Apocalypse For A New Millennium Benjamin Williams,2013-09-04 Here we are in the millennium that wasn't supposed to happen as another generation of end time authors and bible prophecy specialists have proven wrong Again the Book of Revelation has been brought into disrepute Can Christians take back the book and read John's Apocalypse with fresh eyes Dr Williams argues that the prophet John saw in the events of his own day a larger drama playing out the ultimate struggle between God and evil Because human nature never really changes the same great themes speak to every age including our own In all the bad news of today's headlines the Apocalypse unveils the good news that undergirds all human history and drives it forward toward its intended destiny If you find the Book of Revelation only confusing or even frightening this book is for you *Great Truths of the Bible* Alan B. Stringfellow,2014-05-14 Have you ever felt that God has something special planned for your life Do you feel as though you have failed to receive His greater blessings It may be that you haven't fully matured as a Christian Great Truths of the Bible provides you with a greater understanding of God's will as revealed through His Word by presenting 48 fundamental spiritual principles of the Christian faith in a 52 lesson format This study will Build your confidence in the truth of all Scripture Help you to better understand difficult passages of the Bible Provide insights into subjects rarely taught or preached Take you through the entire Bible focusing on key principles of Scripture As you follow this guide you will discover exactly how God prepares you for the many choices you'll face in life These truths will become a living reality in your Christian walk and you will become a doer of the Word and not a hearer only See James 1:22
