

A Rainbow
(sing to "My Bonnie Lies Over the Ocean")

A rainbow is formed by the sunlight,
Shining through rain drops so small.
The rain bends the light from the sunshine,
And colors the sky for us all.

Red, orange, yellow, green,
Blue, in-di-go, violet is what we see.
Rain-bow colors,
Are made with light bending you see!

Poems of the Heart Will Amacher,2025-01-10 I personally believe that God desires for all of us to walk with Him in the garden that He designed before us as Adam did in the day where he can come before God and enjoy the presence of the Lord Even in the cool of the day where Adam spent time with the Lord face to face there was a thorn among this beautiful garden We all know that this thorn as the tree where God told them not eat of it As Christians and unbelievers desiring to join God in our gardens we each have to deal with different thorns So as people going through life each at different levels many of us struggle with different thorns These thorns like to tear us down and to bring us to a place where we lose focus on spending time with God in our gardens We all need to come to a place where we can allow God to speak to us and it is my prayer that these words of poetry of inspiration of love faith and of the Word causes you to declare your victory over every thorn that tries to draw blood from you Let these words of love bring you back into the garden where you can enjoy your walk with God your Heavenly Father and experience His amazing love toward you He is waiting for in the cool of the day in your garden
