a marker of black Atlantic connections and of cosmopolitanism untethered from European colonial relations Today Cuban African bands popular in Africa in the 1960s and 70s have moved into the world music scene in Europe and North America and world music producers and musicians have created new West African Latin American collaborations expressly for this market niche World Music and the Black Atlantic follows two of these bands

Orchestra Baobab and AfroCubism and the industry and audiences that surround them from musicians homes in West Africa to performances in Europe and North America to record label offices in London World Music and the Black Atlantic examines the intensely transnational experiences of musicians industry personnel and audiences as they collaboratively produce circulate and consume music in a specific post colonial era of globalization Musicians industry personnel and audiences work with and push against one another as they engage in personal collaborations imbued with histories of global travel and trade They move between and combine Cuban and Malian melodies Norwegian and Senegalese markets and histories of slavery and independence as they work together to create international commodities Understanding the unstable and dynamic ways these peoples musics markets and histories intersect elucidates how world music actors assert their places within and produce knowledge about global markets colonial histories and the black Atlantic World Music and the Black Atlantic offers a nuanced view of a global industry that is informed and deeply marked by diverse transnational perspectives and histories of transatlantic exchange
