**Murky Passions and Scandals (A Raina Sun Mystery)** Anne R. Tan, 2017-10-06 **The Ebony Exodus Project** Candace R. M. Gorham, 2014-07-01 Black women are the single most religious demographic in the United States yet they are among the poorest, least educated, and least healthy groups in the nation. Drawing on the author's own past experience as an evangelical minister and her present work as a secular counselor and researcher, *The Ebony Exodus Project* makes a direct connection between the church and the plight of black women. Through interviews with African American women who have left the church, the author reveals the shame and suffering often caused by the church and the resulting happiness, freedom, and sense of purpose these women have felt upon walking away from it. This book calls on other black women to honestly reflect on their relationship with religion and challenges them to consider that perhaps the answers to their problems rest not inside a church but in themselves.
