**Raggedy Andy Stories** Johnny Gruelle, 2021-09-19 Excerpt One day Daddy took Raggedy Ann down to his office and propped her up against some books upon his desk he wanted to have her where he could see her cheery smile all day for as you must surely know smiles and happiness are truly catching Daddy wished to catch a whole lot of Raggedy Ann's cheeriness and happiness and put all this down on paper so that those who did not have Raggedy Ann dolls might see just how happy and smiling a rag doll can be So Raggedy Ann stayed at Daddy's studio for three or four days She was missed very very much at home and Marcella really longed for her but knew that Daddy was borrowing some of Raggedy Ann's sunshine so she did not complain Raggedy Ann did not complain either for in addition to the sunny happy smile she always wore it was painted on Raggedy Ann had a candy heart and of course no one not even a rag doll ever complains if they have such happiness about them One evening just as Daddy was finishing his day's work a messenger boy came with a package a nice soft lumpy package Daddy opened the nice soft lumpy package and found a letter Gran ma had told Daddy long before this that at the time Raggedy Ann was made a neighbor lady had made a boy doll Raggedy Andy for her little girl who always played with Gran ma And when Gran ma told Daddy this she wondered whatever had become of her little playmate and the boy doll Raggedy Andy After reading the letter Daddy opened the other package which had been inside the nice soft lumpy package and found Raggedy Andy Raggedy Andy had been carefully folded up His soft lumpy arms were folded up in front of him and his soft lumpy legs were folded over his soft lumpy arms and they were held this way by a rubber band Raggedy Andy must have wondered why he was being done up this way but it could not have caused him any worry for in between where his feet came over his face Daddy saw his cheery smile After slipping off the rubber band Daddy smoothed out the wrinkles in Raggedy Andy's arms and legs Then Daddy propped Raggedy Ann and Raggedy Andy up against books on his desk so that they sat facing each other Raggedy Ann's shoe button eyes looking straight into the shoe button eyes of Raggedy Andy They could not speak not right out before a real person so they just sat there and smiled at each other Daddy could not help reaching out his hands and feeling their throats Yes There was a lump in Raggedy Ann's throat and there was a lump in Raggedy Andy's throat A cotton lump to be sure but a lump nevertheless So Raggedy Ann and Raggedy Andy that is why you cannot talk is it said Daddy I will go away and let you have your visit to yourselves although it is good to sit and share your happiness by watching you Daddy then took the rubber band and placed it around Raggedy Ann's right hand and around Raggedy Andy's right hand so that when he had it fixed properly they sat and held each other's hands Daddy knew they would wish to tell each other all the wonderful things that had happened to them since they had parted more than fifty years before So locking his studio door Daddy left the two old rag dolls looking into each other's eyes The next morning when Daddy unlocked his door and looked at his desk he saw that Raggedy Andy had fallen over so that he lay with his head in the bend of Raggedy Ann's arm When Raggedy Andy was first brought to the nursery he was very quiet Raggedy Andy did not

speaking all day but he smiled pleasantly to all the other dolls There was Raggedy Ann the French doll Henny the little Dutch doll Uncle Clem and a few others Some of the dolls were without arms and legs One had a cracked head She was a nice doll though and the others all liked her very much All of them had cried the night Susan that was her name fell off the toy box and cracked her china head Raggedy Andy did not speak all day But there was r **Raggedy Ann's Lucky Pennies -**
