Return to Tybee Annette Bergman,2003-07      *Return to Tybee* Annette Bergman,2020-07-29 Paige Mitchell knew in her heart that her son hadn't deliberately run from the police She just didn't know how to prove it But like most mothers she continued to believe in her son After the accident that claimed the life of an Indiana State Policeman her husband moved out of the house Paige takes you on a journey from the tragic accident into the judicial system as she had never known it to be From a landmark lawsuit that changed the law in Indiana to the way and means of the judicial system it's an eye opening experience to see what letting a teenager drive a parents car can do to their lives The author shares the mental anguish of the trials and tribulation of her divorce her mother's death and the death of her first grandchild It was the love for her son the determination of her soul and the promise of going back to her childhood home on Tybee Island that got her through the darkest days of her life Determined to have some closure she finally discovered the truth about the accident and still wonders if the truth had been told during the trial could they have been spared the treatment her son endured in prison

**Savannah Skies** Melanie O'Hara,2013-11-01 When editor Savannah Brennan returns to her Southern home after being in New York for several years she knows she must face the shame of announcing her failed marriage the discomfort of seeing the man everyone thought she was going to marry and the difficulty of putting her life back together on her terms with or without the support of her family      *Glimpse of an Angel: Loving Through Faith & Fear* J. Allen Wilson,2009-09 Clinging To The Cross Soft pinks and lavenders filled the quietness of the evening sky The shushed rustle of birds drifted to the silence of night The full moon rose like unto a small pearl so gentle so soft Below stood I beside my wife's freshly dug grave and the statue of a woman clinging to the cross I pondered our days in which we both labored under the sun I recall all the blessings in our life that the Lord God had done I remembered our trials I recalled our victories and their cost Yet what I remember the most is how through it all my wife Leah forever in faith clinging to the cross Now that she is gone and I this little man feel so alone I think I pray and I recall how God has always made the way now I too know what I must do and that is like Leah I am to cling to the cross each and every day J Allen Wilson 9 13 2008      **Savannah Harbor Expansion Project Chatman**
