Christopher A. Frilingos

Revelation Unsealed A Narrative Critical Approach To Johns Apocalypse Biblical Interpretation Series V 3:

Revelation Unsealed James L. Resseguie, 2021-10-11 This narrative commentary systematically examines John's Apocalypse from a narrative critical perspective After an introduction to narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The volume provides a useful methodology for the study of a much disputed book of the Bible **Recovering the Monstrous in Revelation** Heather Macumber, 2021-08-30 This book reads Revelation through the lens of the monster Using monster theory Heather Macumber approaches the cosmic beings in John's Apocalypse as other and monstrous regardless of whether they are found in heaven or the abyss with significant attention paid to the monstrous body and how it causes both unease and wonder Intertwined with descriptions of cosmic monsters this book also interrogates the role of John as a maker of horror stories who casts his opponents as the other and monstrous Despite the tendency to view John and the heavenly creatures as the heroes of this apocalyptic tale Macumber aims to recover their own liminal and hybrid characteristics that mark them as monstrous Narrative Reading, Narrative Preaching Joel B. Green, Michael Pasquarello, III, 2003-12-01 There is often an unfortunate division between the technical work of biblical scholars and the practical work of preachers who construct sermons each week These two fields of study which ought to be mutually informed and supportive are more often practically divided by divergent methods interests and goals Narrative Reading Narrative Preaching aims to bridge that divide Using narrative as an organizing theme the contributors work through the New Testament offering examples of how interpretation can rightly inform proclamation Three pairs of chapters feature an exemplary reading by a New Testament scholar followed by a sermon informed by that reading Introductory and concluding chapters provide guidance for application of the model Pastors and seminarians will find here a uniquely practical work that will help them with both the reading and preaching of Scripture **Invitation to Biblical Interpretation** Andreas J. Köstenberger, Richard Duane Patterson, Invitation to Biblical Interpretation provides seminarians and upper level collegians a textbook utilizing the hermeneutical triad method This approach to interpretation is based on giving due consideration to both the historical setting and the literary context as well the theological message **Priesthood and Temple in John's Apocalypse** Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to re-present his vision to his audience spatially so that they can

experience a divinely ordained alternative to the world in which they live Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation John's description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality

Literary Approaches to the Bible
Douglas Mangum, Douglas Estes, 2018-03-14 The study of the Bible has long included a literary aspect with great attention paid not only to what was written but also to how it was expressed The detailed analysis of biblical books and passages as written texts has benefited from the study of literature in classical philology ancient rhetoric and modern literary criticism This volume of the Lexham Methods Series introduces the various ways the study of literature has been used in biblical studies Most literary approaches emphasize the study of the text alone its structure its message and its use of literary devices rather than its social or historical background The methods described in *Literary Approaches to the Bible* are focused on different ways of analyzing the text within its literary context Some of the techniques have been around for centuries but the theories of literary critics from the early 20th century to today had a profound impact on biblical interpretation In this book you will learn about those literary approaches how they were adapted for biblical studies and what their strengths and weaknesses are

Spectacles of Empire Christopher A. Frilingos, 2013-03-25 The book of Revelation presents a daunting picture of the destruction of the world complete with clashing gods a multiheaded beast armies of heaven and the final judgment of mankind The bizarre conclusion to the New Testament is routinely cited as an example of the early Christian renunciation of the might and values of Rome But Christopher A. Frilingos contends that Revelation's relationship to its ancient environment was a rather more complex one In *Spectacles of Empire* he argues that the public displays of the Roman Empire the games of the arena the execution of criminals the civic veneration of the emperor offer a plausible context for reading Revelation Like the spectacles that attracted audiences from one end of the Mediterranean Sea to the other Revelation shares a preoccupation with matters of spectatorship domination and masculinity Scholars have long noted that in promising a complete reversal of fortune to an oppressed minority Revelation has provided inspiration to Christians of all kinds from liberation theologians protesting globalization to the medieval Apostolic Brethren facing death at the stake But Frilingos approaches the Apocalypse from a different angle arguing that Revelation was not merely a rejection of the Roman world in favor of a Christian one rather its visions of monsters and martyrs were the product of an empire whose subjects were trained to dominate the threatening other By comparing images in Revelation to those in other Roman era literature

such as Greek romances and martyr accounts Frilingos reveals a society preoccupied with seeing and being seen At the same time he shows how Revelation calls attention to both the risk and the allure of taking in a show in a society which emphasized the careful scrutiny of one's friends enemies and self Ancient spectators Frilingos notes whether seated in an arena or standing at a distance as Babylon burned frequently discovered that they themselves had become part of the performance

Verbal Aspect in the Book of Revelation David L. Mathewson, 2010-07-26 The book of Revelation is well known for its grammatical infelicities More specifically Revelation exhibits apparently odd use of Greek verb tenses Most attempts to describe this odd use of verb tenses start with the assumption that Greek verb tenses are primarily temporal in meaning In order to explain Revelation's apparent violation of these temporal values scholars have proposed some level of semitic influence from the Hebrew tense system as making sense of this odd use of tenses However recent research into verbal aspect which calls into question this temporal orientation and suggests that Greek verb tenses grammaticalize aspect and not time has opened up new avenues for explaining the Greek verb tense usage in Revelation This book applies verbal aspect theory to tense usage in Revelation and focuses on how the tenses as communicating verbal aspect function within sections of Revelation

The Characterization of Peter's Leadership and Ethics in Acts 1-12, 15 Benea Alukwe, 2024-03-31 The world is in desperate need of trustworthy leaders men and women of character who demonstrate honesty humility courage and compassion Such leaders are crucial to the success and stability of governments corporate bodies institutions and faith communities In this study Dr Benea Alukwe explores the principles at work in Peter's leadership of the early church as it transformed from a frightened group of secret disciples into an indestructible force with world changing potential Examining the depiction of Peter's character in Acts 1 12 and 15 he demonstrates the parallels between Peter's leadership values and those practiced by the Qumran community as recorded in the Damascus Document The ethical foundation depicted in both texts offers a powerful counter cultural narrative of leadership capable of revitalizing nations societies and the church itself

The Lord of the Sabbath Opens His Book of Revelation Christopher Fung, 2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God's consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God's written oracle to humankind But almost no one has been able to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God's image Poignantly it shines a light on the current global crises environmental political religious and economic This book's

common sense context first exegesis sets it apart from most other Revelation commentaries on the market

Thank you very much for reading **Revelation Unsealed A Narrative Critical Approach To Johns Apocalypse Biblical Interpretation Series V 3**. As you may know, people have search numerous times for their chosen novels like this Revelation Unsealed A Narrative Critical Approach To Johns Apocalypse Biblical Interpretation Series V 3, but end up in harmful downloads.
