**Raindrops and Orange Juice** Jaclyn M. Costello, 2001-08-28 He was an aspiring basketball star She the resident scholar Shawn and Harley Randall had grown close over the years mostly because of the way their father's job tended to drag them all over the continent But this time it was different and no one can understand why Even ocean front property that boasted a breathtaking view of Pacific sunrises and sunsets couldn't lift the smothering confusion and anxiety that troubled both of them nor did Jack Randall's short fuse help Somehow the brother and sister pair must find a way to adjust to this seemingly perfect world while sorting through the pages of adolescence to find peace again with a little help from their friends

**Reflections on Raindrops** Jeanie T. Roberts, 2017-02-02 Be careful what you pray for The first week in January 2005 a family's prayers for direction were answered Reflections on Raindrops by Jeanie T Roberts is the memoir of a couple in their sixties who delay retirement dreams to care for parents with dementia With only eighteen years between their ages Jeanie and her mother had grown up together It was natural that Jeanette should surrender her battle with the advancing stages of Alzheimers disease to her daughter and son in law Their story is often painful sometimes humorous and authentically coupled with survival tips learned during their on job training Gene and Jeanie were aware that dealing with the mental and physical deterioration accompanying her mother's fight with Alzheimers disease would be difficult but they had not recognized the challenges arising from her step father's advancing vascular dementia As her parents regressed from familiar functioning adults into childlike strangers Gene and Jeanie drew on strategies learned while teaching and coaching sometimes reluctant teens The story of their ten years together is enriched by poems Jeanie wrote during times of mounting stress along with scripture references that would help them mold their struggles into victories
