With My Hand in His Heather Tuttle, 2020-09-22 When I was experiencing my first semesters of college the professors would hand out a syllabus outlining what would be expected of me to accomplish in class throughout that semester As I read through each one my heart would pound and my hands would sweat as I felt my inadequacy in meeting the requirements for the class I saw that I clearly lacked the knowledge experience and skills to be successful and it made me want to turn and run from the classroom However with time I learned that by the time each assignment was due I had been given what I needed in order to successfully meet those requirements no matter the difficulty I believe Heavenly Father has a plan for each of us a syllabus of sorts Part of his plan includes facing unimaginable trials things we would exclaim we could never do never endure It is with and through these challenges that if we allow God grows and strengthens us giving us power to endure and making us more than we thought we could be Each challenge acts as a springboard which moves us to another level of ability in forgiveness patience faith empathy gratitude humility prayer and so many more attributes and skills This book contains my stories of trial faith and miracles in my son Jonah's fight to live and heal after a life threatening traumatic brain injury which left him in a coma It also contains those earlier experiences of my life that the Lord used to build my abilities to endure strengthen my relationship with Him and teach me how He moves and communicates with me in my life Whoever said God doesn't give us anything we can't handle was so very wrong We are given many things we couldn't possibly endure without our Heavenly Father walking beside us guiding us and strengthening us to bear those things we couldn't possibly imagine we could These stories are of my very profound and tender walk with the Lord with my hand in His
