Raiders of the Lost Jock Strap Liam O'Donnell, Guy Vasolovich, 2001      **Foreign Affairs** National Society of Film Critics, 1991 For readers who loved films like *Diva* *Last Tango in Paris* *Breathless* and *Gallipoli* here is an invaluable resource for discovering more of the great international films readily available on video This encyclopedic guide provides reviews by the nation's leading critics such as Pauline Kael Andrew Sarris Roger Ebert Richard Schickel and J Hoberman Photographs

*Longhorn Hoops* Richard Pennington, Denton A. Cooley, 1998-01-01 *Longhorn Hoops* documents the history of basketball at the University of Texas For men's basketball Richard Pennington goes season by season describing every game the Longhorns have ever played from 1906 to 1998 He does the same for women's basketball except for the first two chapters which cover longer spans of time leading up to the establishment of basketball as a varsity sport for women in 1974 Pennington demonstrates that Texas basketball while always secondary to King Football actually has a long and colorful history Beside stories of games won or lost points scored and rebounds collected Pennington recalls the orange and white stars of yesteryear from Clyde Littlefield to Reggie Freeman and brings the greatest teams to life including the unbeaten Steers of 1924 the Final Four team of 1947 Harold Bradley's 1963 team Abe Lemons 1978 NIT champions and Tom Penders 1990 Longhorns Perhaps the most interesting story in *Longhorn Hoops* is how Anna Hiss director of women's physical education at Texas from 1921 to 1957 helped lead a nationwide movement against intercollegiate competition for women which shut down UT women's basketball for several decades and made progress in the 1960s and 1970s much more difficult Some determined coaches got it going again and with the energy and direction of women's athletic director Donna Lopiano and coach Jody Conradt whose teams have won more than 700 games the Longhorns built a powerhouse program that reached its apex with an undefeated team in 1986 winning the NCAA championship with the heroics of freshman star Clarissa Davis Basketball as Pennington notes in his preface is the most beautiful sport of all and its history at the University of Texas has now been told This comprehensive book features a foreword by Dr Denton Cooley the world famous heart surgeon who helped the Longhorns win an SWC title in 1939      World War I on Film Paul M. Edwards, 2016-04-11 One of the central events of modern history World War I has been poorly presented in English language films Torn between the powerful isolationist movement in the U S and a growing hatred of the Hun contemporary films were mainly propaganda calling citizens to arms The American film industry used the outbreak of the war and the government's interest in promoting patriotic sacrifice as a means to expand and take the lead in the film industry worldwide More a business model than an art form these early efforts claimed a place of respectability for film among the arts Twenty years later though films produced about the war were few they were technically superior and generally carried conflicting messages about the war's mission and value while focusing more on storyline than history This study of English Language World War I films examines nearly 350 films from 1914 to 2014 Descriptions and critiques of each of the films are included with stories and details about the

Pattison combines action period details and a whodunit with ease in his impressive third mystery set in Colonial America Publishers Weekly starred review Despite the raging war between French and British Scottish exile Duncan McCallum has begun to settle into a new life on the fringes of colonial America traveling the woodlands with his companion Conawago even joining the old Indian on his quest to find the last surviving members of his tribe But the joy they feel on reaching the little settlement of Christian Indians is shattered when they find its residents ritually murdered As terrible as the deaths may be Conawago perceives something even darker and more alarming he is convinced they are a sign of a terrible crisis in the spirit world which he must resolve Trying to make sense of the murders Duncan is accused by the British army of the crime Escaping prison to follow the trail of evidence he finds himself hounded by vengeful soldiers and stalked by Scottish rebels who are mysteriously trying to manipulate the war to their advantage As he pieces together the puzzle of violence and deception he gradually realizes that it may not only be the lives of Duncan and his friends that hang in the balance but the very survival of the native tribes When he finally discovers the terrible truth Duncan is forced to make a fateful choice between his beloved Highland clans and the woodland natives who have embraced and protected him      *Billboard* ,1994-12-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Going Long** Jeff Miller,2003 In 1959 the NFL had just a dozen teams with only two located west of the Mississippi River For 40 years it had enjoyed total
