storm Instead out went half the first team and Sunderland went on to lift the Championship and head off into the promised land of the Premiership Wilson tells the story not only of Sunderland s astonishing turnaround but also the transformation of their manager As a player Keane was notoriously critical of shortcomings in his team mates Yet as a manager he has inspired his side and seems a natural in the role thanks to his razor sharp wit and insight In the course of covering the Championship for the Independent and Independent on Sunday Jonathan Wilson himself a Mackem has followed Sunderland s rise closely Here he not only probes behind the scenes at The Stadium of Light and brings an in depth analysis to the club s achievement he also celebrates one of the most remarkable seasons in the club s history It is a football story as dramatic as any of recent years

and banned from the game for 10 years and the press declared open season on the manager Accused of offering bribes to throw matches his reputation was destroyed Shunned by the football establishment he died just 12 years after walking out on England Revie's death at the age of 61 robbed him of the opportunity ever to rebuild his reputation as one of the most important figures ever seen in English football The life and times of this multifaceted enigmatic pioneering football man have still never been fully explored and explained in detail before Featuring new interviews with Johnny Giles Kevin Keegan Norman Hunter Eddie Gray Allan Clarke Joe Jordan Gordon McQueen Malcolm Macdonald and members of the Revie family this long overdue biography reveals how today's football owes so much to Don Revie Danny Blanchflower Dave Bowler, 2013-05-30 The biography of Danny Blanchflower In these days of player agents corporate hospitality share options and television bonuses it's often the football the glory and the romance of the game that gets overlooked Back in the 1950s and 1960s there was no footballer in love with his trade than Danny Blanchflower An elegant and inspirational midfield force he captained the Spurs 1961 Double winning side and led Northern Ireland against the odds to the quarter finals of the 1958 World Cup Equally eloquent off the field he was no stranger to controversy writing about the game with a great clarity and passion and working tirelessly as an innovator forever trying to transform football as a spectacle for player and fan alike Drawing on extensive interviews with family friends and colleagues including Jackie Blanchflower Sir Stanley Matthews Johnny Haynes Geoff Hurst Pat Jennings and Derek Dougan Dave Bowler skilfully recounts the story of one of football's greatest thinkers and iconoclasts
