Rage Within Anger In Modern Life:

The Rage Within Willard Gaylin, 1989 Anger, Madness, and the Daimonic Stephen A. Diamond, 1996-01-01 Explores the links between anger rage violence evil and creativity and describes a dynamic therapeutic approach that can help channel anger and violent impulses into constructive and creative activity **A World Ignited** Martin Tolchin, Susan J. Tolchin, 2007-10-30 A World Ignited is about the surge of anger that has swept the world in the last decade its myriad causes its toll in lives and human misery The authors conclude this important and timely book in an upbeat manner with a look at the politics of hope and what can be done to halt and even reverse this cacophony of hate *Forgiveness and Revenge* Trudy Govier, 2011-02-25 Forgiveness and Revenge is a powerful exploration of our attitudes to serious wrongdoings and a careful examination of the values that underlie our thinking about revenge and forgiveness From adulterous spouses to terrorist factions we are surrounded by wrongdoing yet we rarely agree which response is appropriate The problem of how to respond realistically and sensitively to the wrongs of the past remains a perplexing one Trudy Govier clarifies our thinking on this subject by examining the moral and practical impact of revenge and forgiveness both personal and political Forgiveness and Revenge offers much needed clarity and reason where emotions often prevail It is essential reading for anyone interested in the ethics of attitudes to wrongdoing Angry White Men Michael Kimmel, 2017-04-25 One of the headlines of the 2012 Presidential campaign was the demise of the white American male voter as a dominant force in the political landscape On election night four years later when Donald Trump was announced the winner it became clear that the white American male voter is alive and well and angry as hell Sociologist Michael Kimmel one of the leading writers on men and masculinity in the world today has spent hundreds of hours in the company of America's angry white men from white supremacists to men's rights activists to young students In *Angry White Men* he presents a comprehensive diagnosis of their fears anxieties and rage Kimmel locates this increase in anger in the seismic economic social and political shifts that have so transformed the American landscape Downward mobility increased racial and gender equality and a tenacious clinging to an anachronistic ideology of masculinity has left many men feeling betrayed and bewildered Raised to expect unparalleled social and economic privilege white men are suffering today from what Kimmel calls aggrieved entitlement a sense that those benefits that white men believed were their due have been snatched away from them *Angry White Men* discusses among others the sons of small town America scarred by underemployment and wage stagnation When America's white men feel they've lived their lives the right way worked hard and stayed out of trouble and still do not get economic rewards then they have to blame somebody else Even more terrifying is the phenomenon of angry young boys School shootings in the United States are not just the work of misguided youth or troubled teens they're all committed by boys These alienated young men are transformed into mass murderers by a sense that using violence against others is their right The election of Donald Trump proved that angry white men can still change the course of history Here Kimmel argues that they should walk openly and honorably

alongside those they've spent so long trying to exclude in order to be happier and healthier

The Criminology of Boxing, Violence and Desistance Deborah Jump, 2021-04-07 This perceptive study explores the extent to which boxing has the potential to reduce violent attitudes among young offenders Jump assesses conflicting evidence and presents in depth case studies of fighters to ask whether boxing's values of discipline and respect can create a support network that helps young men refrain from reoffending

Leadership by Resentment Ruth Capriles, 2012-01-01 What do such disparate events as Occupy Wall Street Iran's Islamic revolution and Venezuela's socialist revolution have in common Often resentment based on past grievances or shortcomings seems to emerge from the depths of individual and collective psyches over the course of such emotionally charged movements This resentment and the related philosophical concept of ressentiment can have a profound impact on the course of history and on the role of leadership within societies Expanding on the concept of ressentiment this book addresses the importance of emotions in historical events The author explores the conditions that foster the development of ressentiment the role of leaders and followers and the phases of the phenomenon as it encourages destructive behaviors such as murder and suicide Often considered an incurable disease with destructive social and political repercussions it is a core motive for acts of terrorism revolutions social upheavals and processes of toxic leadership The author puts forth a model that helps to describe certain historical processes led by ressentiment like some revolutions and terrorist acts and to distinguish them from other movements that are usually treated as similar e.g independence revolutions The book then tackles a seemingly impossible question Can we find a cure for this powerful and destructive impulse With care and deliberation the author demonstrates the power of ethical leadership recognition and redemption as positive unifying forces during human conflicts A philosophical endeavor to understand events from the Boston Tea Party to Occupy Wall Street from the French revolution to Hugo Chavez's revolution in Venezuela this book will be fascinating reading for scholars and students of the social sciences and humanities and those with a particular interest in leadership

