

Return To The High Country

Joel Kotkin

Return To The High Country:

Religion, Law, and the Land Brian E. Brown, 1999-11-30 Examining a series of court decisions made during the 1980s regarding the legal claims of several Native American tribes who attempted to protect ancestrally revered lands from development schemes by the federal government this book looks at important questions raised about the religious status of land The tribes used the First Amendment right of free exercise of religion as the basis of their claim since governmental action threatened to alter the land which served as the primordial sacred reality without which their derivative religious practices would be meaningless Brown argues that a constricted notion of religion on the part of the courts combined with a pervasive cultural predisposition towards land as private property marred the Constitutional analysis of the courts to deprive the Native American plaintiffs of religious liberty Brown looks at four cases which raised the issue at the federal district and appellate court levels centered on lands in Tennessee Utah South Dakota and Arizona then it considers a fifth case regarding land in northwestern California which ultimately went to the U S Supreme Court In all cases the author identifies serious deficiencies in the judicial evaluations The lower courts applied a conception of religion as a set of beliefs and practices that are discrete and essentially separate from land thus distorting and devaluing the fundamental basis of the tribal claims It was this reductive fixation of land as property implicit in the rulings of the first four cases that became explicitly sanctioned and codified in the Supreme Court's decision in *Lyng v Northwest Indian Cemetery Protective Association* of 1988 In reaching such a position the Supreme Court injudiciously engaged in a policy determination to protect government land holdings and did so through a shocking repudiation of its own long established jurisprudential procedure in cases concerning the free exercise of religion

The New Geography Joel Kotkin, 2002-01-29 In the blink of an eye vast economic forces have created new types of communities and reinvented old ones In *The New Geography* acclaimed forecaster Joel Kotkin decodes the changes and provides the first clear road map for where Americans will live and work in the decades to come and why He examines the new role of cities in America and takes us into the new American neighborhood *The New Geography* is a brilliant and indispensable guidebook to a fundamentally new landscape

Foot-tracks in New Zealand: Origins, Access Issues and Recent Developments

Pete McDonald, 2011 *Foot tracks in New Zealand* examines the development of walking tracks over two centuries from the early 19th century to about 2011 Publisher Pete McDonald Page size A4 ISBN 0473190958 9780473190958 File format PDF Number of pages 1000 About Trails Tracks New Zealand History Recreation Land access *Ebook: Managerial Accounting - Global Edition* Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing The emphasis is on teaching students to use accounting information to best manage an organization Each chapter is written around a realistic business or focus company that guides

the reader through the topics of that chapter There is significant coverage of contemporary topics such as activity based costing target costing the value chain customer profitability analysis and throughput costing while also including traditional topics such as job order costing budgeting and performance evaluation Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U S edition

Hearings United States. Congress. House. Committee on Interior and Insular Affairs, 1966 High Country Courtney Ryley Cooper, 1926 **Annual World Bank Conference on Development Economics 2008, Global** Justin Yifu Lin, Boris Pleskovic, 2009-09-22 This book presents selected papers from the ABCDE Meetings held May 17 18 2007 in Bled Slovenia Hosted by the World Bank and the Government of Slovenia more than 400 experts from countries around the world met to deliberate the theme Private Sector and Development This volume presents papers on financial inclusion factors that matter the most for business climate and the provision of public services by non state actors

Grizzly West Michael J. Dax, 2015-08-01 Environmentalists and the timber industry do not often collaborate but in the years immediately following gray wolf reintroduction in the interior American West a plan to reintroduce grizzly bears to the Selway Bitterroot Wilderness of Idaho and Montana brought these odd bedfellows together The partnership won praise from diverse interests across the country and in 2000 the U S Fish and Wildlife Service approved a plan for reintroduction When the Bush Administration took office however it promptly shelved the project In *Grizzly West* Michael J Dax explores the political cultural and social forces at work in the West and around the country that gave rise to this innovative plan but also contributed to its downfall Observers at the time blamed the project s collapse on simple partisan politics but Dax reveals how the American West s changing culture and economy over the second half of the twentieth century dramatically affected this bold vision He examines the growth of the New West s political potency while at the same time revealing the ways in which the Old West still holds a significant grip over the region s politics *Grizzly West* explores the great divide between the Old and the New West one that has lasting consequences for the modern West and for our country s relationship with its wildlife
