Silence and Noise Ivan Richmond,2010-06-15 A fresh new voice in American Buddhism a twenty nine year old raised among Buddhists in California offers wisdom for both longtime practitioners and a new generation of students in this fascinating memoir of his Zen upbringing Over half a century ago when the first Zen Masters came to America eager young students in search of enlightenment flocked to hear their teachings Many like Ivan Richmond s parents became Buddhist teachers themselves while raising their children at monasteries and retreat centers Growing up in the seventies in the deliberate silence of a Buddhist community young Ivan knew only the hippies and redwoods of Northern California When his family left in 1983 he became an immigrant in his own country suddenly entering a mainstream society that was full of paradox and pop culture uncertainty and noise This is the story of his struggle to find peace amidst the chaos Whether dispensing kernels of Buddhist insight taught to him as a child or reflecting on the merits of rock concerts

Richmond narrates his emergence from seclusion with a sensitivity that is often touching frequently funny and always honest The story of the powerfully resonant journey of this foot soldier in the front lines of American Buddhism is an essential read for anyone interested in the current state of Zen in America Ain't Misbehaving Jennifer Greene,2010-11-15 Mitch Cochran had been kept from enjoying life to its fullest but he s now ready for all love has to offer He wants much more than just a casual encounter though He s looking for love and Kay Sanders is the real thing But when he learns she s a sex ed teacher Mitch worries that he ll be unable to live up to the expectations of this very passionate woman Kay can tell Mitch is hiding something and the less he volunteers about his past the more intrigued she becomes Despite kisses that could tempt Kay to go against her own rule of no sex without commitment Mitch ends each date like the perfect gentleman Kay soon realizes that if she wants to move their budding relationship to the next level she s going to have to take matters into her own hands Previously published 57 000 words Books in Print ,1991 **Home Learning Year by Year, Revised and Updated** Rebecca Rupp,2020-01-21 A comprehensive guide to designing homeschool curriculum from one of the country s foremost homeschooling experts now revised and updated Homeschooling can be a tremendous gift to your children a personalized educational experience tailored to each kid s interests abilities and learning styles But what to teach and when and how Especially for first time homeschoolers the prospect of tackling an annual curriculum can be daunting In Home Learning Year by Year Rebecca Rupp presents comprehensive plans from preschool through high school covering integral subjects for each grade with lists of topics commonly presented at each level recommended resource and reading lists and suggestions for creative alternative options and approaches Included along with all the educational basics are techniques and resources for teaching everything from philosophy to engineering as well as suggestions for dealing with such sensitive topics as sex education Now revised throughout with all new updates featuring the most effective and up to date methods and reading guides to homeschool your child at all ages Home Learning Year by Year continues to be the definitive book for the homeschooling parent Living With Kids Eugenia Santiesteban,2003 Revealing how to decorate and organize the entire home to help adults and kids coexist in harmony and in style this book covers storing and organizing kidsU stuff so it doesn t take over the house and presents clever ways of establishing an environment that s adaptable to the ever changing needs of growing children **Enchanting Shaula Pearl** Geila Jones,2015-08-03 Geila takes you on a wild and incredible journey of love joy and healing and straight into the heart and soul of Shaula Pearl who survived a horrific existence of abuse and neglect To truly enchant her it took the magic of belief a fearless enchantment plan and support from the angelic realms opening doorways to the spirit world The luminous glow of divine guidance poured in helping Shaula Pearl rise above her most frightening memories Within a year she was no longer stiff and afraid of everything crammed into a small closet Also she found joy It manifested in such an amazing and unexpected way it leaves you in awe of the divine power of love and the value of all journeys Shaula Pearl glows with spiritual messages reminding us that all souls deserve their joyful inheritance