The Angry Christian Andrew D. Lester, 2003-04-30 In this work respected scholar Andrew Lester discusses and incorporates the newest behavioral research models contemporary biblical and theological scholarship constructivist philosophy and narrative theory into a comprehensive pastoral theology of anger In revisiting through the lens of theological anthropology the very subject that brought him to the forefront of scholarship in pastoral care Lester presents engaging new material and innovative new methods of interventions for dealing with this often confusing human emotion

the Kardeners in Breaking Free How Chains From Childhood Keep Us From What We Want Why do our best intentions so often go awry What prompts people to engage in behaviors that have the opposite outcome from what they wished to have happened What attracts us to our mates and then alienates us from them only to find similar difficulties in subsequent relationships How and why do we get in our own way of success What contributes to distress within a person between people communities and nations

United States Foreign Policy and the Prospects for Peace Education Carl

Mirra,2008-03-31 In light of the United States age of terrorism and the controversial involvement in the war in Iraq U S policies toward diplomatic peace education are coming under increasing scrutiny This book evaluates the prospects for effective U S peace education in the context of post 1945 U S foreign policy The work first documents the disparity between U S pronouncements about protecting human rights and the country s systematic erosion of those rights in the international arena Second it evaluates the challenges that the war on terrorism poses for peace education and explores the importance of international treaties in upholding security A final section explores new ways of thinking and relating that are ultimately necessary for the realization of nonviolent peacekeeping efforts Designed as a resource text for U S educators the text offers concrete proposals for addressing contentious foreign policy issues in the classroom and includes an appendix of primary documents and sample questions for easy use

The Spiritual Anatomy of Emotion Michael A. Jawer,2009-05-21 A

cutting edge examination of feelings not thoughts as the gateway to understanding consciousness Contents that emotion is the greatest influence on personality development Offers a new perspective on immunity stress and psychosomatic conditions Explains how emotion is key to understanding out of body experience apparitions and other anomalous perceptions Contemporary science holds that the brain rules the body and generates all our feelings and perceptions Michael Jawer and Dr Marc Micozzi disagree They contend that it is our feelings that underlie our conscious selves and determine what we think and how we conduct our lives The less consciousness we have of our emotional being the more physical disturbances we are likely to have from ailments such as migraines fibromyalgia chronic fatigue and post traumatic stress to anomalous perceptions such as apparitions and involuntary out of body experiences Using the latest scientific research on immunity sensation stress cognition and emotional expression the authors demonstrate that the way we process our feelings provides a key to who is most likely to experience these phenomena and why They explain that emotion is a portal into the world of extraordinary perception and they provide the studies that validate the science behind telepathic dreams poltergeists and ESP The Spiritual Anatomy of Emotion challenges the prevailing belief that the brain must necessarily rule the body Far from being by products of neurochemistry the authors show that emotions are the key vehicle by which we can understand ourselves and our interactions with the world around us as well as our most intriguing and perennially baffling experiences

Violent Emotions Suzanne M. Retzinger,1991-06-28

Broken family bonds can be one of the most intense sources of conflict This book which provides vital insights into the dynamics of family and other forms of violence explores the damage

caused to familial and social bonds by escalating feelings of shame during marital quarrels Theories and research from large scale conflict marital dispute and communication processes are reviewed and provide a background for Retzinger s new integrative theory which focuses on social bonds The theory is applied to four case studies of marital quarrels in order to advance understanding of the escalation and resolution of conflict The book includes a description of an intensive case study method for analyzing discourse and provides Decline and Discontent Paul Hollander,1998 **For Cause and Comrades** James M. McPherson,1997-04-03 Why did the soldiers of the Civil War Confederate and Union risk their lives through countless bloody battles and four long awful years It is to this question why did they fight that James McPherson America s preeminent Civil War historian turns his attention Drawing on more than 25 000 uncensored letters and nearly 250 private diaries from men on both sides McPherson shows that contrary to what many scholars believe the soldiers of the Civil War remained powerfully convinced of the ideals for which they fought throughout the conflict For Cause and Comrades lets these soldiers tell their own stories in their own words in a deeply moving exploration of why they fought this war

