Barri Flowers, From award winning criminologist R Barri Flowers and the bestselling author of Murder at the Pencil Factory and The Sex Slave Murders comes a powerful new historical true crime short Murder of the Banker's Daughter The Killing of Marion Parker On December 15

1927 12 year old Marion Parker daughter of a prominent banker was brazenly abducted from her junior high school in Los Angeles California in a bizarre ransom scheme Two days later the girl s dismembered remains were left behind by a brutal killer destroying a family and unnerving the entire city This caused pandemonium as the perpetrator managed to evade immediate capture leading to a manhunt by authorities unlike any in recent memory The horror of the crime was reminiscent of one 14 years earlier involving 13 year old Mary Phagan who was murdered at a pencil factory in Atlanta and 5 years later when the 20 month old son of famed aviator Charles Lindbergh was abducted from the family s New Jersey home and brutally slain The killer of Marion Parker was identified as former bank messenger William Edward Hickman a 19 year old with a score to settle and an appetite for killing The career criminal s capture trial and ultimate fate captured the public s imagination while putting attention on the age old vulnerability of children in this country targeted by child predators and the often tragic consequences that rings true to this day Included with the story are bonus excerpts of R Barri Flowers bestselling true crime shorts *Murder at the Pencil Factory* and *Mass Murder in the Sky* as well as an excerpt of the author s international bestselling true crime book *The Sex Slave Murders* *Howz Murder for an Experiment* Soumeek Chowdhuri,2021-01-22 Two deaths in quick succession have disturbed the peace of UCMSR a medical research institute located near a tribal belt Disillusioned with his profession young Anglo Bengali forensic pathologist Ryan Ray does an autopsy on a young man who is an activist medical student allegedly killed by intentional medical negligence but can find nothing amiss Ryan is catapulted into an exciting investigation concerning fudging and corruption of clinical trials in an investigation in the institute that proves to be a turning point in his life He stumbles upon two other mysterious deaths and it seems someone is on a murder spree to preserve a secret related to the clinical trials conducted at UCMSR The clinical trials are a tremendous money spinner and the institute it seems will go to any length to keep them going With a dogged inspector Sen Ryan tries to get to the centre of the web following a trail of fresh forensic evidence which can stop these murders before it is too late for the murderer is clever and fanatic who will stop at nothing **The Creekside Murder** Carol Ericson,2025-05-27 Her sister s murder was his professional downfall Now protecting her will be his redemption Crime scene investigator Jessica Eller needs Finn Karlsson s help The criminal justice expert was there ten years ago when her sister s killer confessed to the crime But now recent homicides are mimicking that horrendous murder suggesting that the real culprit is still at large And then Jessica is targeted forcing Finn to play the killer s games in his attempts to protect the woman he s grown to love From Harlequin Intrigue Seek thrills Solve crimes Justice served Discover more action packed stories in the Pacific Northwest Forensics series All books are stand alone with uplifting endings but were published in the following order Book 1 *The Creekside Murder* **Ragdoll** Daniel Cole (Novelist),2017 A body is discovered with the dismembered parts of six victims stitched together nicknamed by the press as the Ragdoll Assigned to the shocking case are Detective William Wolf Fawkes recently reinstated to the London Met and his former partner Detective Emily Baxter The

Claus von Bülow type cases prove the exception rather than the rule. For the most part the public's perception of garden variety murder trials quickly becomes only memory's ashes strewn sparsely on the fields of public awareness. Brought to life by the prosecutor who tried the six everyday murders narrated here—three in Manhattan and three in San Francisco—these true stories prove redolent with drama encapsulating raw human emotions that often impel man to murder: greed, lust, jealousy, hatred, as well as mere folly, and actually are quite extraordinary in their own context. Sit at the prosecution's table with masterful prosecutor Hugh Anthony Levine as he represents the People of the State of New York or the People of the State of California in the trials of some everyday murders.

The New York Stories of O. Henry O. Henry, 2019-08-14 With East Side tenements, Wall Street offices and Fifth Avenue as their backdrops, these colorful tales by a master storyteller recount the dreams and passions of New Yorkers at the turn of the twentieth century. As O. Henry (William Sydney Porter, 1862-1910) wrote more than 600 short stories, many of them situated amid the bustle of Manhattan. This collection presents 23 of his best, offering an abundance of wit and irony along with his trademark surprise endings. Selections include *The Duel* in which the author explains that every transplant to New York City must either conquer or be conquered by the metropolis; *What You Want*, an exploration of whether or not money can buy happiness; and *Proof of the Pudding*, a test of the most realistic way to respond to bad news. Coincidence and fate figure prominently in these moving narratives, which are marked by their keenly observed details and peopled by memorable characters whose dialogue is rich in zesty slang.

The Relic Murders (Tudor Mysteries, Book 6) Paul Doherty, 2012-11-27 A blunder draws Roger into the shadowy underworld of Tudor London. In his sixth journal, *The Relic Murders*, Roger Shallot must race against time to find the Orb of Charlemagne and to save his own neck. Paul Doherty's Tudor mysteries are perfect for fans of Ellis Peters and C. J. Sansom. In the autumn of 1523, Roger Shallot, self-proclaimed physician, rogue charlatan, and secret emissary of King Henry VIII, has nothing to do. His master, Benjamin Daubey, has been sent to Italy on a diplomatic mission, leaving him in charge of their manor outside Ipswich. Shallot is forbidden both to practise the art of medicine and to approach the beautiful Miranda. Taking to reading, discovering the potential wealth which can be accrued by the finding and selling of true relics, he goes in search of his own. Almost immediately he is in trouble and in prison. Rescued by the return of his master and the influence of Cardinal Wolsey, Shallot finds himself at court where he is ordered by the King and Cardinal to break the law to steal back for the crown the Orb of Charlemagne, now under close guard at the priory at Clerkenwell. Benjamin and Roger have no choice but to agree to the task. Before long they are drawn not only into the shadowy underworld of Tudor London and the illegal trade of relics but also into murder and blackmail. What readers are saying about *The Relic Murders*: The most exciting and best written of the six Shallot journals and well worth reading. This series has been consistently absorbing, fascinating, funny, and thrilling, and *The Relic Murders* is no different. Pacey mysteries with cunning plot twists and lots of action.
