fairly represents the opposing view his sympathies lie with those for whom the animal world embodies something to be loved and learned from rather than merely to be studied or exploited **Fodor's Caribbean 2010** Fodor's,2009-08 Maps of each Caribbean island and the Caribbean area accompany travel tips and a brief history of the islands **From Donkey'S Mouth and Other Short Stories** Subba Rao,2013-05-22 In the collection of short stories entitled From Donkeys Mouth the author assumes the name of Juggernaut to share his travel experiences on the Big Island Hawaii and living in India Caribbean and the United States In some stories as a bystander looking at the events Juggernaut discusses issues with a view that world is what it is with changes hard to come **BBC Wildlife** ,1998 **Sinophone Studies** Shu-mei Shih,2013-01-15 This definitive anthology casts Sinophone studies as the study of Sinitic language cultures born of colonial and postcolonial influences Essays by such authors as Rey Chow Ha Jin Leo Ou fan Lee Ien Ang Wei ming Tu and David Wang address debates concerning the nature of Chineseness while introducing readers to essential readings in Tibetan Malaysian Taiwanese French Caribbean and American Sinophone literatures By placing Sinophone cultures at the crossroads of multiple empires this anthology richly demonstrates the transformative power of multiculturalism and multilingualism and by examining the place based cultural and social practices of Sinitic language communities in their historical contexts beyond China proper it effectively refutes the diasporic framework It is an invaluable companion for courses in Asian postcolonial empire and ethnic studies as well as world and comparative literature **MEMORY SPROUTS I** SATHEESAN RANGORATH,2019-08-12 Poetry came to me as a shy girl dressed in sweet shades and glow She winked at me seduced me and unaware I fell in love with her Holding hands we trekked many terrains visited wonderlands and monuments on earth Come let me carry you in my hands like a dream You will love to explore my pages **Jagua, A Journey Into Body Art from the Amazon** Carine Jr. Fabius,2013-02 In search of the jagua fruit author Carine Fabius takes readers on a journey into the deepest realms of the Amazon jungle where a prized tattoo ink weaves magical tales into the heart and culture of the region s indigenous people Written in a breezy engaging style the book includes 40 pages of gorgeous color photographs including contributions by noted documentary photographer and travel writer Cristina Mittermeier Over 25 black white photographs and illustrations The author s personal account of her and her artist explorer husband s journey into the world of temporary body art beginning with henna and culminating with the discovery of the jagua fruit s promise to deliver a beautiful tattoo that looks real yet fades after two weeks Excerpts from her husband Pascal Giacomini s diary as he travels on a motorized dugout canoe into the deepest reaches of the jungle where he spends weeks with an indigenous group called the Matsigenka Brief histories of various indigenous groups associated with jagua Personal and insightful essays by veteran explorers and lovers of the Amazon Information on the medicinal and mystical properties of the jagua fruit Magical tales and beliefs surrounding this extraordinary fruit A short history of tattoos A short history of ink Frequently asked questions and answers of course about jagua tattoos Overview of the Amazon the Indians that populate the area and issues that currently dominate throughout the