Shocking True Stories of Citizens Who Took the Law Into Their Own Hands Gary Provost,2015-12-17 AN EYE FOR AN EYE They are battered women grieving parents and burglarized homeowners who responded to criminal violence by taking the law into their own hands Their cases have struck a deep chord in American society Are they victims of a failing judicial system or criminals themselves True crime writer Gary Provost examines the stories of ordinary citizens who have taken on the roles of judge jury and sometimes executioner Are their acts a higher form of justice or merely revenge You decide Bernhard Goetz who shot four teenagers when they approached him on a subway train and demanded money The young man who gunned down his own friend for killing his teenaged sister in a drunk driving accident The mother who risked her life to track down and apprehend her daughter s rapist Grambo the Dallas grandmother who held a burglar at gunpoint for forty five minutes while waiting for the police The battered wife who hired a hit man to murder her husband after seventeen years of abuse Fascinating penetrating and chilling Into Their Own Hands is a controversial and thought provoking look at what s wrong with crime and punishment in America today and what happens when victims don t just get mad they get even **Hatred** Willard Gaylin,2009-04-27 We all get angry at the built in frustrations and humiliations of everyday life But few of us ever experience the intense and perverse hatred that inspires acts of malignant violence such as suicide bombings or ethnic massacres In Hatred Dr Willard Gaylin one of America s most respected psychiatrists describes how raw personal passions are transformed into acts of violence and cultures of hatred Such hatred goes beyond mere emotion Hatred Gaylin explains is a psychological disorder a form of quasi delusional thinking It requires forming a passionate attachment an obsessive involvement with the scapegoat population It is designed to allow the angry and frustrated individual to disavow responsibility for his own failures and misery by directing it towards a convenient victim Gaylin dissects the mechanisms by which cynical political and religious leaders manipulate frustrated and deprived people

leading to the acts of mass terror that threaten us all Step by step he leads us into an understanding of the psychological pathway to acts of terrorism an understanding that is an essential to survival in a world of hatred Hatred is a masterwork in Willard Gaylin s life long study of human emotions Writing for the educated lay audience in the eloquent accessible language of his bestsellers *Feelings* and *Rediscovering Love* he takes us to the very roots of hatred *Hearths of Darkness* Tony Williams,2014-11-27 *Hearths of Darkness* The Family in the American Horror Film traces the origins of the 1970s family horror subgenre to certain aspects of American culture and classical Hollywood cinema Far from being an ephemeral and short lived genre horror actually relates to many facets of American history from its beginnings to the present day Individual chapters examine aspects of the genre its roots in the Universal horror films of the 1930s the Val Lewton RKO unit of the 1940s and the crucial role of Alfred Hitchcock as the father of the modern American horror film Subsequent chapters investigate the key works of the 1970s by directors such as Larry Cohen George A Romero Brian De Palma Wes Craven and Tobe Hooper revealing the distinctive nature of films such as *Bone It s Alive* *God Told Me To* *Carrie* *The Exorcist* *Exorcist 2* *The Texas Chainsaw Massacre* as well as the contributions of such writers as Stephen King Williams also studies the slasher films of the 1980s and 1990s such as the *Friday the 13th* series *Halloween* the remake of *The Texas Chainsaw Massacre* and *Nightmare on Elm Street* exploring their failure to improve on the radical achievements of the films of the 1970s After covering some post 1970s films such as *The Shining* the book concludes with a new postscript examining neglected films of the twentieth and early twenty first century Despite the overall decline in the American horror film Williams determines that far from being dead the family horror film is still with us Elements of family horror even appear in modern television series such as *The Sopranos* This updated edition also includes a new introduction **The Quintessential Zerka** Zerka T Moreno,2013-05-13 *The Quintessential Zerka* documents the origins and development of the theory and practice of psychodrama sociometry and group psychotherapy through the work and innovation of its co creator Zerka Toeman Moreno This comprehensive handbook brings together history philosophy methodology and application It shows the pioneering role that Zerka along with her husband J L Moreno played in the development not only of the methods of psychodrama and sociometry but of the entire group psychotherapy movement worldwide It demonstrates the extent to which Zerka s intuitive and intellectual grasp of the work combined with her superb ability to organize and synthesize continue to exert an influence on the field Toni Horvatin and Edward Schreiber have selected articles that span a career of some sixty years from Zerka s very first publication to recent previously unpublished work Personal anecdotes and poetry from Zerka herself provide a valuable context for each individual article The selection includes psychodrama it s relation to stage radio and motion pictures psychodramatic rules techniques and adjunctive methods beyond aristotle breuer and freud Moreno s contribution to the concept of catharsis psychodrama role theory and the concept of the social atom This book provides a rich source of insight and inspiration for all those interested in the history development and practice of psychodrama sociometry and group
