Return From The River Kwai:

Return from the River Kwai Joan Blair, Clay Blair, 1979 *Return from the River Kwai* Joan Blair, Clay Blair, 1979 Drawing from their interviews with the few survivors the Blairs tell of the Allied prisoners of war who were aboard two Japanese ships sunk by American submarines **Return from the River Kwai** Joan Blair, Clay Blair, 1980-12-01 **Return From the River Kwai** Joan and Clay Blair (Jr), 1979 **Death on the Hellships** Gregory F Michno, 2016-07-15 Now available in paperback *Death on the Hellships* chronicles the true dimensions of the Allied POW experience at sea It is a disturbing story many believe the Bataan Death March even pales by comparison Survivors describe their ordeal in the Japanese hellships as the absolute worst experience of their captivity Crammed by the thousands into the holds of the ships moved from island to island and put to work they endured all the horrors of the prison camps magnified tenfold Gregory Michno draws on American British Australian and Dutch POW accounts as well as Japanese convoy histories declassified radio intelligence reports and a wealth of archival sources to present a detailed picture of the horror **Hellships Down** Michael Sturma, 2021-03-18 On 12 September 1944 a wolfpack of U S submarines attacked the Japanese convoy HI 72 in the South China Sea Among the ships sunk were two carrying Allied prisoners of war Men who had already endured the trials of Japanese captivity faced a renewed struggle for survival at sea This book tells the broader story of the HI 72 convoy through the stories of two survivors Arthur Bancroft who was rescued by an American submarine and Charles Rowley Richards who was rescued by the Japanese The story of these men represents the thousands of Allied POWs who suffered not only the atrocious conditions of these Japanese hellships but also the terror of friendly fire from their own side s submarines For the first time the personal political and legal aftermath of these men s experiences is fully detailed At its heart this is a story of survival Charting the survivors fates from rescue to their attempts at retribution this book reveals the trauma that continued long after the war was over **Japanese Prisoners of War** Philip Towle, Margaret Kosuge, Yoichi Kibata, 2000-01-01 During the Second World War the Japanese were stereotyped in the European and American imagination as fanatical cruel and almost inhuman This view is unhistorical and simplistic It fails to recognise that the Japanese were acting at a time of supreme national crisis and it fails to take account of their own historical tradition The essays in *Japanese Prisoners of War* by both Western and Japanese scholars explore the question from a balanced viewpoint looking at it in the light of longer term influences notably the Japanese attempt to establish themselves as an honorary white race The book also addresses the other side of the question looking at the treatment of Japanese prisoners in Allied captivity [The Thailand-Burma Railway, 1942-1946: Documents, post-war accounts, maps, and photographs](#) Paul H. Kratoska, 2006 **Ships from Hell** Raymond Lamont-Brown, 2002-01-28 This is a new and frightening insight into Japanese atrocities in the Second World War The horrific conditions aboard hellships at sea are revealed including the torture disease and massacre which characterised them *USS Pampanito* Gregory F Michno, 2016-01-12 Most World War II submarine stories are glorifications of war written by

submarine captains about their own boats But the USS Pampanito was not a typical submarine The sub and its crew caused plenty of destruction but they found the pinnacle of their honor and fame in a dramatic sea rescue Gregory F Michno relates the experiences of the crewmen both enlisted men and officers who served on the USS Pampanito The Pampanito story begins with the boat s construction in 1943 continues through its six combat missions and concludes with its decommissioning after the war in 1945 The heart of the book is the September 12 1944 attack on a Japanese convoy carrying English and Australian POWs from the Burma Siam Railway of Bridge on the River Kwai fame to prison camps in Japan The Pampanito helped sink two of the prison ships unwittingly killing hundreds of Allied soldiers but then returned to rescue the survivors The crew picked a record seventy three men from the sea
