Longbrake,2019-01-03 Through the ages many kings and prophets have desired to see the things we see and they did not see them we are the chosen generation Many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come The rebirth of the state of Israel and the return of the Jews to the Holy Land is prophesied more than any other event in scripture it is a sign of the times Theodor Herzl is considered to be the father of the modern state of Israel In his book The Jewish State published 1896 it is said that as a child he saw King Messiah in a dream who said to him Go declare to the Jews that I shall come soon and perform great wonders and great deeds for My people and for the whole world Theodor s prophetic dream comes to life in the Biblical prophecies presented in this book There is seen in the prophets a great and awesome SHOW of God s mighty power that shall take place in the last days It is a show of God s power that is greater than anything He has done before it is God s Grand Finale End Time events and the return of Christ will soon follow Revelation Revealed Dr. Paul A Vallee,2019-11-22 In popular culture the focus of the

biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity's enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today's readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

God Is Not... D. Brent Laytham, 2004-07 Takes on culturally formed misconceptions about who God is by boldly stating who God is not

When Time Shall Be No More Paul Boyer, 1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture

Reclaiming the Book of Revelation Wilfried E. Glabach, 2007 Progressive Christians have largely resisted studying the book of Revelation but Reclaiming the Book of Revelation shows that the last book of the Bible has great relevance for progressive Christians and congregations in this world It addresses themes such as how to avoid being drawn into the values of a consumerist society how to describe our fears instead of fleeing from them and how to live with hope in difficult times Because Revelation has been claimed by the religious right and proponents of rapture theology Wilfried E Glabach addresses the need for more progressive Christians to give another interpretation of the book Reclaiming the Book of Revelation offers an interpretation

that stresses God's forgiveness and the healing of the nations rather than the destruction of many and the redemption of a few. Dr. Glabach motivates and encourages preachers, teachers, and lay readers to explore Revelation's vision of assurance, justice, and peace. Back cover

Until He Comes Simon Thielemann, 2025-10-16

Establish your hearts for the coming of the Lord; He is at hand. James 5:8. Contrary to popular belief, the primary purpose of studying the end times is not to gain knowledge of what will come, but to gain knowledge of Jesus. We study biblical prophecy not to predict the future, but to understand God's heart and His purposes and to be transformed into the image of Christ. To love the Lord is to love His return. At this hour, Jesus is drawing the bride close to His heart, emphasizing the hope of His coming and equipping her for glory and crisis. In short, God wants a people prepared. This comprehensive book will help you anchor your faith in the eternal truth of God's Word, teaching you how to apply it to your life. It also includes extensive study material and practical invitations to deepen your relationship with God. Gain biblical insight about how to live in these last days. Pursue greater intimacy with the Father, Son, and the Holy Spirit. Ignite your passion for the Word of God. Refine your theology of covenants, grace, kingdom, and prophetic fulfillment. Align with God's plans and purposes for Israel and the church. Develop a deep longing for Jesus' return and become one of His end-time messengers. Prepare for the coming King.
