The Revelation Angeline Welk,1995 **From Revelation to Revolution** Chukwudi Chuck Eke,2022-01-12 The book *From Revelation to Revolution* iClouds of Witnesses for Developing and Driving Your Mind to Success in Career and Business shows how entrepreneurs career professionals freelancers and the faithful can develop and drive their minds to get revelations and simultaneously turn them into revolutionary products and services benefitting the producer and consumers It is a faith driven book propelled with the mindset of reason and science precisely psychology economics sociology anthropology etc Beginning with his own successful life transforming experiences driven by his grit mindset and the resilient spirit of God at work in him the author draws from similar experiences of icons of success such as Barack Obama Oprah Winfrey Jeff Bezos Tony Elumelu Mark Zuckerberg Serena Williams Anderson Cooper Arianna Huffington etc to show that in this COVID 19 proplelled global economy and even beyond you can still turn your revolutionary revelations and ideas into trailblazing products and services for the good of humanity by practicing the time tested principles detailed in this book The principles are God ordained for humans to succeed in their chosen fields or endeavors No matter the field of your career from technology to theology or from architecture to agriculture these principles will enable you to revolutionize your ideas and visions into products thereby earning you huge success while benefiting the public The author asserts that if the success icons he refers to as Clouds of Witnesses succeeded with these principles in spite of the storms and uncertainties of the global marketplace you can also win with these principles This book is for career professionals freelancers entrepreneurs and everyone desiring mind transformation from all walks of life It is specially made for Christians and faith propelled people who need moral rational and psychological boosts to get up and running with their revolutionary ideas and visions to pacesetting attainments in the COVID 19 driven economy and beyond *Readings from the Perspective of Earth* Norman C. Habel,2000-08-01 This volume introduces the hermeneutical approach and ecojustice principles developed by the Earth Bible project team Following this approach biblical scholars illustrate how a reading of the biblical text from the perspective of Earth yields fresh insights Though the text may seem anthropocentric these studies are able to retrieve evidence of the living voice and intrinsic value of Earth It is an approach that can be harmonized with other recognized critical approaches to the Bible from historical criticism to ecofeminist criticism The texts chosen are from many parts of the Bible Psalms Prophets Gospels Romans Revelation and the intertestamental literature Tobit and Wisdom of Solomon *Karl Barth's Theology as a Resource for a Christian Theology of Religions* Sven Ensminger,2014-08-28 This book uses Karl Barth's theology as a resource for Christian theology of religions For this purpose it examines Barth's theology under the doctrinal aspects of revelation revelation and religion theological anthropology and election addressing questions such as the possibility of and context for revelation Barth's understanding of religion the theological approach to the human being and soteriology Furthermore Barth's thought is put into conversation with other approaches in the field of theology of religions notably Karl

Rahner's inclusivism and John Hick and the pluralist paradigm It is shown that Barth's theological system as a whole can serve as a resource for the Christian approach to and interaction with those of other faiths or no faith at all This is achieved through maintaining a balance between the commitment to the own faith and the openness to the sovereignty of God impacting the whole of creation Central to Barth's approach is the challenge to the Christian community to see their presuppositions challenged in the most unexpected circumstances while looking beyond human categories to affirm the dignity bestowed upon all of humanity through the divine Yes in the person Jesus Christ Barth's theology with its starting point in the person of Jesus Christ is advocated as a framework for the members of the Christian community as they live alongside those with a different faith from their own
