Return Of Comanche John:

The Return of Comanche John Dan Cushman, 2003 If Comanche John has a last name no one knows it and it is not mentioned in the one hundred or so verses of the ballad composed about him On a wagon train of farmers bound for Idaho enmity erupts between Comanche John and Dave Royal who is in league with a band of Indians planning to attack the wagon train When the wagon master is killed Comanche John is framed for the murder and the wagoners are incited to string him up not only because of the murder but just as much because of his unsavory reputation as an outlaw Back cover *Sketches from the Five States of Texas* A. C. Greene, 1998 When veteran columnist A C Greene turns his eyes on Texas he sees a variety of experiences and a scope of history that fascinate the rest of us Under its annexation terms Texas is allowed to divide itself into as many as six states While that is not ever likely to happen Greene masterfully shows that several cultural states do exist within the one political entity of Texas and have throughout the state s history Greene has a wide ranging curiosity about the facts of Texas history what lies behind them what quirks of human nature they reveal how the people who lived them might have experienced them roads not taken and why things have come to be as they are His historical writing has helped make Texas past accessible and even interesting to the public for over forty years Spotlighting individuals places and events that make for distinctiveness *Sketches from the Five States of Texas* features oddities and little known facts that present a kind of history within history Several sketches look at inventions or innovations such as plows and Other pieces focus on historic moments the first long distance telephone service the last messenger from the Alamo Transportation is a theme that runs through this book trains planes including a box kite contraption early automobiles and roads and steamboats ice boats and war boats Place names get attention too peculiar names unexpected sources and long lost places Naturally the wars of Texas are also covered the Revolution the Indian wars the Civil War and the Texas Navies The pieces in this collection originated for the most part in Greene s popular Dallas Morning News columns several sketches and all the regional introductions are completely new Aficionados of Texas history will already know some of what they read here but they will not know all of it Greene s nuggets of history will inform and entertain a wide reading public They represent A C Greene at his best and most engaging and the states of Texas at their best too **Return of the Western Sue**

Matheson, 2025 Transmitting the crisis that Frederick Jackson Turner and Theodore Roosevelt feared when the frontier closed the Western has returned to reveal a cultural watershed at work in twenty first century America revitalized with horror terror and the peccant Darkened and dystopic contemporary Westerns point to a national bankruptcy upending the notion that regenerative civilizing impulses direct nation building Exploring films like *Open Range* 2003 *Yah i Bat* 2010 *The Keeping Room* 2015 *Little Woods* 2018 and *First Cow* 2019 as well as television series like *Justified* 2010 1015 *Longmire* 2012 2017 *Westworld* 2016 2022 and *Yellowstone* 2020 this thought provoking collection examines re constituted masculinities feminine re fashioning and new directions in Western filmmaking Covering a wide range of aesthetic and
