Raging Heart:

Raging Heart: The Intimate Story of the Tragic Marriage of O.J. and Nicole Brown Simpson Sheila Weller, 2016-03-04 Raging Heart is so revealing that the book itself became part of the actual O J Simpson murder trial. It is the only book to trace the path of O J and Nicole's fatal love story through the eyes of the people who really knew them. Acclaimed journalist Sheila Weller gained the unprecedented cooperation of Nicole Brown Simpson's family and had exclusive access to O J and Nicole's friends who reveal private information here for the first time. Though the story that unfolds in Raging Heart was never fully explored in court, the revelations from its incisive reporting sent shock waves through the trial. Raging Heart is full of explosive information from people who knew but couldn't or wouldn't tell their stories on the witness stand. As vivid as a home movie, Raging Heart is an explicit heartrending look behind the verdict of the century and the one book the O J Simpson jurors would be astonished to read. *The Wholehearted Woman* Laura Knutson, 2023-03-14 A woman's heart is unique in all of creation. Defining the heart as the inner fountain of passion, thought, and purpose, Laura Knutson traces the value and challenges of the heart all the way back to the Garden of Eden. The Wholehearted Woman brings a compassionate and faith-filled view of identity from the perspective of a woman's heart. A compelling picture is painted of how unique and precious each woman's heart is. Beginning with Eve, Laura takes an honest look at the brokenness of women's hearts resulting from their own choices as well as the difficulties of life and the abuse of others. And then she offers rock-solid hope and vision for healing and restoration to God's original design. Sharing her own journey towards wholeheartedness and supporting her reflections with a wealth of scriptural references, The Wholehearted Woman offers us a rich handbook for understanding, embracing, and caring for our hearts. **Mind and Heart in Religion** Abraham Jaeger, 1873 Migrant hearts Isabella Abad, 2017-12-29 When Victoria, a beautiful Spanish nurse in her thirties, volunteered to work with the displaced people in the African Maghreb, she never expected her life to take such an unexpected turn. Moved to the core by the tragedy of others, it is nevertheless seen how she becomes the target of a terrorist attack. Abandoned in the desert to die, she was rescued by a Tuareg clan led by a dark mestizo, Usem. Obligated by the circumstances to live with the tribe for months, passion and desire for her savior grow in her. This was transformed into corresponded and consumed love, plus her desire to return to Europe and his obligations to his father, thereby separating and imposing between them the wall of time and distance. Being separated by miles of kilometres, they therefore remake their lives with the firm conviction that these were just the shadows of what could have been. Usem will have the worst part, facing a destiny that causes and forces him to experience the pain of uprooting, fanaticism, death, and exile. Being responsible for the fate of his clan, Usem however breaks the unity of the clan into the hands of his younger brother, Badis, who hates him. The protection of his family forces him into an exodus of hundreds of kilometers in search of a new and safe life, who will inevitably be shipwrecked. The desperation will precipitate him into the waters of the Mediterranean, with the consequent troubles and tragedies. Life will find the lovers several years later in different situations.
