bewildered mother and childhood friends Jo Bunsell was one such friend and soon the pair would be transported into a shared universe of preposterous and badly designed monsters and non stop adventure with their extraordinary and strangely named hero Cabin Release Goodman and Bunsell open up their archive of materials and memories and take you on a roller coaster ride into their world Magnet Memories is an episode guide a frank critical incredulous and nostalgic reflection a snapshot of childhood in the 70s and 80s and it s possibly the most wonderfully bonkers cult TV book ever published 003 qi longpantian,2025-01-21 Whether it is a small family or a big family there are people who are in awe of him and even admire him Luminous Chaos Jean-Christophe Valtat,2013-10-15 Book two in The Mysteries of New Venice the steampunk adventure series The Guardian called a magnificent achievement It s 1907 in the icily beautiful New Venice and the hero of the city s liberation Brentford Orsini has been deposed by his arch rival who immediately assigns Brentford and his friends on a dangerous diplomatic mission to Paris So Brentford recruits his old friend and louche counterpart Gabriel d Allier underground chanteuse and suffragette Lillian Lake and the mysterious Blankbate former Foreign Legionnaire and leader of the Scavengers the city s garbage collecting cult and others for the mission But their mode of transportation the untested transaerian psychomotive proves faulty and they find themselves transported back in time to Paris 1895 before New Venice even existed What s more it s a Paris experiencing an unprecedented and crushingly harsh winter They soon find themselves involved with some of the city s seediest most fascinating inhabitants But between attending soirees at Mallarm s house drinking absinthe with Proust trying to wrestle secrets out of mesmerists and making fun of the newly constructed Eiffel Tower they also find that Paris is a city full of intrigue suspicion and danger For example are the anarchists they encounter who are plotting to bomb the still under construction Sacre Coeur church also the future founders of New Venice And why are they trying to kill them And as Luminous Chaos turns into another lush adventure told in glorious prose rich in historical allusion there s the biggest question of them all How will they ever get home ebook ISBN 978 1 61219 142 3 Savage Grace Jay Griffiths,2015-03-17 Jay Griffiths is a tour guide for anyone who has ever wished to commune with the side of our human psyche that remains in touch with the wild Equally at home among the sea gypsy Bajo people who live off the coast of Thailand and forage their food from the ocean floor drinking the psychedelic ayahuasca plant with Amazonian shamans or joining an Inuit whale hunt at the northern tip of Canada Griffiths takes readers on an adventure both charted and un chartable She divides her meditations on these travels into sections named after the ancient elemental properties of the universe Earth Air Fire Ice and Water because her subject matter is not merely the places traveled to but the depths of mind and the cultural narratives revealed by place It is a universal story told of far flung groups of humans with vastly different ways of life connected through the varied wilderness that sustains them By describing the ways in which human societies and the human mind have developed in response to the wilder elements of our homelands Savage Grace reveals itself as a benediction for the emotional intellectual and physical nourishment that people continue to draw from the natural world
