

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The road leads towards a bright, hazy light at the end of the path. The overall mood is serene and contemplative.

Return Walter Gormley, 2017-11-07 Human achievements have reached levels that could only be imagined by people a hundred years ago yet we are no more spiritually advanced than people who lived thousands of years ago Its time to grow up Return The Way of Perfect Love is a new version of an unpublished book written years ago by a father to his children with the hope of helping them build a combined personal interpersonal and spiritual life a righteous life by answering some of life's most important questions Who is God Why are there so many religions Who is right Can you be religiously faithful yet not righteous What is the difference between righteousness and morality What is a person's soul and how does it interact with the body How should we pray What is spirituality What is perfect love Why is repentance important What does it truly mean to be born again or born from above What is our purpose for being alive What is free will Can people be perfect What is humility This modified edition is written for everyone It is a positive book about the love that the Almighty God has for all of us without preference of sex race religion or any demographic and how important it is for us to have that same love Unlike other more philosophical theoretical or transcendently written books this is also a practical guide for spiritual growth and interpersonal improvement It also provides a foundation for interreligious and nonreligious co learning and cooperation

Return to Good and Evil Henry T. Edmondson, 2005-04-05 Return to Good and Evil Flannery O'Connor's Response to Nihilism is a superb guide to the works of Flannery O'Connor and like O'Connor's stories themselves it is captivating provocative and unsettling Edmondson organizes O'Connor's thought around her principal concern that with the nihilistic claim that God is dead the traditional signposts of good and evil have been lost Edmondson's book demonstrates that the combination of O'Connor's artistic brilliance and philosophical genius provide the best response to the nihilistic despair of the modern world a return to good

and evil through humility and grace *W. B. Yeats's A Vision* Neil Mann, Matthew Gibson, Claire Nally, 2012 The first volume of essays devoted to W B Yeats's *A Vision* and the associated system developed by Yeats and his wife George A Vision is all encompassing in its stated aims and scope and it invites a wide range of approaches as demonstrated in the essays collected here written by the foremost scholars in the field *Atonement, Justice, and Peace* Darrin W. Snyder Belousek, 2012 In this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking **Returning To Our First Love** Shania Ward, 2015-09-15 Religion finally dispelled so You God's children have the comfort of the Holy Spirit filling and feeling your soul with relief The yearning of freedom we seek has been veiled through much deceit This book will cut to the core of all that religion has taught us It will dispel that wicked spirit and close the door once and for all We will find ourselves like Paul forgetting those things which are behind and pressing toward the mark of the high call in CHRIST JESUS Philippians 3:13 Easy to Read Straight to the Point Paul too thought that his upbringing under religion was the correct way to the FATHER he was persecuting the believers in the MESSIAH All in the in the name of religion When Jesus introduces himself to Paul he learned that everything he thought he knew he needed to learn Getting To Know Jesus and His Simplicity David: The Godly Heart of a Sinful Man Terry W. Hyman, 2022-03-08 To some people saying that David had a godly heart is almost offensive How do you apply that description to a man whose legacy includes neglecting responsibilities lust adultery murder deception hypocrisy and callous indifference Saul David's predecessor as king of Israel was guilty of deliberate rebellion but Scripture gives no account of him ever engaging in the kind of disgusting activity that characterized David's behavior during his sin with Bathsheba Yet Saul when he sought forgiveness was rejected What made David different David The Godly Heart of a Sinful Man examines David's heart identifying specific character qualities that influenced his response when confronted with his sin Humility honesty and confession were common and it was evident that David cared more about getting right with God than defending his actions There was no effort to justify his sin or excuse himself and he never tried to shift the blame to others David understood that God cared more about the contrite attitude of a broken heart than the false piety of an insincere sacrifice He knew he would never by his own efforts meet God's standard of perfection In Psalm 103:14 David stated He knoweth our frame he remembereth that we are dust The essential message of David The Godly Heart of a Sinful Man is that God does not expect an individual to be perfect instead He desires a heart that is sensitive
